

1 INT. SCONE CHURCH

PASTOR

It's time to cook up a farewell tune.

ELIJAH

We sing a song, a song we sing. We sing a song all day long. Sing this song for him or her or they, sing the song so we can praise. Amen.

PASTOR

Another fantastic homemade hymn, thank you Elijah. As we know, Sharon the old receptionist stole 50 grand from us. So to raise that money, Next Sunday evening we will be hosting our Bake Sale handled by the Scondies, our Old Person Society

FX: scattered weak applause

PASTOR

This year, the theme is 'Boozy Bakes' which means that all the desserts will be spiked with alcohol. Actually, I would like to invite Denise up to the podium to explain more about the bake sale. Oh...Denise isn't the president of Scondies? who is?

Fx: soft awkward mutterings ran through the church

PASTOR

Ah, choir member Agnes has been recently elected the president of Scondies.

AGNES

The election was held four months ago Pastor Jamie.

PASTOR

I love the election process. Now, is there anything to know about the upcoming SCONE Bake Sale?

AGNES

All money raised will be going to our favorite charity: the Sisters of the Appalachian Mountains. The charity is

a group of sisters who do work in the Appalachian Mountains.

PASTOR

Actually we're keeping the money. Anything else?

AGNES

Bring your money. And maybe don't bring your kids.

PASTOR

Good note to end on, see you next week everyone.

FX: Intro song

2 INT. SCONE RECTORY

LIV

Liv, Secretary of SCONE, also known as Society of the Children of the Natural Earth, no we do not sell scones nor are we a bakery...ah yes, you're the water company right?

fx; murmuring on the line

LIV

Oh, we owe you four hundred bucks...I see. Well let me look at our checking account and I'll try and wire you over some money...ah, there's no money in the checking account. In fact, we barely have enough money in here to cover ramen.

fx; murmuring on the line

LIV

Well you see the old secretary Sharon stole apparently all the money and then ran off Thelma and Louise style. Although after working here for a week and a half, I definitely relate to the 'ran off' part.

fx; murmuring

LIV

Well I'll pass this off to the Pastor.

Mmmhmm, we're a church not a bakery.  
Thanks again, we'll be sure to pay  
that bill.

FX: ding dong

JONATHAN

Someone is at the rectory door Liv.

LIV

Thanks for taking the energy to tell  
me that and not walk to the door to  
open it.

JONATHAN

You're the secretary, I do special  
projects.

LIV

You're quite the special project  
already.

FX: door opens with rectory door chime

LIV

Oh Mystic Mama!

MYSTIC MAMA

Oh Liv! You work here now.

LIV

I do, what are you doing here?

MYSTIC MAMA

I'm in de area and figured I'd drop  
off my sweet off the vineyard wine.

LIV

Wine?

MYSTIC MAMA

Yes, did you not know? I been doing de  
wine for SCONE! It's my part time  
hobby, out on me ranch. I make some  
wine which would make Grandma Biscotti  
praise-a Jesus.

LIV

You live in a ranch? I thought you  
lived in a small house with your  
office where you do readings?

MYSTIC MAMA

Mama makes sure to spread her investments and a-passions. Is there anyone who can help bring de wine inside? It's one hot day, I feel like I'm back in Silicy.

JONATHAN

You two know each other?

LIV

(strained due to lifting wine)  
Jonathan can you help me load in this wine?

JONATHAN

For sure.

FX; phone is rung

CAROL ANN

(over the phone)  
Hello?

JONATHAN

Carol Ann we need you to stop cleaning the toilets and we need you at the front desk to carry this church wine in.

CAROL ANN

(over the phone)  
Alright, I'll be there in a--

Fx: phone is turned off

JONATHAN

Help is on the way.

PASTOR

Oh my goodness, is the church wine in? Good, we weren't going to have enough for Sunday.

MYSTIC MAMA

I made de batch special for ya, it has a bit of Italian spices to make it a-nice Italian wine. Pair it with a nice parm.

PASTOR

Where's Carol Ann? We need help  
lifting this wine in here...

MYSTIC MAMA

Anything else for now Pastor Jamie? I  
got de exorcisim equipment in the  
trunk in case dere's a spooky ghost or  
evil spirit haunting mi amor's church.

JONATHAN

Bitch pick which fake accent you like  
and stay in that lane, oker?

Fx; footsteps

PASTOR

Carol Ann there you are! I need you to  
carry these jugs of wine over to the  
church.

CAROL ANN

Oh I don't know if I can do that.

PASTOR

What? Why?

CAROL ANN

Well I was supposed to go and grab  
everyone lunch. Since it's Friday, we  
order out don't we?

PASTOR

Oh shoot...you're right. Well I'm sure  
you'll have time for both. Jonathan,  
can you help Carol Ann

Fx: flips through magazine.

JONATHAN

Yeah, Carol Ann I'll take a grilled  
chicken salad, I'm watching my weight.

PASTOR

I mean can you WORK around here  
please? I feel like Carol Ann does all  
the work around here.

CAROL ANN

Well, I do a lot around here that's  
for sure.

PASTOR

Carol Ann, Jesus/God/Higher  
Spirits/greek gods and goddesses and  
buddha don't like it when people brag.

CAROL ANN

Well I'll just take these ten large  
Italian gallon jugs of wine over to  
the church one at a time.

PASTOR

Perfect, thank you Carol Ann. And  
thank you Mystic Mama for the wine.

MYSTIC MAMA

Anytime child, Mystic Mama is always  
at your service

Fx; door close

LIV

By the way Pastor, the water company  
called.

PASTOR

Well I hope you told them wat-ever  
they wanted to hear.

LIV

Well what they wanted to hear was the  
sound of me writing a check. And the  
only sound in our checking account is  
the echo off the empty walls.

PASTOR

Ah yes, the infamous checking account  
that Sharon cleared out.

LIV

Well what should I do if they call  
again?

PASTOR

Send them my way, I'll part the water  
company like Moses with the Red Sea.

JONATHAN

That sounds like my last weekend, I  
parted a few things with my staff.

3 INT. SCONE CHURCH

ELIJAH

(singing)

Another day for a church service, what a beautiful Sunday it is, right before mass...

PASTOR

Elijah, I'm having a rough morning

ELIJAH

Oh no, why Pastor?

PASTOR

I told Carol Ann to put the wine on the back table, but she put it on the side table.

ELIJAH

We just have to be patient with her...we help keep her young and active.

PASTOR

How did she mess up the tables though?

Fx: pouring sound

ELIJAH

Well at least we got Mystic Mama's wine. Will we have enough wine for both the intro drink, the middle drink and the outro drink?

PASTOR

Oh absolutely, ten gallons should last us for the next three weeks.

fx; jingle to a bit later

PASTOR

Welcome to mass, take a sip from the cup.

Fx; sip from the cup.

PASTOR

Welcome to mass, take a sip from the cup

Fx; sip from the cup

fx; jingle to a bit later

PASTOR

May all our parishoners come forward  
for another hearty sip from the  
communal wine!

fx; jingle to a bit later

PASTOR

Before we leave and depart, can we  
(hiccup) take another sip of (hiccup)  
wine?

fx; jingle to a bit later

4 INT. MYSTIC MAMA'S HOUSE

Fx: phone rings

MYSTIC MAMA

Oh good morning, de Mystic Mama is on  
the telephone...huh? What do you mean?  
...no, Mystic Mama gave you your ten  
gallons of deep red moonshine. Yeah,  
it's 180 proof. But the Italian spices  
taste real-a-good. You can't taste the  
liquor. Huh? It's wine?

fx; the phone drops

MYSTIC MAMA

I accdientially switched the church  
wine with da redneck moonshine! Mamma  
mia!

5 EXT. SCONE CHURCH

fx; bells are going off, people are walking to their cars.

PASTOR

Bye everyone, I fucking love you all  
so much. My heart is  
so...so...so...wide?

ELIJAH

Pastor...I... feel a little connected  
to GOD right now.

PASTOR

I do too! I feel...enlighted, high,  
drunk on God's love.

JONATHAN

Or, we're all drunk.

ELIJAH

What do you mean?

JONATHAN

That wine was moonshine.

PASTOR

What?

JONATHAN

You guys couldn't tell? We drink this  
kind of moonshine all the time down at  
the redneck rough ass gay bar out of  
town.

ELIJAH

We were drinking straight liquor?

JONATHAN

First of all, liquor doesn't have an  
orientation. Second, duh! You've never  
had liquor before?

PASTOR

(burps)

I guess looking back I did think the  
wine was a bit strong.

JONATHAN

Well, anyway I'm going to go back to  
the rectory before I have to pick  
everyone up in the shuttle for the  
bake sale...

PASTOR

I just checked my phone...(burp) and  
Mystic Mama called me three times.

ELIJAH

(hysterical)

Call her back!

FX: phone rings

ELIJAH  
Are you calling her?

PASTOR  
Yes!

Fx; phone ringing still

ELIJAH  
Is she answering?

PASTOR  
No!

Fx; phone clicks

MYSTIC MAMA  
Pastor Jamie, child I got some bad  
news about de wine I gave you. I mixed  
it up with de moonshine.

PASTOR  
I didn't know you made moonshine...but  
we already drank two jugs of the  
moonshine.

ELIJAH  
Tell her we drank the moonshine

MYSTIC MAMA  
Mystic Mama is a coming like a Vespa  
in the Italian countryside, I just got  
inside my Vespa...

PASTOR  
Okay, we'll see you soon Mama.

Fx; phone clicks

PASTOR  
Mystic Mama is coming in her Vespa.

ELIJAH  
Vespa Mystic Mama

PASTOR  
(Coughs in laughter)  
Oh that's good

Fx; tire screech and a large thump, followed by a yelling  
Jonathan

ELIJAH  
That not good!

Fx; running and breathing sounds.

PASTOR  
What happened?

JONATHAN  
Denise was so drunk off the moonshine  
that she ran me over!

DENISE  
Am I driving?

PASTOR  
No wonder she didn't get re-elected as  
president of SCONIES...

JONATHAN  
Um, Pastor there's more important  
things here like my BROKEN leg?

ELIJAH  
(hyperventilating)  
Oh my gosh, oh my gosh we're all  
DRUNK! EVERYONE Stop DO NOT DRIVE we  
gave you moonshine by accident oh my  
gosh, call 911 Jonathan is in pain and  
misery, I'm getting so worked up I  
just, I just, I just have to SING!!!!!!

PASTOR  
We'll take you down de street to de  
hospital, okay my little linguine?

JONATHAN  
What?

PASTOR  
I was pretending to be Mystic Mama. I  
can't believe you didn't get the  
reference.

JONATHAN  
Focus! I need medical attention.

PASTOR  
CAROL ANN! CAROL ANN!

CAROL ANN  
I'm right here!

PASTOR  
I need you to direct traffic.  
Meanwhile is there anyone sober who  
can take Jonathan to the hospital.

LIV  
I can, I didn't drink any wine.

Fx; Elijah and the Pastor both left out a scary scream.

ELIJAH  
Oh my gosh! Where did SHE COME FROM?

PASTOR  
You can't sneak up on us like that  
Olivia!

LIV  
I've been here since Jonathan got ran  
over. Jonathan, can you at least stand  
up?

JONATHAN  
If I can take a ten inch-

ELIJAH  
(singing)  
AHHH I don't want to hearrrr such  
smutttt...

Fx; jingle out

6 INT. SCONE RECTORY

ELIJAH  
Well, four hours later we have our  
wine, traded away the moonshine and we  
got Jonathan in a cast.

JONATHAN  
The doctor said I should be okay but  
he wants me to not work hard.

LIV  
Well you already do that, so that  
shouldn't be a problem.

JONATHAN

I was going to say 'bitch' but you're the only person who was sober enough to get me to the hospital.

PASTOR

I think people are finally starting to leave the parking lot...

LIV

Well wasn't Jonathan supposed to use the shuttle to collect the old people and their boozy bakes?s

PASTOR

(sighs)

He was. I suppose someone else will have to do it.

Fx; crickets chirping.

LIV

I'd do it but I've never driven the shuttle so I wouldn't know how to drive.

ELIJAH

I have a huge migraine from all that moonshine.

PASTOR

I have important financial paperwork that must be filed today or else.

CAROL ANN

Well I guess that leaves me...

LIV

Carol Ann I thought you haven't had your license since 1988?

CAROL ANN

Well if Jonathan acts as my backseat driver we should be okay.

PASTOR

I mean...it's not the worst last minute plan.

JONATHAN

I almost died once due to an old lady

at the wheel so why not make it happen again?

CAROL ANN  
Oh good let me get the keys.

Fx; keys jingle.

LIV  
Are we really going to let this happen? She hasn't driven since like the first Star Wars movies came out. And they've made like a hundred of those movies since.

ELIJAH  
Well it wouldn't be safe of me to drive with this migraine, would it?

PASTOR  
And there won't be a shuttle unless I file these important finance papers.

LIV  
Well I can't stand by and let this happen...oh wait, the shuttle is gone.

ELIJAH  
See, if she didn't know how to drive the shuttle would still be there?

7 INT. VAN SHUTTLE

fx; road ambience

CAROL ANN  
Wow, I forgot how fun it is to drive! I feel like a free woman!

JONATHAN  
It's just driving, don't get so excited.

CAROL ANN  
If only my husband Patrick could see me drive...he'd be so proud of me.

JONATHAN  
He'd be proud? Y'all don't get out much do you?

CAROL ANN  
What does this douhickey do?

JONATHAN  
You mean the cup holder?

CAROL ANN  
Cars hold cups? Wow that's amazing.

JONATHAN  
We got to get you outside more Carol Ann.

CAROL ANN  
So who is first on our pick up list?

JONATHAN  
We're picking up Susanne and her  
Chocolate Chip Vodka Cookies.

CAROL ANN  
Those sound magical. How do I make a  
turn?

JONATHAN  
Just turn the wheel?

CAROL ANN  
Like this?

Fx; sharp turn skid

JONATHAN  
Jesus, I said turn the wheel Carol Ann  
not spin the wheel in a three-sixty.

CAROL ANN  
Gotcha...I do I put on the flash  
lights?

JONATHAN  
The flash lights?

CAROL ANN  
Like the lights you put on that flash.

JONATHAN  
The headlights? The brake lights? The  
hazard lights?

CAROL ANN  
Yes, the hazard lights.

JONATHAN  
Don't put them on now, you're still driving...

CAROL ANN  
Oh no, there's a squirrel!

JONATHAN  
Don't worry, you won't hit him.

CAROL ANN  
Oh my goodness I need to brake the vehicle, how do I brake?

JONATHAN  
Just hit the brake.

CAROL ANN  
This button?

Fx; the window wipers go

JONATHAN  
NO that's the wipers.

CAROL ANN  
We're gonna hit the squirrel!

JONATHAN  
Because you're swerving Carol Ann you're SWERVING!

Fx; large crunch

CAROL ANN  
God bless that squirrel's soul.

JONATHAN  
Can we just get Susanne and her Chocolate Chip Vodka Cookies?

CAROL ANN  
Where's her house?

JONATHAN  
Oh wait...you passed it. We'll have to circle the block.

CAROL ANN  
I'll just do an A-turn.

JONATHAN  
An A-turn?

CAROL ANN  
One second Johnathan...let me but on  
the beeper.

fx; beeper goes off to indicate they are backing up. cars  
start honking, and slowly crescendo.

JONATHAN  
I'll just text Pastor Sophie and tell  
her to cancel the bake sale.

8 INT. SCONE RECTORY

PASTOR  
Liv, Elijah! We have an emergency!

LIV  
What is it?

PASTOR  
Apparently it's going to take Jonathan  
and Carol Ann forever to get the  
pastries and old people.

ELIJAH  
Oh no! Where are they at?

PASTOR  
They're on the next street over. They  
haven't gotten any of the goods or the  
old people...apparently Carol Ann is  
doing an A-turn in the middle of the  
street.

LIV  
An A-Turn?

PASTOR  
I guess it's like when you angle the  
car slightly and then back it up  
before doing like a three-point  
turn...I dunno.

ELIJAH  
Well what are we going to do?

PASTOR

Well we need to act fast. The three of us need to round up the old people and their baked goods.

LIV

The AA meeting is tonight as well though...should I tell Ginger to use the church while the bake sale happens in the church hall?

ELIJAH

Yes, Ginger and the AA members can pray away in the church while the boozey baked goods are in the basement.

PASTOR

Okay, we got to go!

9 INT. VAN SHUTTLE

JONATHAN

Carol Ann, a stop sign means that we have to STOP, not sit still for a half-minute.

CAROL ANN

I was told a stop sign means a ten second stop.

JONATHAN

Officially it's supposed to be three, but these days you get away with a one second slow down roll and go.

CAROL ANN

Roll and go...got it.

Fx; phone rings

JONATHAN

Hello?

PASTOR

It's me, the Pastor

JONATHAN

Yeah I know, that's why I answered the call. I don't answer random numbers.

PASTOR  
Where are you guys?

JONATHAN  
We just picked up Susanne and her  
Chocolate Chip Vodka Cookies.

Fx; crazy driving sounds

SUSANNE  
(worried  
)  
I might die on this bus.

JONATHAN  
(whispering  
)  
She's so dramatic. But she's right, we  
might die on this bus.

PASTOR  
How many more people can you pick up?

JONATHAN  
Let's see...it's three o'clock and the  
bake sale is at six o'clock and we've  
been on the road for like a half-  
hour...so maybe...mmm, another five  
people?

PASTOR  
Just keep Carol Ann on the road, I  
don't want you guys to end up on the  
front page.

JONATHAN  
Honey I'm too good to be in the  
newspaper. I want my face on CNN, you  
hear?

Fx; phone hangs up.

JONATHAN  
Alright, Carol Ann I need you to turn  
on Burns Road.

CAROL ANN  
Fern Road?

JONATHAN  
No, BURNS road?

CAROL ANN  
Burn? Is the shuttle on fire?

JONATHAN  
(under his breath  
)  
Nope but I'm going to let myself on  
fire.

SUSANNE  
I can just walk to the church hall,  
we're only five blocks away.

JONATHAN  
How strong are your vodka cookies?

10 INT. PASTOR SOPHIE'S CAR

PASTOR  
Hello Garfield, I'm here to pick you  
and your boozy baked goods.

GARFIELD  
Where's the shuttle?

PASTOR  
We had to come up with some alternate  
travel options for the day. What did  
you make?

GARFIELD  
I made some donuts which have whiskey  
and bourbon in them. The frosting is a  
whipped vodka frosting.

PASTOR  
Wow, and I thought the moonshine was  
powerful.

fx; phone rings.

PASTOR  
Pastor Sophie of the Society of the  
Children of the Natural Earth, this is  
Pastor Sophie.

GINGER AA LEADER  
Hey it's Ginger, the Ginger who runs  
the AA meeting.

PASTOR

Noted, not the Ginger who is part of the pagan club.

GINGER AA LEADER

I think the receptionist told me that I'm in the church tonight, is that right?

PASTOR

Yes you are!

GARFIELD

I don't like being driven around by someone who is on the phone.

GINGER AA LEADER

Alright...well, I'll go set up. I have to grab a cart, I made some desserts for the AA members.

PASTOR

Oh that's excellent! We'll catch up soon Ginger who runs the AA meetings.

fx; phone beep to indicate the call is over.

GARFIELD

Pastor, get off the phone.

PASTOR

I'm off the phone now!

GARFIELD

I hate when peopel drive with phones.

PASTOR

Oh, do you also hate Mondays Garfield?

fx; crickets

GARFIELD

I think I'm going to have one of my donuts

fx; wax paper rustling.

PASTOR

And here's Gladys' house...

GLADYS

Don't drive on the lawn Pastor, this grass just got treated.

fx; van door slides open

PASTOR

Gladys, where are your bake sale goods?

GLADYS

Pastor, I'm what we call a big spender. I come to bake sales and buy stock, I'm not like Garfield here who makes crappy cookies that even Giant Eagle wouldn't sell.

GARFIELD

Hey, I bought these at Giant Eagle...

PASTOR

Okay, well as long as you promise to buy baked goods, I'll drive you to the church.

GLADYS

I brought this crisp twenty dollar bill for a reason Pastor Jamie. Now chop chop, let's roll...

11 EXT. SCONE PARKING LOT / SCONE CHURCH FOYER

JONATHAN

Finally, back at the church. Carol Ann never has to drive again.

CAROL ANN

Can you go get me a cart for all these goodies?

JONATHAN

Yup...

SUSANNE

Thanks for the um...the ride Carol Ann.

CAROL ANN

Absolutely, anything for the members of SCONE.

fx; Jonathan opens the door to the church and finds a cart filled with food.

JONATHAN

Oh, look at all these baked goods, I better get them downstairs and then I'll grab a second cart...

fx; Jonathan wheels the cart to the elevator and goes downstairs

12 INT. SCONE CHURCH

GINGER

Good evening Cheryl...hopefully we avoiding temptations this week?

CHERYL

I only did three sexual favors for booze this week.

GINGER

That's great, we're down from 8! Take a seat honey...Charles?

CHARLES

Yes AA leader Ginger?

GINGER

Just call me Ginger

CHARLES

But there's the other Ginger, I don't want to confuse you two.

GINGER

The other Ginger isn't here. She's just part of the SCONE pagan club.

CHARLES

Oh okay.

GINGER

Can you do me a favor? I have a cart of snacks for everyone in the foyer, can you bring that into the church for me?

CHARLES

Yes ma'ma.

13 EXT. SCONE PARKING LOT / SCONE CHURCH FOYER

JONATHAN

Here's an empty cart for all the  
boozey goods.

fx; Carol Ann heaving desserts

CAROL ANN

Oh good we can load up the goods.

JONATHAN

I'm going to go get my magazine in the  
rectory, ok?

CAROL ANN

Sounds good to me! I think I got all  
our yummy boozy desserts on the cart.  
I'll just wheel it inside.

fx; door opens to the foyer.

CHARLES

Oh are these the baked goods?

CAROL ANN

Yes they are!

CHARLES

I can take those to the meeting.

CAROL ANN

Oh thank you so much for your help!  
See you soon.

fx; cart wheels off

14 EXT. SCONE PARKING LOT

fx; a couple car doors open and slam

PASTOR

I think we got everyone.

ELIJAH

I just did ten rounds with three old  
people each round...that should be  
enough to fill the church hall.

GARFIELD

(whispering  
)

Katherine, don't ever drive with the  
Pastor, she answers calls while  
driving

BARBARA

I'm not Katherine I'm Barbara.

GARFIELD

I don't care what your name is! Don't  
drive with the pastor, she'll kill  
you.

fx; footsteps

LIV

Well hopefully everything looks pretty  
for the bake sale.

fx; doors open

PASTOR

This looks beautiful. I need a boozy  
snack immediately.

GLADYS

But where is the straight up booze?

LIV

You want a drink? We don't have like  
long islands. Just baked goods with  
booze.

GLADYS

This...is just disrespctful. How dare  
they try and mix beautiful tasty  
liquors with their filthy baked goods.  
It's offensive to alcohol. I thought  
at least I could get a shot or  
ten...I'm calling my grandson, Mario.  
He can pick me up from this mess...

fx; phone

GLADYS

Sweetie it's Grandma. Remember that  
time I helped you get rid of evidence?  
Yeah, well I need you to do me a favor  
this time...

fx; walking and approach

PASTOR  
Lillith, what do you have here?

LILLITH  
I made margarita cookies with a  
delicious curaco frosting

PASTOR  
Instead of taking you to church,  
you're going to take me to islands!

Pastor reaches for the cookie and bites into it.

PASTOR  
Weird, this tastes like a pistacho  
cookie.

LILLITH  
I thought it was weird that they  
didn't have the curaco frosting.

fx; muttering builds up

DOROTHEA  
I don't see my beer battered fried  
oreos with strawberry liquor!

PIPPY  
Did anyone see my brownies with  
southern comfort?

DENISE  
Oh dear, what happened to my coconut  
cream cake with rum, spiked coconut  
shards, vodka whipped mereignue, gin  
sugar topping with a tequila graham  
cracker?

ELIJAH  
Uh...we're missing some boozy goods  
Pastor Sophie.

PASTOR  
Well where could they have gone?  
Especially Denise's cake, we need to  
specifcially look for that cake.

fx; muttered and muffled shouting and thumps come from above  
in the church

ELIJAH

I hear ruckus going on upstairs! We need to investigate pastor, I just got the microphones lined up perfectly for the choir.

fx; hurried footsteps and an open door

fx; gasps

PASTOR

The AA members are running lose!

ELIJAH

Those two people are making out on my piano!

PASTOR

Oh my gosh there's onetwothreefourfivesixseveneightnineten ELEVEN chairs knocked over, ELEVEN! GINGER!

PAGAN CLUB GINGER

Yus?

PASTOR

Not you Ginger in the Pagan Club. Ginger who runs the AA meetings!!

GINGER AA LEADER

Pastor! I don't know what's happened?

ELIJAH

We need Mystic Mama for another exorcisim...oh my gosh, GET OFF THAT ORGAN, IT COST US TWO HUNDRED DOLLARS

LIV

That seems way too cheap for an organ.

ELIJAH

We got it from a clearnece auction from a cult that went under.

PASTOR

Ginger who runs the AA meetings, explain what's happening!

CHARLES

You (burp) can't tell? We're fuckin'

wasted!

ELIJAH

The AA members are wasted? How could this have happened?

DENISE

Pastor, right over there on that cart! There's my my coconut cream cake with rum, spiked coconut shards, vodka whipped cream, gin sugar topped with a tequila graham cracker!

PASTOR

Oh my gosh some of the boozy bake sale snacks got up here? Ginger how could you?

PAGAN CLUB GINGER

(munching)

Oh, I thought we could eat the boozy bake sale goodies up here.

PASTOR

Pagan Ginger I swear to GOD-

GINGER AA LEADER

Oh my gosh, this is terrible...I'm such a bad AA leader!

PASTOR

Everyone listen up...

LIV

Pastor, that's not going to work, these people are drunk.

ELIJAH

Oh I know what's going to work...

DENISE

Maybe I can help with my coconut cream cake with rum with spiked coconut shards--

LIV

We don't need to hear the whole cake recipe, we know you made it strong Denise.

ELIJAH

This will get everyone's attention.

fx; blaring microphone feedback, screams from everyone in the church.

ELIJAH

Pastor, I think it's time for a little intervention.

PASTOR

I think you're right.

fx; pastor coughs

PASTOR

We had a lot of experiences with alcohol today and what did we learn?

GARFIELD

That you shouldn't call people on the phone while you drive?

PAGAN CLUB GINGER

There's two different Gingers.

CAROL ANN

I probably shouldn't drive given that the last time I drove Russia was the Soviet Union?

DOROTHEA

Was the lesson that by having a boozy bake sale we were encouraging vice over value?

CHARLES

I learned...that...booze...well, it's bad for me (burp).

LIV

That maybe Mystic Mama should label her wine and moonshine properly?

CHERYL

(slurring  
)

Did we learn that maybe it's not worth doing sexual favors for booze? Maybe save them for hard drugs, not that I need that...

DENISE

I learned that I shouldn't drive when I'm feeling drunk.

JONATHAN

I learned Carol Ann will have to do some of the physical attributes of my job due to my cast.

ELIJAH

Well I learned that maybe we shouldn't have a boozy bake sale the same day we have AA.

PASTOR

Those are great lessons...but I think I was going to say something about booze...like that it's not good for you. But then I looked at Denise's cake...and I think the lesson is we need to properly label the food we bring to church

GINGER AA LEADER

I learned that I failed my AA group today...I'm a failure.

PASTOR

Ginger, I know what's going to hit the spot...Denise's coconut cream cake with rum, spiked coconut shards, vodka whipped meringue, gin sugar topping with a tequila graham cracker?

GINGER AA LEADER

I'm an alcoholic.

PASTOR

Wait the leaders of AA are addicts too? Huh, the more you know.
