

1 INT. SCONE HALL

PASTOR

It's now time for our midsummer's end psalm.

Liturgical Minister Elijah sings

ELIJAH

I'll leave you with a psalm that is very close to my heart.

fx; deep breath

ELIJAH

This psalm...is close to my heart. Close close to my heart. Close close to my heart. This psalm...is close to my heart. Close close to my heart and with god or a higher power.

PASTOR

Thank you again Elijah for another touching hymn. In closing, I've been reminded to let you all know that the weekly meeting of the Warlocks' club scheduled for tonight will have to be postponed due to a pipe burst in the basement. The meeting will be rescheduled for Wednesday evening and I'm told that something called "character sheets" are due this week if you want to be included in the "campaign." Also, the weekly meeting of the Witches Club-I'm sorry, Wiccan Coven, will occur at the regularly scheduled time on Wednesday evening upstairs. Have a blessed or cursed Sunday afternoon, Society of Children Of the Natural Earth. Amen.

2 INT. RECTORY OFFICE

LIV

Listen Alice, I don't know what to tell you. Their meeting had to be pushed back because of the frozen pipes but they expressly said they needed the basement to start their campaign this week. You guys will get Wednesday night in the church.

ALICE, HEAD OF WICCA COVEN
Liv, that's not fair! We need the
basement! Our coven has to meet weekly
in complete darkness for our rituals!
The upstairs is too bright!

JONATHAN
Too bright? Are you suddenly a bat or
some shit?

LIV
Alice, and forgive me if I'm
overstepping, but why don't you try
combining the Witches club with the
Warlocks club? Aren't they basically
the same thing?

ALICE
No they're not! Wicca is real
religion! We have real rituals!
They're just a bunch of nerds playing
pretend in the basement!

JONATHAN
Sounds the same to me, sis.

ALICE
I'll hex you, Jonathan!

LIV
Alice, really, it's just for a week.
You can be back in the basement next
Wednesday, or I can offer you a... 2pm
basement conference room slot on
Tuesday if you prefer?

ALICE
UGH! We have to complete our ritual at
midnight on the eve of midweek!
Tuesday will not do!

LIV
Well, technically if you consider
Sunday the beginning of the week
rather than the end then Tuesday could
actually-

ALICE
Silence or I'll hex you both! Mark my
words, I will get that basement time
slot or my coven will CURSE the whole

of SCONE for all of eternity!

fx; string music plays when Alice talks broodily, no music when she does not.

LIV

Sure thing, Alice.

ALICE

The midnight moon will turn red, and the blood of all those who deny the truth I bringeth to the tableth will perish.

JONATHAN

That's creative.

ALICE

Should we not celebrate midweek festivities, I will bring the wrath of a dozen supremes upon thee.

LIV

Dozen supremes? Like a dozen donuts or something?

ALICE

I will say it only onceth more: deny me that basement and you will rot in hell!

JONATHAN

Are you sure you're not in charge of the drama club?

LIV

See you Wednesday, upstairs.

Alice huffs and storms out, slamming door.

JONATHAN

Hmm, maybe I should join the witches club. Did I tell you what my ex Thaddius did? He could use a good hexing and I don't mean that as a euphemism.

LIV

I thought you said you really liked that one? And what would that possibly be a euphemism for? Never mind don't

answer that...

JONATHAN

Liv, Thaddius really hurt me!

LIV

What did he do again?

JONATHAN

Liv, I told you all about Thaddius' love crimes yesterday!

LIV

Is that his real name?

JONATHAN

Thaddius cheated on me with some bimbo harlot skank hoe down at the truck stop.

LIV

Is this 1976?

JONATHAN

Just because your heteorsexual ass gets pounded at the club doesn't mean truck stops can't get action.

LIV

Uh...

JONATHAN

I have to get back at Thaddius...don't wait up for me.

fx; Jonathan leaves

LIV

(meakily)

Wait, you were supposed to call the plumber....never mind (sigh).

fx; phone rings.

LIV

SCONE the Church, Liv speaking. Ah, the gas company. We owe you how much? Oh that's not bad, just three hundred bucks. Well...here's the scoop. Right now I could give you guys five bucks.

fx; murmured '?' sound

LIV

OR if you wait and let us keep our gas on, I can pay you guys ten bucks next month.

fx; angry murmur.

LIV

Well, what do you think? Do we have a deal?

fx; very angry murmur.

LIV

Honestly shut off the gas then, I won't be blamed when Elijah can't use the gas stove to heat up popcorn. Use a goddamn microwave, wackjob!

fx; hangs up the phone.

3 INT. FLOODED BASEMENT

Sound of quickly rushing water can be heard

PASTOR

Can you believe there's so much flooding down here from one burst pipe!

ELIJAH

It is odd that the pipe is frozen considering it's June.

PASTOR

Global Warming I guess.

ELIJAH

Hmm. You did call the repair man right?

PASTOR

I think told Jonathan to call the plumber...

ELIJAH

So that means he didn't do it.

PASTOR

Why are there tools down here by the pipes? Did someone try and work on them?

ELIJAH

Well it probably wasn't Jonathan.

Crash sound and water spilling

PASTOR

Carol Ann! How's it coming with those buckets?

Sound effect of wading through water approaching

CAROL ANN

Well, actually, the 10 gallon bucket, while empty is relatively light, but once I scoop up the floodwater it's quite difficult to get up the stairs to dump outside... Are you certain I can't take the elevator?

PASTOR

Carol Ann, we just had the elevator serviced in the 1980s. We can't have you spilling water all over it.

ELIJAH

Yeah come on Carol Ann put some muscle into it!

Carol Ann groans, water sloshes

CAROL ANN

Well what about the dumbwaiter? Can't I use that to pull the water up and out of the basement?

PASTOR

Carol Ann did we instill laziness into you? Because you're focusing more on how to avoid the work then doing the work.

CAROL ANN

You're right, I need to accept the labor and forget about pain like Jesus says.

ELIJAH

That's not very open-minded, Buddha
could have said that.

4 INT. RECTORY OFFICE

NARRATOR

2 hours later

fx; jingle to the door

ALICE

I assumed you called us back to the
rectory to make amends and give us our
rightfully due chambers.

JONATHAN

Alice, welcome, step into my office.

LIV

You don't have an office.

JONATHAN

Is this another witches club member?

ALICE/JANICE SIMULTANEOUSLY

It's called a coven/Yes sir team
Hufflepuff!

JONATHAN

Ohhhkay.

ALICE

What do you want? Have your senses
been righted and have you decided to
repent and beg me to spare you from
the plague I'll soon be raining down
upon SCONE and all its earthly
inhabitants?

JONATHAN

Well, I can't get your timeslot back.

LIV

Suck it, wackjob.

JONATHAN

But about this... hexing thing?

ALICE

I will not reconsider until what is

rightfully mine, the basement conference room on Wednesday night at 8pm, is returned.

JONATHAN

Right, but I was wondering, is it possible to hex anyone you want?

ALICE

In theory. What kind of hex?

JANICE

A Jelly Legs Jinx? A Bat-Bogey Hex? Petrificus Totalus?

ALICE

Janice, we're real witches, those are Harry Potter spells!

JANICE

They're not spells they're charms!

ALICE

It's not Harry Potter rules!

JONATHAN

Anywayyyy... here's the deal, my ex Thaddeus cheated on me with some Troye Sivan lookalike at a truck stop that didn't even have a McDonalds. It was so trashy it had a TACO BELL! So I'm gonna join your coven so we can hex him okur?

ALICE

No! Not oak-er! My coven is for Witches Only, ie, no men.

Keyboard clicking furiously

LIV

Actually it says here, that men are welcomed in the Wicca religion, it's simply more common for women to come to Wicca because it by definition rejects the patriarchal ideology of Christianity and subverts the-

ALICE

ISAIDNOBOYSALLOWED!

JANICE

...Do you need a butterbeer?

ALICE

You're all cursed! All of you! You all! Y'all cursed. Get it in your heads. This place will becomed hexed into hell.

fx; door slams

LIV

This place is already hell.

5 INT. TRADING CARD STORE BASEMENT

Muffled sounds of arcade games and pinball can be heard over a heated argument

KYLE

No, Dumbledore's brother just really liked animals, okay, there's nothing that specified Aberforth was into bestiality.

BRIAN

What do you think "excommunicated for performing inappropriate charms on goats" means??

JONATHAN

Um, hello? Are you guys the nerds from the Warlock Club at SCONE?

KYLE

Our secondary base has been compromised! How did you find us?

JONATHAN

Uhh, I asked the uber driver where he thought a bunch of greasy neckbeard weirdos might hang out and he took me to the basement of this trading card shop.

KYLE

Curses!

JONATHAN

Someone's beat you to it. Anyway I have a question.

KYLE

What do you want?

JONATHAN

Can y'all help me voodoo my ex?

KYLE

No?

JONATHAN

Can you help me brew a love potion to get him back?

KYLE

Legally, no? But I know someone who has roofies.

JONATHAN

Sideline the roofies for now, but please, can you do anything at all, including but not limited to, I don't know, showering?

KYLE

...You could pretend to date one of us to make him jealous?

JONATHAN

Um ew. Thank you, next.

BRIAN

Well if you figure out how to brew Amortentia, I'm sure my friends and I would be interested to know. Otherwise, that's our offer.

JONATHAN

I'm gonna pretend I have any idea what you just said.. but fine. Let me look around the room. Sigh. Not not, not you, definitely not you, I guess you'll do. Come here.

KYLE

Me? I didn't mean me-

Sniffs sounds

JONATHAN

Ughh halitosis no not you. You. You'll do it?

BRIAN

What do I get in return?

JONATHAN

Well you get to kiss me, silly!

KYLE

You come into my trading card shop on the day that our character sheets are to be written and you ask us to help you get back some guy? We are level 20 High Elf Noble Warlocks. We want something in return, and not your affections.

BRIAN

Yeah, I'll pretend to date you, but I won't kiss you.

JONATHAN

Oh you want to save your first kiss for someone special, huh?

KYLE

Alright, Outlander. We'll give you Brian IF and ONLY IF you can give us the basement EVERY Wednesday from now on.

JONATHAN

Isn't that when Alice and the witches meet?

KYLE

We can't do Sundays anymore. There's no other day! Monday is Arrow, Tuesday is The Flash, Thursday is Supernatural, Friday is World of Warcraft night, Saturday is Magic the Gathering Tournaments, and Game of Thrones is coming back next week on Sundays!

JONATHAN

What a thrilli ng social life...

KYLE

Exactly! We need Wednesdays!

JONATHAN

Uhhh I'll see what I can do.

KYLE

Do or do not, there is not try.

JONATHAN

Ummm okay. Fine, I can probably make it happen.

BRIAN

While we're at it, can you get the pastor to buy us the extended edition box set of Lords of the Rings? With the director's commentary? It's... for the club.

JONATHAN

Are you nerds serious?

BRIAN

JUSTGETTHEDVDS!

6 INT. FLOODED BASEMENT

ELIJAH

Thank you again for coming on such short notice Mr. Plumber Sir.

MARIO

Uh no problem. I'm Mario, Gladys's grandson.

PASTOR

Oh I never expected her to be a motherly figure.

MARIO

She wasn't a motherly figure, that's why the family only comes together on Christmas and Passover.

PASTOR

Oh.

MARIO

Anyway I've replaced the pipe that burst so there's no more leak but

you're going to have to call a professional cleanup crew to take care of the flooding.

PASTOR

Oh that's no problem, we have volunteers for that. How ya doin' Carol Ann?

CAROL ANN

Alright Pastor, I'm balancing the buckets of water on my walker!

PASTOR

How resourceful!

MARIO

Right. Well.

ELIJAH

So did you figure out why the pipe froze?

MARIO

It's June.

PASTOR

Was it Global Warming?

MARIO

If Global Warming knows how to use a monkey wrench and... this giant hatchet I found over by the pipe.

PASTOR

Well Global Warming sure has thrown a huge monkey wrench into our summer, eh?

Sound of footsteps running down steps

LIV

You can't be serious Jonathan! This is some kind of scheme to get back Thaddeus, I know it.

JONATHAN

It most certainly is not! I am a changed man!

LIV
Bullshit!

JONATHAN
Why are you following me?

LIV
Because I need to see how this is
gonna play out.

JONATHAN
You're a spiteful atheist!

LIV
Not really, just bored.

JONATHAN
Pastor! I've been looking all over for
you! I have great news! I have found
the light!

PASTOR
Oh, Jonathan I'm so glad! Er, no
judgment of course, but which light?
If you don't mind me asking?
Christianity? Judaism? Buddhism?

JONATHAN
I have become a proud... Warlock.

Liv laughs

ELIJAH
sings You mean the nerds who hang
out in the basement?

JONATHAN
They-we-are a group of like-minded men
who follow the teachings of... the
great Gandalf.

PASTOR
What? They're a religion? I thought
they were just playing Dungeons and
Dragons and trading comic books.

ELIJAH
sings Gandalf is a fictional
character?

JONATHAN

He can still have teachings! Anyway, we need the basement on Wednesdays from now on. You'll have to make Liv shuffle some things around, but that shouldn't be a problem right?

LIV

Oh no you are NOT making me deal with Alice again, YOU can tell her yourself.

PASTOR

Well I guess so if it's that important to you, Jonathan. It just doesn't make much sense.

JONATHAN

No Judgement, right?

PASTOR

Of course, it's just that it's a fictional fantasy franchise and I really don't see how it could be seen as a religious organization, what are the tenants?

MR PLUMBER

I'm looking to add a tenant to my property in Little Italy over by the pizzeria.

JONATHAN

I don't know ok I haven't seen the movies yet! Which brings me to my other demand-request. One more quick thing before I go. They want-we need-the extended edition box set Lord of The Rings DVDs. For my... initiation... ceremony.

ELIJAH

sings Why don't you just torrent them?

JONATHAN

JUST GET THE DVDs. Okay?

PASTOR

Well I'm not sure if it's in the budget, but I'll see what we can do.

Now, back to work you two, or I'll have you start helping Carol Ann with the flood waters.

JONATHAN

Thanks! See, Liv, I told you they'd accept me for who I am, unlike you... Stop laughing!

Sounds of footsteps up stairs.

ELIJAH

sings Nerd.

7 INT. SANCTUARY

Latin chanting can be heard

JONATHAN

Uh, Alice? What's with the giant pentagram on the floor?

ALICE

I warned you all! I'm cursing you!

JONATHAN

Uhh, right. Well I just wanted to find you and tell you that I'm a Warlock now and we're getting the basement on Wednesdays from now on. Proceed!

ALICE

What? Wait!

JONATHAN

For what sweetie, Satan to come smite me?

ALICE

Ughh, listen peasant! I have a proposition for you.

JONATHAN

Really not interested.

ALICE

A duel! Witches against Warlocks. The winner gets Wednesday nights.

JONATHAN

A duel? Like a big battle?

ALICE
That is the idea.

JONATHAN
Would spectators be allowed?

ALICE
I guess?

JONATHAN
(to self) I could invite Thaddues to
the duel so he could see me with the
Warlocks...

ALICE
Who?

JONATHAN
Nothing! Yes, duel away! Let's say
tomorrow night in the parking lot?
Bout 5 pm? Great! Kisses!

ALICE
You'll rue this day, pathetic boy,
mark my words!

8 INT. RECTORY OFFICE

fx; phone line clicks

JONATHAN
Hey, Thaddeus. I know I told you to
drive off a cliff but I was thinking
you should stop over at the church for
this little get together we're having
in the parking lot! It's just a little
duel thing I'm doing with my new bae.
Should be pretty lit. Feel free to
come through! *click*

LIV
Duel?

JONATHAN
Yes, Liv, a duel, why do you ask?

LIV
And you have a "new bae?" I... Nah,
not getting involved.

JONATHAN
No one asked you to.

fx; three second pause, clock ticking

LIV
But it's such ridiculous bullshit
though, all of you! Alice going around
burning sage and building alters to
Satan and Janice running around with a
wand in a school girl outfit. She's 35
and twice divorced! They're
delusional!

JONATHAN
Yep.

LIV
And you think inviting Thaddeus to
this charade is going to get him
back?!

JONATHAN
How's not getting involved going?

LIV
I just. Ugh! Nope. Not today, I've got
a pedicure scheduled after work. I
have to stop letting you guys get me
involved in stuff. This job is just a
paycheck and I am off the clock at 5,
so you're gonna clean this up
yourself, whatever you're scheming.

JONATHAN
Liv clearly you didn't listen, you not-
getting-involved nosy ass bitch. We're
not scheming, we're dueling.

9 INT. CHURCH BASEMENT

fx; water slooshing

RICKY
It's really dark and scary down here.
Is it safe, Annabelle?

ANNABELLE
It's fine Ricky, but be careful, there
could be evidence anywhere!

RICKY

When you said you wanted to play detective, I didn't know you were this serious.

ANNABELLE

It's okay Ricky, we're almost at the burst pipe.

RICKY

I'll always be your Watson to your Sherlock Holmes.

ANNABELLE

Um, okay. Just look for clues.

RICKY

Look Annabelle! There's a roll of duct tape!

ANNABELLE

Well I don't know how helpful that is-

RICKY

Oh my god, Annabelle, there's a mouse trap. Do you think a mouse did it?

ANNABELLE

No Ricky. I don't think a mouse purposely broke the pipe.

RICKY

You're right Annabelle you're so smart. That mouse is dead and headless in the trap anyway. JINKIES!

ANNABELLE

Hmm... we should talk to Benni!

RICKY

Who's that?

ANNABELLE

Benni is the church hall hermit who we all think lives down here. He must have seen something.

RICKY

You mean a witness.

ANNABELLE

Exactly!

fx; knocking sound

ANNABELLE

Mr. Benni, can we talk to you? We're junior detectives. We want to start a club, but we're only 10. You gotta be 12 to start a club...but anyway we have some questions.

BENNI

Church hall's closed. It's flooded.

ANNABELLE

It's about the flood!

BENNI

I...I..I don't know anything I didn't see anything!

ANNABELLE

Are you sure? You live down here, I'm sure you saw something.

BENNI

I swear...I...I..I...

ANNABELLE

Mr. Benni are you having a stroke? Or do you know something?

BENNI

I was sworn to secrecy, I promised I would never tell the secrets of this church hall.

ANNABELLE

Listen, you can be a...a..anonymous informant. We won't tell on you sir.

RICKY

Yeah! He can be analogous.

ANNABELLE

Ricky, it's 'anonymous'.

RICKY

A minnie mouse?

BENNI

Ok, listen kids. You put the pressure on me, I can't take it anymore! You didn't hear this from me, but *whispers* check the CD player.

ANNABELLE

Ricky, check the music player!

RICKY

Holy guacamole, there's a copy of Marcy Playground's debut album!

ANNABELLE

And is that a signature? What's it say?

RICKY

Well it's in cursive...

ANNABELLE

Give me that...GASP! Put some sausage in my gravy and ladle it onto my biscuits it's signed by-

10 INT. PARKING LOT

Many voices talking casually, some car noises

PASTOR

I'm not saying I condone violence, magical or otherwise, but it was a great idea on Marcy's part to monetize the duel by selling admission tickets and refreshments. It's almost like a theatrical production! Can you believe all of this is happening because of one broken pipe?

ELIJAH

Indeed. Unfortunately no one has actually bought tickets yet, but the snacks Janice made are selling like hotcakes.

PASTOR

No one bought tickets? Then who are all these people? There must be 50 people out here!

ELIJAH

Based on the costumes I'd guess those are the Warlocks, and these are the witches.

PASTOR

Huh. I guess I didn't recall there being so many long beards and capes in our congregation.

ELIJAH

Nor as many people waving around crystals.

JONATHAN

in megaphone Attention everyone! Thank you all for coming out tonight to the 2019 Witches Vs. Warlocks duel! I'm your host, Jonathan, because these boots were not made for fighting!

FX: witches booing

JONATHAN

Booing me will not improve your fashion sense ladies so how about we keep it civil? Thank you! Now before we get started, I would like to make a little announcement-

ALICE

Booo! Fight or get out of the way, inferior mortal!

ELIJAH

Pastor, do you have any idea what's about to happen?

PASTOR

Not a clue.

JONATHAN

Fine, ya'll I'll make my announcement later. 3, 2, 1, go!

ALL

AAAAARGGGG!

PASTOR

Holy shit they're all running at eachother

ELIJAH

But they're not really fighting...

PASTOR

Alice has some kind of flame thrower-
nope that's just sage

ELIJAH

A bunch of those Warlocks have staffs?
They look like they're interpretive
dancing

PASTOR

I think that girl is having a seizure-
no, no I think she's trying to channel
Satan

ELIJAH

Look over there, that guy's pelting
people with ten sided dice!

PASTOR

Look those girls are just holding
hands in a circle singing a song-YOU
GO GIRLS! PEACEFUL PROTEST-Oh wait is
that a dead goat's head???

ELIJAH

Well those plastic lightsabers are
clearly no match for that..

JANICE

Expecto Patronum! EEE EEE EEE EEE!

BRIAN

Your Patronus is a Dolphin?

PASTOR

Ooooh look look look I think
something's happening over there with
Janice and Brian!

JANICE

Yes and it is protecting me from your
spells so stay back!

BRIAN

That's beautiful. My patronus is a
Manatee..

JANICE

Really?

ELIJAH

Are... are they flirting? In the middle of the duel?

PASTOR

Look out for those flying crystals, Brian! Oh look, isn't that Jonathan's ex over there? He looks lost. And very confused.

JONATHAN

Thaddeus! You've almost missed all the fun-shit! Watch out for the flaming herb pouches!

THADDEUS

Uh what is going on here?

JONATHAN

Oh it's just a little duel, they're all the rage in Portland these days. It's just a little thing I put together with my new bae.

THADDEUS

Cool, well, there's a lot of flaming projectiles so I think I'm gonna get going...

JONATHAN

Wait! You, uh, you have to meet him!

THADDEUS

I really don't think...

JONATHAN

Attention everyone! Pause fighting!

PASTOR

No one's pausing.

JONATHAN

I said pause! Oh nevermind, Bae!

ELIJAH

What's he doing? Why's he headed over to that guy who was flirting with Janice?

PASTOR

He's walking into the middle of the battlefield, he's insane!

JONATHAN

THADDEUS! Look, this is *quietly* what's your name?

BRIAN

Brian.

JONATHAN

This is Brian! My new boo!

BRIAN

Wait, I-

Big kiss sound

JONATHAN

See? I hope you're not feeling jealous because I'm doing great--OWW!

THADDEUS

Dude there's a throwing star in your arm... So, yeah. Okay, I'm.. gonna go.

JONATHAN

Wait! Stay for the afterparty! Or we could grab drinks! What about brunch OW! WHOEVER THEW THIS DICE NEEDS TO CHILL!

KYLE

THE SINGULAR IS DIE! Now Die!

JONATHAN

OH YOU'RE ABOUT TO LEARN ALOT MORE ABOUT "DIE" YOU NERD!

PASTOR

Ooooh I didn't know Jonathan could run like that.

ELIJAH

Hey look, it's Liv. HI LIV! Come to watch with us?

LIV

Nope. Not getting involved. Just walking to my car.

PASTOR

Liv you can't walk through the middle of the duel, you'll get hurt.

LIV

LISTEN UP NERDS! GET OUT OF MY WAY!

ELIJAH

Wow, they actually stopped for her.

LIV

to self 30,000 dollars a year, Liv. 30,000 dollars with benefits. Just keep walking.

PASTOR

Good night Liv!

ELIJAH

Uhh, Resume dueling!

BRIAN

Hey, uhh, did you make the pumpkin pasties?

JANICE

Well yes, but Alice didn't want me to call them that.

BRIAN

They were great. Hey, so. Would you want to like. Have a butterbeer sometime? With me?

JANICE

Really? I just saw you kissing Jonathan?

BRIAN

Oh that was just.. Were you jealous?

JANICE

Maybe..

BRIAN

It does work!

ANNABELLE

Pastor, Pastor! We found some condemning evidence!

RICKY

Why are grownups wearing costumes? Is it Halloween and my dad didn't tell me?

PASTOR

Kids, what's the issue?

ANNABELLE

We know who burst the pipe!

PASTOR

Yes we do too!

ANNABELLE

Really?

PASTOR

Yes, the melting ice caps are wreaking havoc in the arctic...

ANNABELLE

No, Pastor this was someone.

PASTOR

You're right and that someone is US! WE DID THIS! With our insatiable desire for fossil fuels. We couldn't give up hairspray, we couldn't recycle...this is on us!

ANNABELLE

But we found this Marcy Playground CD...

ELIJAH

Honey please don't listen to such bad music.

PASTOR

Hey look, is that... Is that Marcy? Sitting in a director's chair on top of that car watching the fight with a long cigarette and a fur coat? What's she doing with her hand?

ELIJAH

It looks like she's... conducting?

PASTOR

Conducting with a... giant hatchet?

ELIJAH
Global Warming?

MARCY
Darling, some people just want to
watch the world burn.
