

1 INT. SCONE CHURCH

PASTOR

Please join us in the conclusionary hymn.

ELIJAH

Did you hear a higher spirit? Or did you not? If you did hear a higher spirit...then you know what you must do.

PASTOR

What a catchy hymn. Alright parishioners, in case you've missed the last twenty or so Sundays, you might not be aware that we are broke.

fx; murmuring

PASTOR

I know it's troubling. But please remember that money isn't everything. Until you have no money and then it is everything.

JONATHAN

We're more broke then 2 Broke Girls!

PASTOR

Yes, that is an applicable comparison but...

JONATHAN

I'm about to be the B in Apartment 23 if we don't get this cash girl.

PASTOR

Well that one didn't make as much sense...

JONATHAN

RuPaul herself is gonna drag race your ass out of this church if y'all don't start making some money

PASTOR

Okay, enough TV references Jonathan. But he's right everyone. If we don't

get money soon, SCONE might have to shut down.

fx; string music

ELIJAH

Stacey, wrong cue.

STACEY

Whoopsie, I'm still working on how to play the violin.

PASTOR

If you have any fundraising ideas, please inform the staff.

2 THEME SONG

3 INT. SCONE CHURCH

PASTOR

Good day to you Agnes...have a blessed day Dorothea...sacrifice properly Pagan Ginger...oh, and don't drink AA Ginger.

AA GINGER

It's just Ginger Pastor

PASTOR

Okay Just Ginger Pastor

MARCY

Pastor, I must speak with you immediately.

PASTOR

Does immediately mean right now? Or can we schedule that for next month?

MARCY

This is more important than when Marcy Playground submitted our lead single to the label. As you know, 'Sex and Candy' is a unique song. The radio didn't want to play it at first!

PASTOR

Did they know you personally? That might be why the radios rejected the song.

MARCY

Well back then we submitted press releases..

fx; footsteps.

MARCY

...and I remember having to do a photoshoot. It was sweet and sexy, since the song was called 'Sex and Candy'. Wait, Pastor where are you going?

PASTOR

Marcy if I got paid to talk to you, I'd do it. Because we're broke. But I need to make more money than infamous local stripper Juniper Cloud on a Saturday night at Poles and Holes.

fx; Juniper Cloud

JUNIPER CLOUD

Thanks for the compliment Pastor!
Thanks for the mass, love to see you next Saturday!

PASTOR

Blessed be Juniper Cloud!

MARCY

Listen Pastor, I do have an idea for a fundraiser...

PASTOR

Write down your idea and submit it to me at
PastorJamesonLowellDaySmithick_SCONEP
astor11@sbcglobal.net

MARCY

What's that email again?

fx; footsteps, fading voice

PASTOR

It's

4 INT. SCONE MEETING

XX; jingle

PASTOR

Merry Monday Morning, may Medusa mend
mellow moods! What's with the cake?

LIV

Today is Carol Ann's birthday.

PASTOR

I thought she was a Sagittarius...

LIV

Nope...she's a Leo.

PASTOR

(crescendo pitch)

Are we sure that she's a Leo?

LIV

I got Carol Ann's favorite flavor:
marble cake.

PASTOR

Sounds good, did we get her anything?

LIV

We had a Groupon for a Spa Day so I
bought that.

PASTOR

With Church funds??

LIV

No, we couldn't even buy a new pencil
with church funds.

fx; door knocks

PASTOR

Come in!

ELIJAH

I got some free lemons so we could
have lemon water for Carol Ann's
birthday.

PASTOR

Where did you get free lemons from?

ELIJAH

Church Hall Hermit Benni owed me a favor.

LIV

So you needed a favor and decided to have Benni buy you lemons?

ELIJAH

Well we didn't have the budget to buy lemons so I made Benni buy them.

fx; door opens

CAROL ANN

Oh my gosh! A cake? Lemon water? A small envelope with my name on it? You guys!

ALL

(off key)

Happy Birthday Carol Ann!

CAROL ANN

Thank you so much, I love working here.

LIV

Have a slice of your favorite, marble cake.

CAROL ANN

Well to be honest, I like pineapple upside down cake the most...

fx; door slams open

JONATHAN

Everyone, please sit down I have news.

CAROL ANN

Jonathan it's my birthday.

JONATHAN

Carol Ann please, this is serious.

fx; dramatic music

ELIJAH

What's going on?

JONATHAN

I have an idea to raise money.

PASTOR

Oh my gosh, Jonathan did some work?

JONATHAN

But here's the problem.

ELIJAH

Oh you don't have an idea to raise money.

JONATHAN

Shut your cute button mouth up!!
Listen, I have a great idea. We'd make more money than Juniper Cloud during a political convention!

PASTOR

I just used her as a reference point!
She makes so much money.

JONATHAN

Here's the thing...if I tell you this idea, it's going to drag me out of the closet.

ELIJAH

Um...Jonathan. We know you're gay.

PASTOR

Yeah when we interviewed you, you introduced yourself as 'your future token gay employee, Jonathan Del Rio.'

JONATHAN

Of COURSE you GUYS KNOW I'M GAY! I was just taking about my new boyfriend Chanler.

PASTOR

Did you mean Chandler?

JONATHAN

Bitch I said ChaN-LER. There's no D in his name, but I have his D in my--

CAROL ANN

When do I get to blow out the candles?

ELIJAH

We didn't have the budget for cake
candles so we grabbed a church candle

CAROL ANN

Oh good I think blowing out one candle
is perfect anyway.

JONATHAN

Listening, as much as I love blowing,
what I'm about to tell you is
something I've never told anyone. I'm
about to confess something.

LIV

Is it about how much time you spend on
Instagram during work hours?

ELIJAH

Did the patron saint of gay men come
to you with a vision?

CAROL ANN

Is it not my birthday?

PASTOR

Jonathan, cut to the chase. How are we
going to make money?

JONATHAN

We put on a drag show.

fx; intrigued gasp

CAROL ANN

Why are we gasping?

PASTOR

So that's the idea to make money? But
what's your secret?

JONATHAN

The secret is that I'm a closeted drag
queen.

fx; munching sounds on the cake

JONATHAN

Is no one shocked?

LIV

I mean if anyone else was a drag queen
I would have been shocked but...

JONATHAN

Is it because I'm gay?

ALL

Yes.

CAROL ANN

Listen Jonathan, we love how gay you
are. But you're very gay.

JONATHAN

I see someone has a sense of
entitlement on their birthday.

PASTOR

Why have you been keeping your drag
identity a secret?

JONATHAN

At first I didn't know what it
meant...

fx; string music

JONATHAN

I was like, am I supposed to like
putting on makeup? Wearing thick
heels? Dancing in sequins while
pretending to sing to a Robyn track
while my fake boobs bounced to to the
bop? I was ashamed...

PASTOR

Oh I didn't know how serious this was.

JONATHAN

It's very serious! I hid it for years,
like a piece of charcoal buried into
the mine. I thought it was ugly and
didn't anyone to see that side of me.
But after years of pressure...I'm a
diamond and I'm ready for the world to
see this gaudy bling!

fx; string music gets heavier

PASTOR

Where in the world is that string music coming from? Jonathan did you bring your own backup music?

JONATHAN

I am dramatic but not that dramatic.

ELIJAH

It's coming from outside...let me open this window...

fx; footsteps, window opens

ELIJAH

Stacey, our child violin prodigy? What are you doing??

STACEY

I'm sorry I forgot my violin yesterday!

LIV

You forgot your violin in the parking lot?

PASTOR

And shouldn't you be in school? It's Monday Morning!

STACEY

I'm on my way to school now, I just had to tune my violin real quick. I have to be ready for music class!

JONATHAN

Can we pay attention to me please?

PASTOR

Yes, back to you. Thank you for being brave Jonathan. But do you really think we can make money off a drag show?

JONATHAN

Have you ever been to a drag show Pastor? You can't even imagine the sheer color, the ambient, the glory...the whole event screams 'take my money'.

PASTOR

I haven't been to a drag show before, but I trust your judgement. You're our golden gay and great part-time employee. We always enjoy the work you bring to the table.

LIV

What work does Jonathan bring to the table?

CAROL ANN

At least Jonathan tells us all about the crazy words the youth use like 'bop', 'thot' and 'thrussy'

LIV

Yeah let's not use that last word.

ELIJAH

When it comes to putting on a drag show, we could use the church space as a stage. We've done it before.

PASTOR

Excellent! When can we schedule this? How long does it take to organize the drag racers?

JONATHAN

Drag PERFORMERS Pastor. And I'll start calling right now.

CAROL ANN

I remember when I was in drag.

LIV

What? When was this?

CAROL ANN

The summer of 1948. It was in Monaco...there was so much hot energy, loud music, the crows.

LIV

Did you have a drag name?

CAROL ANN

I did...they called me the Princess of Monaco Drag...

LIV

Wow...

CAROL ANN

I raced so many cars that summer.

LIV

Oh you were a Formula 1 racer?

CAROL ANN

Isn't that what the whole conversation was? Jonathan drives cars?

LIV

Well he drives guys...that's for sure.

5 INT. SCONE RECTORY

JONATHAN

...yes...yas....yaaaaaas...yes...yuppers...yup...yuppity yup yup...yes?...yes yes! ya.... yesss.

fx; phone mumbles, phone hangs up.

JONATHAN

I got Misses Missdemeanor, Dima Dozen and Hoover DAMN! all booked for this Friday!

LIV

Oh wow, you really are putting a drag show together!

JONATHAN

I got the connects.

LIV

Can you imagine if you worked like this all the time?

JONATHAN

Hmmm...no I can't.

fx; footsteps approaching

PASTOR

Jonathan, do we have drag queens?

JONATHAN

We're all set for Friday!

PASTOR

Liv, do we have a flyer and an email blast ready to send out?

LIV

Almost done!

PASTOR

And we have the stage design ready?

ELIJAH

We're all set for a performanceeeee.

PASTOR

Well I can't think of anything that's going to go wrong!

fx; door bell jignle, door opens

MARCY

Good morning, Marcy at your service.

PASTOR

Well, I just jynxed us.

MARCY

Pastor, I wanted to follow up with my email. My fundraising idea, remember?

PASTOR

Yeah, I didn't think the idea of you headlining a concert was going to raise money.

MARCY

Are you sure about that?

PASTOR

We couldn't even fill the church for a church play that you ruined--I mean stared in.

MARCY

So what are we doing to raise money? This church needs more money than Marcy Playground on our last tour.

JONATHAN

Some of us actually have good ideas. Aka me. Aka not you. Aka we're doing a drag show.

MARCY

A drag show? I want to be in it!

LIV

Well that would be a drag...

MARCY

Please allow me to not only be a part of, but be the headliner of this drag show.

JONATHAN

Marcy, not to be that guy, but you have to be a guy to do drag.

MARCY

C'e vue play...ground?

PASTOR

I'm sorry I don't speak Canadian.

MARCY

Pastor Jamie, I must put my porcelain fist down on this birch wood table! This drag show is sexist.

fx; light gasps

JONATHAN

Ex-squeeze me?

MARCY

If I can't be in the drag show simply because I am a woman, we shouldn't have it at all.

LIV

Well I think it's more because of who you are, not because you're a woman.

MARCY

Touché

PASTOR

Wow, a lot of Canadian around here today.

MARCY

I will make sure the drag show fails to go on if you keep me out of it.

JONATHAN

All these threats from Marcy
Playground's tambourine side-
chick...so scared

fx; huffing, puffing, storming out, door bell, door slam

CAROL ANN

Okay, guys I just finished the rigging
and lighting over at the church...

PASTOR

Oh good...this Friday is going to be
busy.

CAROL ANN

This friday? I thought it was next
friday and we were just being
ambitious about the setup. My spa day
is scheduled for this friday.

PASTOR

What? What spa trip?

CAROL ANN

Remember? The spa trip was the
birthday gift you guys gave me. You
gave it to me last week. The spa trip
for 2?

ELIJAH

Ohh yeah we did give you that spa trip
certificate.

CAROL ANN

My husband Patrick couldn't come so I
invited Liv. I didn't know about the
drag show when I set up the date...I'm
afraid Liv and I wont be able to set
up for the day of. But we will be in
attendance. After all I love a good
drag race.

LIV

Carol Ann, it's not cars it's men.

PASTOR

(sighs)

I guess we'll make do without you. But
you do so much for us!

CAROL ANN
Ain't that the truth.

6 INT. SCONE RECTORY

FX: Welcome chimes

JONATHAN
Liv, my queen, I need you to go down to the basement and pick up the drag outfits from Fran since you two are like best buds now? Dima Dozen got some work done so her outfit needed some alterations.

LIV
Hard pass. Fran and I are not friends. That lady scares me.

JONATHAN
You have to be friends! You got her the blue tin of ginger snaps and she made you chicken paprikash! Your in brand new territory Liv you are like Mathew McConaughey in that space movie nobody understood and Fran's the worm hole or whatever.

LIV
What?

JONATHAN
To be fair, I didn't actually watch the whole movie. I just watched the parts with Timothee Chalamet in it and fast forwarded through the rest.

LIV
Well, that dinner went terribly and I'm not going back down there.

JONATHAN
It couldn't have been that bad.

LIV
First of all I got to the rectory at six o'clock on a Tuesday which is when Justin and Justine booked the conference room to meditate while they burn sage and smoke weed. So of course I had a couple hits. Big mistake. Went

down to the basement to Fran's place. When I got inside the place looked like a sweat shop. Loose fabrics and pins all over the place. Then, here's the kicker her grandson, who speaks no english just crawls out of somewhere. I think he lives down there with her, I don't know where. Anyway long story short, I'm pretty sure she only invited me to introduce me to her grandson and marry him so he could stay here. I mean he had greasy dark hair and several tattoos so he was kind of my type, and the whole not speaking any English thing is kind of ideal, but it was just super weird and I'm not going back down there.

FX: Jonathan popping gum.

JONATHAN

Oh, are you done? Great so yeah if you could pick the costumes up that be great.

LIV

Did you seriously not listen to anything I just said?

JONATHAN

What?

LIV

No, go get them yourself. I have to get ready for my spa day with Carol Ann.

JONATHAN

Oh what a great idea! I'll send Carol Ann to get them! Carol Ann!

LIV

That's not what I said!

JONATHAN

Carol Ann!

CAROL ANN

I'm coming Jonathan.

FX: Carol Ann Shuffling in.

JONATHAN

Carol Ann, I need you to go pick up or outfits from Fran.

CAROL ANN

Oh! This is the best birthday ever! Thank you Jonathan. I haven't seen my friend Fran in years.

JONATHAN

Whatever just go get the costumes, and if one sparkle is out of place I'm blaming you Carol Ann!

CAROL ANN

Of course Jonathan. I'd expect nothing less.

7 INT. SCONE RECTORY BASEMENT

FX: Eerie music. Carol Ann shuffling.

CAROL ANN

I'll have to remember to put some mice traps down here.

FX: Special knock. Door creaks open.

CAROL ANN

Why hello Fran. It's me Carol Ann!

FRAN

Who?

CAROL ANN

Carol Ann! We used to be pen pals growing up! When you first moved to America I let you live with my husband and I for two years.

FRAN

Oh! Yes! Yes! Der schone narr (german for the beautiful fool)!

CAROL ANN

(mispernounces)
Yes! Der shoe nar!

FRAN

Yes! You here for costumes for the man lady show?

CAROL ANN

Yes Jonathan is putting on quite the show. You know actually in my day I...

FX: Door slams shut.

CAROL ANN

Oh.

FX: Door opens

FRAN

Here you go der schone narr. Auf weidersehen. Come back soon.

FX: Door shuts.

CAROL ANN

Oh, well thank you. It was good to see you. Maybe we can get dinner sometime to catch up.

FX: Crickets.

CAROL ANN

How did crickets get down here?

8 INT. SCONE RECTORY

CAROL ANN

Here are your costumes Jonathan.

LIV

Carol Ann are you ready for the spa?

PASTOR

I needed Carol Ann to print out the marquee for tonight.

LIV

We're going to be late to the spa if we don't leave soon.

PASTOR

Relax, well don't relax now because you can relax soon. Besides what are we going to do without Carol Ann while we set up? She's a workhorse.

LIV

I'm beginning to think Carol Ann is

the only one who works around here.

Fx; a bit of breath

CAROL ANN

Well, I did finish the marquee, finalized the dressing room, grabbed four 24-packs of Fuji water, called the local media to remind them about the event, grabbed three cases of hairspray, created a homemade veggie platter, cleaned up the bathroom and created my own family recipe poopoorui contained lemongrass, red wood and some O'Connell secrets. I also...

PASTOR

Okay we get it Carol Ann, you did a lot.

LIV

I finished checking my recommended jobs page on Linked In. So we're all set.

PASTOR

Liv, you're job surfing?

LIV

Oh we gotta go, good luck at the drag show!

fx; door slams shut

9 INTERIOR SPA

fx: nature sounds, tibeten singing bowl, surreal relaxation sounds, enya

LIV

(whistles)

wow this place is stunning.

CAROL ANN

yes it looks like the perfect place for a calming seaweed wrap.

LIV

how did they have the money laying around for a gift card for you when the church is in so much debt. no

offence. obviously you deserve this.
but seriously.

CAROL ANN

oh none taken dear. they actually only
gave us enough on the gift card to
afford half a pedicure between the two
of us at this place.

LIV

two and a half toes painted each? not
even a whole foot? jesus this place is
expensive. Carol ann you shouldnt have
invited me you could have at least
gotten a whole foot painted without me
here.

CAROL ANN

not to worry liv not to worry patrick
always spoils me on my birthday too
and hes brought me here every year.
hes on location this year so he
couldnt join but as luck would have it
our wonderful church leadership got me
this gift card and with patricks gift
card as well we are spend the day!

LIV

on location? we couldnt afford one
whole pedicure with that gift card
from SCONE and now we can spend the
day here? how much money did he give
you? what does your husband do
exactly?

CAROL ANN

some good investments here and some
hard work there he working on his
directorial...

FONT DESK PERSON

Carol Ann, lovely to see you again.
happy birthday from all of us here.
and this must be Olivia? We're ready
for you in the mud room.

CAROL ANN

oh she prefers Liv dear. thank you
you're too sweet to remember. we'll
follow you.

fx: foot steps, nature sounds resume.

10 SCENE GYM/PERFORMANCE SPACE

fx: drills, constuction sounds

JONATHAN

where are the boas?! they should be in green room 2. the lighting rigs need to be higher! the whole stage must be washed in the glow! and can we turn the AC on im sweating like a whore in church.

GLADYS

you are a whore in church.

JONATHAN

i have no time for compliments right now gladys! go help garfield put up the seats! or so help me god, allah, supreme beings i will make you the bathroom attendant!

GLADYS

id shove a mint up your ass but youd only ask for more!

JONATHAN

oh ill show you how tight my asshole is gladys

fx: fighting, grunting, slapping, screaming sounds.

PASTOR

what is happening in here?!

GARFIELD

i dont know but its starting to sounds like a romp in the hay if you know what i mean.

(shouting toward the scuffle)

yeah slap her ass!

PASTOR

garfied that is enough. jonathon, gladys that is enough for you two as well. your fighting is not getting anything done. we are suffering without the help of carol ann and liv so we have to take it in stride as we

come up from behind.

GLADYS

We all know jonathon can take it from behind.

JONATHAN

my nerves are frayed right now. i cant let one more thing get into my head.

GARFIELD

somebody say head?

PASTOR

stop it all of you. get your minds out of the gutter and back on the dance floor. we only have a few more hours before sound check and we are not finished.

GLADYS

Yeah, ask Jonathan about all the guys he couldn't finish either!

JONATHAN

YOU LITTLE C-

MARCY

I have arrived for the drag show performance. Men dressing as women...what's next? Children dressing as adults? Chickens pretending to be yetis?

JONATHAN

Move over Gladys, the resident bitch is back.

MARCY

Did you call me a bitch? Thank you, that's my 'preferred gender.'

JONATHAN

In an attempt to be homophobic, you turned out to be accurate.

PASTOR

Oh wow, did you bring that meat platter for the reception?

MARCY

No, this meat platter is for me.

PASTOR

You're going to eat that whole meat platter?

MARCY

The deli platter diet is all the rage in the singer-songwriter-choreography community right now.

JONATHAN

You doing choreography? What do you do, spirit fingers with a jazz square?

MARCY

Tonight I have to eat a half pound of ham, a half pound of turkey and a bit of roast beef.

JONATHAN

Well why don't you and your deli platter go sit in the front row? No doubt you'll ham it up tonight.

11 INT. SPA

fx; oriental

CAROL ANN

...and that's how I stopped the city council from tearing down the meaningful life-size statue of 2Pac's assassination in the lower-class community.

LIV

Carol Ann, I'm speechless. You're such an incredible and caring person.

CAROL ANN

And then I said, 'take down that Eminem statue because who cares about him anymore?' And that's how I won a seat on the city council.

LIV

Carol Ann, I'm still speechless!

CAROL ANN
I've always said, 'love, pray, eat'.

LIV
You mean like the book?

CAROL ANN
Well that lady stole it for her book
and changed the order. Eating should
always be last.

FRONT DESK PERSON
Would you girls care for some gold
leaf vagina steaming?

CAROL ANN
Well as much as I'd love to tighten up
the loose ship, we got to go! The drag
show is going to happen soon!

LIV
You're right but can I get three more
minutes to let these hot rocks burn
through to my soul?

CAROL ANN
Well, I could use one more bunion rub.
Fabio, please add some heavy pressure,
and don't go light on the lavender
eccense.

12 INT. SCONE CHURCH

fx; jingle

JONATHAN
Knock, knock, are my drag queens
doing?

MISSES MISDEAMENOR
Misses Misdemeanor is ready to arrest
some boys tonight.

fx; loud gay cackling

DIMA DOZEN
Meanwhile Dima Dozen here will be
collecting all the dimas and dollas
she can get. This firm ass is a
piggybank and I'm collecting all that
spare change!

fx; more gay cackling.

HOOVER DAMN!

I'm ready to flood the stage and break
loose from these brick chains cause
Hoover DAY-UM is here to sweep the
straights off their feet!

fx; more gay cackling.

JONATHAN

Well let me know if you need anything.
I got you guys Fiji water because even
though it's a shitty corporate
company, it's the fanciest gayest
water around.

MISSES MISDEAMENOR

MMM yes child, none of that Deer Park
nonsense.

DIMA DOZEN

My standards for men might be low, but
I don't just put any kind of liquid in
my mouth!

HOOVER DAMN!

Good thing it's Fiji, I'm too dumb for
smart water!

fx; more gay noises.

JONATHAN

Ready girls? Let's slay this!

13 INT. CHURCH HALL

fx; scene change

ELIJAH

Wow, what a drag show and it's sadly
almost over! But so far can you
believe we watched Misses
Missdemeneaur arrest ten people on
stage? I've never seen that before.

MISSES MISDEAMENOR

They were all guilty of being too
sexy!

fx; gag sounds

ELIJAH

Well do we have the keys to the handcuffs and any plans to remove the gags you put in their mouths?

MISSES MISDEAMENOR

Nope!

fx; more gag noises. someone in the background, 'are we doing this at home later'.

ELIJAH

Dima Dozen brought out a whole bank of sexy tricks and swiped plenty of v-cards with her chip? Who wrote this script-

DIMA DOZEN

Get your emergency funds ready because I'm about to steal your man!

GARFIELD

Damn, she might be able to steal me.

AGNES

Garfield, that's not a woman.

GARFIELD

I know Heathen. He's a beautiful woman, stop being a judgey bitch.

ELIJAH

And of course Hoover Day-um who damned your beavers to be wet for the whole night? I don't feel comfortable reading these notes...

HOOVER DAMN!

HOOVER DAY-UM cracked open these boobs all over the townspeople!

ELIJAH

Last up...you may know him as our part time employee who does special projects for the church. You may also know him as our resident homosexual.

LIV

Resident homosexual? We have more than just one gay person at this church, right?

COMMUNIST DAVE

In Communism, everyone's a little bi.

SOCIALIST DEREK

In Socialism, we think people are more
so pansexual.

ELIJAH

Right now, doing their drag
debut...it's Sassyfrass Francine!

fx; strong clapping.

JONATHAN

Thank you.

fx; pop ballad music starts up

LIV

He looks amazing!

CAROL ANN

I can't see the race! Where are the
cars?

PETER

He is brave and stunning.

MARJORIE

I thought--

PETER

Shhhh.

GLADYS

I know we fought earlier, but goddamn
that kid is brilliant.

BENNI

These kinds of moments...this is why I
live in the church hall.

DOROTHEA

Gay rights!

MARCY

I wanted to HATE it, but instead I
just strongly dislike it.

14 INT. SCONE CHURCH

fx; sexy music

PETER

Jonathan! Holy cow, you were amazing.

JONATHAN

Really?

fx; record scratch

LIV

Yeah Jonathan, we all loved it.

JONATHAN

I'm sorry I was talking with Peter

fx; sexy music continues

PETER

I've never seen such feminine beauty mixed with masculine energy. It was tantalizing like a costco rollback.

JONATHAN

Um...I'm going to assume that straight metaphor was a compliment.

PETER

Jonathan, I...I have something to say?

JONATHAN

OH MY GOSH I'M LISTENING

PETER

Well--

fx; record scatch

MARJORIE

Jonathan your performance was fabulous.

JONATHAN

GODDAMN IT MARJORIE

MARJORIE

We better get home, otherwise we'll miss out on the new episode of Joanna and Chip Gaines on HGTV.

PETER

Yes, as a straight couple we love imagining what our kitchen could look like.

JONATHAN

But--

PETER/MARJORIE

Bye!!

LIV

Watching HGTV on a Friday night? That sounds more like a gay couple activity...

JONATHAN

(sassy)

Um I'm sorry Liv, I didn't know you knew gay culture, straight-o.

LIV

Jonathan, I get you're a little upset because you have a crush on Peter but that was a little sassy.

JONATHAN

You're right. I murdered that stage.

fx; footsteps

PASTOR

Guys we raised 3,000 dollars tonight! The show was excellent and I'm so glad that Jonathan came through. In the future we should listen to Jonathan more and maybe even allow him to run more events for SCONE.

ELIJAH

Does that 3,000 exclude the costs for the drag queens?

PASTOR

Yes, all expenses have been taken care of. That is pure 3k for us Elijah.

JONATHAN

Actually...I just got the invoice for the stage like while I was on stage.

CAROL ANN

Oh, I thought that was my phone going off.

PASTOR

Oh, well how much is the stage?

JONATHAN

\$2,900.

ELIJAH

The stage cost \$2,900 dollars?

MARCY

Well the performances left a bit to be desired but that stage did look lovely.

PASTOR

So...we made \$100.

LIV

What was that putting Jonathan in charge of more events?
