

1 INT. SANCTUARY

PASTOR

What a great sermon today friends.  
Now, if all who are able would stand  
to join in our spooky haunted hymn.

ELIJAH

Yes, stand, and put your arms out in  
front of you. Limp wrists please!

FX. eerie organ music

Dear Father or Mother or genderless  
almighty being, we thank you today, on  
this spooky Sunday, for sending your  
only son, Jesus, or your religion's  
respective messiah who has either come  
or not yet, to die for our sins, only  
to rise again from the dead like a  
zombie. Exactly like a zombie. Jesus  
was patient zero guys. Infected. With.  
Love.

PAGAN GINGER

Elijah, this is offensive. All Hallows  
Eve is a Pagan holiday that has  
nothing to do with zombies. And we  
don't believe in Jesus.

ELIJAH

Well, Pagan Ginger, Jesus believes in  
YOU.

PASTOR

\*ehem\*

ELIJAH

I mean, no judgement. Now, if you  
could all put your arms out in front  
of you and groan with me in thanks on  
this glorious Halloween Sunday.

CONGREGATION

\*confused zombie moans\*

ELIJAH

Amen.

PASTOR

Awoman. One last announcement before

you all bum rush the snack table and Pagan Ginger runs to the complaint box. This week, we have decided to organize a festive Haunted House attraction open to the public to raise money, right here in the church! We will be open for business for one night only, this Saturday, aka Halloween! The theme is The Seven Layers of Hell, and it will encompass seven rooms here at SCONE. Admission is ten dollars per person, so tell your friends! Volunteers will be needed, so if you'd like to sign up to be in charge of one of the rooms, see Elijah after church!

2 INT. RECTORY OFFICE

ELIJAH

So, Liv, I've just come to drop off the list of volunteers for this week.

LIV

Jesus. Ok. Volunteers for what?

ELIJAH

Weren't you listening in church??  
Volunteers for--

LIV

Elijah, you know I don't go to church. I don't get paid for Sundays.

ELIJAH

Oh. Right. I'd forgotten your godless ways, just figured the drugs had wiped your memory.

LIV

Why does everyone think I'm on drugs? No, whatever, what are the volunteers for?

ELIJAH

For the Haunted House on Saturday! The Seven Layers of Hell, the spookiest good time anyone who doesn't drink or party or eat sugar or watch horror films could have on Halloween night! So for the seven rooms, we have

Socialist Dave and Communist Derek running the first room, the Youth Group Teens have room 2, the Scondies are taking room three, the Scone-AHs are on 4, Wiccans on 5, Benni and Fran have teamed up for room 6, andddd Marcy called in as soon as I sent her her transcripts of yesterday's service to claim room 7. Think you can figure out where to put all of them?

LIV

Okay, fine, but don't expect me to come to this Haunted House thing just because I'm agreeing to help cordinate the volunteers. I've got my annual Halloween date with Michael Myers and two bags of Reeses Pumpkins.

JONATHAN

The ratio is so much better than the cups!

LIV

Exactly!

ELIAJAH

But Livvvvv, you have to help with the Haunted House! What if something goes wrong and you're not here?

LIV

THEN START PAYING ME FOR SATURDAYS!  
Besides, what could any of the volunteers be planning that could be scary enough to go wrong, come on.

3 INT. AN AIRPLANE, SOMEWHERE ABOVE MIDDLE AMERICA, COACH.

MARCY

\*to self\* That little gremlin, sending me on a wild goose chase across the country.. posing as a record label representative... like she knows anything about showbusiness.. I'm sure it was her... well I'll show her, oh ho ho.. ha ha ha... HAHAHAA

FLIGHT ATTENDANT

Ma'am, can you please quiet down?  
We've recieved multiple complaints.

We'll be landing soon and then you can scheme and cackle all you want. Now, would you like peanuts or pretzels for your in-flight snack?

MARCY

Quiet, girl! And I'll take the pretzels. I'm allergic to nuts.

4 INT. SCONE HALL

LIV

Alright guys everyone quiet down! I've got everything planned out here, so shut up and listen to find out where you'll be setting up! Dave and Derrek, you've got the meeting room! Youth Group is in the conference room! Scondies in the Collaboration space! Scone-AHS you've got the Rectory office! Witches are in the Sanctuary! Benni and Fran are setting up in Benni's quarters in the basement, as no one is allowed in Fran's room, and Marcy will be doing whatever she's doing up in the attic!

ELIJAH

I've already got Carol Ann setting up all the false walls and lighting rigs, but she's currently got a pinched nerve in her back so stay out of her way!

LIV

Questions?

ANNABELLE

Will there be an allowance for supplies?

LIV

No!

AXEL

Are we allowed to punch the customers back if they touch us?

LIV

No!

JUSTINE  
Is there a particular guiding  
aesthetic we should be adhering to?

LIV  
No!

GARFEILD  
Can I use real blood?

LIV  
No!

ELIJAH  
Has anyone seen Marcy?

UNIDENTIFIED CREATURE  
AWOOOOOO!

RICKY/LIV  
What was that??

FX. dramatic DUN DUNNNN

FX. vocal warm ups and piano

ELIJAH  
Mezzos you're a little flat over there  
can we pick it up-

MARCY  
I am back from the City of Angles  
everyone! I'm sure you're glad to have  
me back-

ELIJAH  
Yes, so glad Marcy, please take your  
seat. I was just telling the Mezzo's  
they were a little flat-

ANABELLE  
How was your meeting with FUM records,  
Marcy??

MARCY  
Why thank you for asking, Anabelle. LA  
was lovely of course, I met up with  
some old record label pals from Subpop  
Records, the fathers of 90s

alternative music, while I was in town

MATILDA

Subpop is in Seattle..

MARCY

Yes, the headquarters. The LA offices are much more.. exclusive. Anyway I had such a great time discussing my career opprotunites with Subpop that I completely forgot about my meeting with FUM, the label I went to see! Alls well that ends well i suppose

ANABELLE

\*giggles\*

ELIJAH

That's great Marcy, but can we get back to rehearsal? Everyone, to the top of page 3 measure 4, and a one two three-

ALICE

Elijah! Can't you and the choir keep it down?? We need to finish setting up our part of the haunted house!

ELIJAH

Can the choir keep it down at choir rehearsal? Um, I think not.

ALICE

Well isn't there anywhere else you guys can rehearse?? The noise is scaring our sacrificial chickens, I think one ran away!

ELIJAH

Chickens?? What-nevermind. No, there's no where else we can practice, the entire church is setting up for Seven Layers of Hell. \*continues arguing while Marcy whispers\*

MARCY

I wouldn't be so sure that chicken ran away. I've been hearing rumors of something strange going on in this church lately

ANABELLE

How have you heard romours when you've been on the other side of the country.

MARCY

Word travels fast in show business. Anyway, I think it's a load of hooey, but there have been whispers about something living in the church...

ANABELLE

Do you mean Benni? We know he lives here.

MARCY

No not Benni, a monster!

ANABELLE

You can't actually expect me to believe that, I'm not that gullible Marcy

MARCY

Neither am I! Like I said, i think it's a load of hooey. Just thought I'd warn you about the rumours floating around before you and that little twerp boy of yours get any ideas about ghost hunting detective work.

ANABELLE

Sure thing Marcy.

MARCY

What with Halloween night being a full moon and all, you know. Makes some people go a bit looney if you ask me. Load of hooey, a monster in a church. Ha ha ha ha..

UNIDENTIFIED CREATURE

Awooooooooo!!

ANABELLE

That was probably just the wind

6 INT. JUNIOR DETECTIVE LEAGE OFFICE

FX. old timey detective music

ANABELLE

Ricky, I've called you into the office today because there's been rumors of something strange going on.

RICKY

What do you mean Anabelle??

ANABELLE

Well, I've heard people saying there might be something living in the church.

RICKY

You mean Benni?

ANABELLE

No not benni! Like something else. One of the witches chickens has gone missing, and you've heard the weird howling haven't you?

RICKY

I thought that was just the sound of Garfield in the bathroom.

ANABELLE

Ew. Anyway it's probably just the wind. And I'm sure there's a simple explanation for the chicken turning up missing. That's why we need to investigate, to put rest to these ridiculous rumors.

RICKY

Okay! But I have to be home by 5.

7 INT. RECTORY OFFICE

FX. phone ringing

JONATHAN

Liv... \*phone continues ringing\*  
LIV... OLIVIA

LIV

Whaaaa?

JONATHAN

THE PHONE

LIV

Oh, I must've fallen asleep. Could you get the phone?

JONATHAN

Um NO I'm doing very important work over here

LIV

Shaping your eyebrows isn't important work

JONATHAN

They're the window to the face!

LIV

whatever. \*ringing stops\* Hello this is SCONE. No we're not a bakery... You're a bill collector why do you care??... Why would I make your daughter a birthday cake when you're calling to harass me about the water bill??... I don't care you'll have to impress your ex some other way! And don't call back!

JONATHAN

Sleeping at work, liv I'm shocked! And you say I don't do any work around here.

LIV

Ugh I'm sorry. I've not been getting much sleep I guess.

JONATHAN

I really don't want to hear about whatever straight people shit you've been getting up to

LIV

ugh not like that, I've already started my marathon.

JONATHAN

escusemoi?

LIV

Every year leading up to Halloween I spend the month of October marathoning old horror movies. I got kind of

behind where I usually am at this time of the month, I'm only half way through the Nightmare on Elm Street franchise and I haven't even gotten to Killer Clowns from Space! I've been watching American Werewolf on my phone everytime I go to the bathroom to try to catch up!

JONATHAN

Um. Gross. Other people's hobbies bore me.

LIV

Of course. Anyway I've been forgoing sleep for the sake of the marathon. Figured I could make it work with all the starbucks we order with all of our fundraising money but I guess not.

FX. Knock on door

LIV

Chet, Axel what do you want?

CHET

We actually came to see Jonathan

JONTHAN

Um my fanclub meets on tuesdays boys.

CHET

We wanted to know if you were good at special effects makeup?

JONATHAN

Why would I be? Ugh all this spooky stuff is giving me hives, really bringing down my vibe.

CHET

We just thought, since you're so good at drag makeup, you know, making yourself look like a completely different person, its basically the same thing.

JONATHAN

I am excellent at drag makeup, thank you boys for noticing... But why don't you ask Marcy, she looks like a ghost

all the time anyway.

CHET

We were all just so impressed by your work at the Drag show.

JONATHAN

I suppose what's the difference between making someone look like a beautifully campy lady and making someone look like a zombie? ALright I'll do it! Let me get my hair and makeup case!

LIV

You carry around your drag makeup case at all times?

JONATHAN

You never know when the need with arise for some glitter eyeshadow and weave! I'll go grab it, wait here boys.

FX. jonathan leaving, door shutting

LIV

You really played him, huh Chet? Flattery will get you far I guess.

CHET

Liv, we really appreciate Jonathan's artistry!

LIV

You just didn't want to spend the money to buy your own costumes, right?

CHET

Obviously.

LIV

What's the theme for your room gonna be anyway?

CHET

You'll have to wait and see. speaking of, do you have any idea what Marcy is doing upstairs in the attic? There's a lot of noise coming from up there. Did you give her money to buy a noise

machine? Uncool, liv.

LIV

No I didn't give Marcy any money, I have no idea what she's planning. I actually haven't seen her all day, I don't think she's started setting up yet.

JONATHAN

I am BACK and ready to BEAUTIFY THIS CHURCH!

FX. sound of heavy case being dropped and opened

JONATHAN

I've got all colors of wigs and weaves, I've got all the makeup necessities, oh will you boys let me glue down your eyebrows? They really are tragic.

LIV

Jonathan, you're doing Haunted House makeup, remember?

JONATHAN

Oh right, just as well, those eyebrows will scare people for sure.

CHET

Um. Thanks. Liv are you sure there's no one in the attic? Maybe someone else got confused and started setting up up there.

JONATHAN

What's this?

CHET

I was just telling Liv we've been hearing this weird howling sound all day.

JONATHAN

Did you check the bathroom for Garfeild?

CHET

Yeah the Scondies are working on their room, it wasn't him.

JONATHAN  
Probably the pipes.

LIV  
Well. Wait, what kind of howling?

CHET  
Um. I don't know, like a dog or something? Does Blind Harriet still go here?

JONATHAN  
No, ever since her service dog attacked Marcy because her perfume smelled like steak she's started going to Deerfeild community

LIV  
Wait, Chet, are you sure it was like a dog? And not like a... wolf?

CHET  
is there a difference?

LIV  
Yes!

JONATHAN  
Girlllll come off it.

LIV  
What? I'm just asking! You know there's a full moon coming up!

JONATHAN  
She's been watching way too many horror movies, she's completely lost it, don't mind her.

FX. Door opens more poeple come in

LIV  
Hi Justin and Justine, what do you want?

JUSTIN  
Um. We're supposed to be setting up our part of the Hautned House in here?

JUSTINE  
Yeah, we're going to need to clear out

the furniture? We're going for a minimalist aesthetic?

LIV

Of course you are. Why did I assign the Scone-AHs my office again?

CHET

Would you rather us be in here setting up all week?

LIV

Excellent point Chet. Alright guys help me lift this desk. Jonathan, we'll set up in the hallway.

8 INT. JUNIOR DETECTIVE LEAGE OFFICE

ANABELLE

Alright Ricky, we're just going to conduct some field interviews, see if anyone has seen or heard anything strange.

RICKY

Do you really think there's a monster loose in the church Anabelle?

ANABELLE

Of course not. There's got to be a logical explanation. That's why we're detectives, Ricky, so we can find out what's really going on.

RICKY

Okay Anabelle.

ANABELLE

I say we start with the witches with the missing chicken. Let's go!

FX. swipe

ANABELLE

So you say you're missing a chicken?

ALICE

Yes. Your choir practice scared Gertrude so much she escaped from the coop and ran away.

ANABELLE

And what were you going to use the chickens for again?

ALICE

A live sacrifice for the Haunted House.

ANABELLE

you named a chicken you're going to kill?

JANICE

We weren't really going to kill them! It's special effects! Almost like magic!

ALICE

\*whispers\* that's what she thinks. Anyway Gertrude got out and all that was left behind was a bunch of feathers.

ANABELLE

Interesting... Ricky! Don't eat that, it's chicken feed! Thank you for your time.

RICKY

Can I eat one more handful?

ANABELLE

RICKAAAYY

RICKY

Sorry Anabelle.

FX. swipe

ANABELLE

Scone-AHs, have you heard or seen anything strange this week in the church?

JUSTIN

If you count clumps of hair all over the floor strange.

JUSTINE

Yeah, we found it after we moved out all the furniture. It was so hard to

sweep up, really put a damper on our minimalism for a minute there.

ANABELLE

Hair? Can I see some?

JUSTINE

We've already used most of it as a thickening agent in our paint, but there's some left over there.

ANABELLE

Hmmm. Dark brown... Well it's certainly not Liv or Jonathan's.. what do you think, Ricky?

RICKY

Looks like my dog Charlie's fur.

ANABELLE

Interesting.... I'm confiscating this as evidence! Ricky! Stop eating the paint!!

RICKY

Sorry Anabelle.

FX. Swipe

ANABELLE

Hello, teens, we're conducting interviews to find out if anything unusual has been going on in the church this week.

CHET

You mean like someone having the money for sound system to make all those howling noises we've been hearing? Yeah that's pretty fishy considering Liv gave us no budget.

MATILDA

Yeah, it's like absolutely unfair. Unjust. We should protest the blatant favoritism being perpetrated by the establishment-

ANABELLE

That's right, the howling! You all heard it??

CHET

Of course, it's so loud. You'd have to be deaf not to.

MATILDA

CHET ugh we've talked about this, the preferred term is hearing impaired you oaf-

GARFEILD

What howling???

ANABELLE

You haven't heard anything Garfeild?

GARFEILD

I ain't heard nothing funny and neither have any of the SCONedies

ANABELLE

Are you sure?

CHET

Garfeild is hearing impaired

GARFEILD

I am not! You ask me, everyone here is smoking the wacky tobaccy, talking about ghouls and goblins and monsters howlin' in the church

JAMES

I didn't fight in 4 wars to come home to hear some teenagers whine about hearing things! I hear the screams of all the men I've killed every night and you don't hear me whining!

MATILDA

James, you haven't even been alive for 4 wars. And that's called your conscience kicking in, punnishing you for being complicit in the patriarchal, exploitive, Western colonialism war machine-

JAMES

You listen here little lady! -

RICKY

Anabelle, what do you think is

howling??

ANABELLE

I don't know Ricky... The junior detective league might be in over our heads...

FX. swipe

ANABELLE

Communist Derek? Socialist Dave? Have you guys heard or seen anything strange this week? We're conductive interviews-

DEREK

Interviews? Are you trying to keep tabs on me?? Why is the goverement always trying to keep tabs on me, those Cappy Rat Bastards!

ANABELLE

We're not with the governement! We're ten! We're the junior detective leage. People have been complaining about things going missing, weird noises, things being where they're not supposed to be. We're investigating.

DEREK

Sure you are, Bourgeoisie scum! If things are going missing, I'd suggest investigating the Invisible Hand you cappys love so much!

RICKY

An INVISIBLE HAND? Anabelle, there's a disembodied hand terrorizing the church!!

DAVE

Indeed, wealth distribution in the capitalist marketplace is frightening. The invisible hand is a myth perpetrated by the rich to protect the unfair systems of inequal pay-

ANABELLE

So you haven't seen or heard anything unusual then. Great. Thanks for your time.

FX. swipe

ANABELLE

Alright Ricky, we've already asked six of the 7 Haunted Hosue groups for information. I can't believe Fran slammed the door in our face! You'd think someone so old might at least want company. Speaking of old people, our last interview is Marcy in the Attic.

FX. knock knock

ANABELLE

Marcy! We've got to ask you some questions!

RICKY

Yeah Marcy let us in.

FX. door creaks

MARCY

What do you want?

ANABELLE

We came to ask if you've seen or heard anything strange this week?

RICKY

Like an invisible disembodied hand!

MARCY

Ahhhh, investigating the church monster are you? Just as I suspected, you two can't keep your nose out of anything...

ANABELLE

Can you please just let us into the attic so we can talk?

MARCY

No! My portion of the Haunted House is to remain a suprise until Halloween night! And like I said earlier, the church monster is a myth! Sometimes strange things happen around a full moon you know, but I'm sure it's nothing to worry your pretty little

head about. Now begone!

FX. door slams

RICKY

Well, what do you think Ananbelle?

ANABELLE

Hmm. Well we've run out of informants.... We've got the missing chicken... the howling.... the clumps of fur..... the full moon..... RICKY! It's so obvious!

RICKY

It's a invisible hand!

ANABELLE

NO! It's a werewolf! We've got to tell someone, hurry!

9 INT. SCONE HALLWAY/OFFICE

ANABELLE

LIV! JONATHAN! WE'VE MADE A DISCOVERY! Wait-why are you sitting on the floor?

LIV

Because the SCONE-AHS took over the rectory. And stop screaming guys, I haven't been sleeping well, what do you want?

ANABELLE

The Junior Detective league has cracked the case!

RICKY

There's a WEREWOLF!

JONATHAN

\*laughs\*

ANABELLE

There is! loose in the church! I wouldn't believe it myself, but all the evidence points to it!

LIV

Wait, you have evidence?

JONATHAN

Liv, you cannot seriously-

LIV

Let them speak!

ANABELLE

Well there's the missing chicken and the clumps of fur everywhere, and all that howling! And did you know this Saturday is a full moon?!

LIV

That's what I was telling Jonathan!! It all makes sense, the chicken, what do wolves eat if not chicken?! It's feeding to gain strength.. and fur you said? Of course, it's already started transforming I bet, I mean I'm no lycanthropy expert, but the howling! Of course! A werewolf, it's got to be!

JONATHAN

Olivia! you are absolutely losing it, you're sleep deprived and you've been watching horror movies all week. You can't actually believe--

LIV

And why not? Everyone else in this place believes in some old dude floating around in the clouds averting his eyes while they masturbate! Why is a werewolf any more unrealistic! Guys, it's going to strike on Saturday, the full moon! When there'll be tons of people here! We have to warn everyone!

JONATHAN

UGHHH girl you better not leave me here with the phones--

LIV

Come on Anabelle, we've got to go tell the pastor!!!

JONATHAN

\*phone rings\* OLIVIAAAA!

10 INT. PASTORS OFFICE

FX. Door slams open

LIV

PASTOR! We need to talk to you!  
There's going to be an attack on the  
church on Saturday!

PASTOR

Oh Liv. And Anabelle. And Ricky. What  
can I do for you?

LIV

Pastor you know I don't believe in  
fantasy things but there's no other  
explanation, there's a--

PASTOR

Oh Liv, you look terrible. Your eyes  
are all red, are you high?

LIV

I AM NOT high, I'm a little sleep  
deprived, that's not the point! PASTOR  
there's a werewolf in the church!

PASTOR

\*laughs\* Oh is there? Is that what the  
junior detective league is  
investigating?

ANABELLE

Yes! We've got all the evidence, it's  
the only explanation!

PASTOR

Well good job to you Anabelle and  
Ricky for cracking the case! \*quieter\*  
And you Liv, I'm so proud of you for  
entertaining the kids with so much  
conviction! Look at you finally  
getting involved in church functions!  
Maybe you could be the new supervisor  
of the Junior Detective League so they  
can become an official club!

LIV

Pastor, I'm not playing along! There  
really is a werewolf on the loose! It's  
going to hunt the Haunted House

customers on Saturday! We've got to shut it down!

PASTOR

Oh of course you're not playing along liv, I'm sorry. Now kids, I can't cancel the Haunted House, Lord Budda Zeus knows we need the money. But why don't the three of you come to the Haunted House on Saturday night and try to track down the monster! That'd be fun right? Werewolf hunting on Halloween?

ANABELLE

But pastor!

PASTOR

Liv will supervise you, of course, right Liv?

LIV

Ughhhh fine! kids, we're going to catch this wolf.

11 INT. JUNIOR DETECTIVE LEAGE OFFICE

LIV

So what's the plan then, Ananbelle?

ANABELLE

Well, we've got to catch it in action or no one is going to believe us.

LIV

Is this what faith is like?

ANABELLE

Um. No.

RICKY

How are we going to catch it anabelle?

ANABELLE

We'll just have to go through the whole Haunted House and catch whoever it is after they've fully transformed.

LIV

You don't... You don't think its someone from the church do you?

ANABELLE

Why couldn't it be? Why would a random werewolf want to hang out here?

LIV

Good point. Who do you think it could be?

ANABELLE

Well.... I want to say Marcy because she is pure unadulterated evil... but it can't be because I was with her when I heard the first howl.

LIV

Damn.

ANABELLE

Maybe.... Garfeild? He's particularly hairy.... and he was very adamant about not hearing anything.

LIV

Well. It's the best we have to go on.

12 INT. CHURCH

ELIJAH

I'm really impressed by the turnout pastor, this is going to be amazing!

PASTOR

I know, when I got here the line was already around the block! For once maybe something we do won't end in disaster!

EIJAH

I admit I was skeptical, being that Halloween is the Devil's holiday and all.

PASTOR

Oh it's all in good fun Elijah. And did you see liv?? She's playing along with Annabelle and Ricky on some kind of monster hunt!

ELIJAH

Our Liv? Who hates children and this church and anything that can't be

proved by science?

PASTOR

I know! She seems to be getting really into it! I'm so glad she's finally getting involved with something.

ELIJAH

Oh that's fantastic, that'll be so great for her!

PASTOR

I know, how wholesome ..

FX. swipe

LIV

Alright kids, we're gonna get this motherfucker. I work here so we can cut to the front of the line. We've got to get in and kill the beast before it kills anyone else. You got your weapons?

RICKY

My dad doesn't let me play with weapons.

ANABELLE

Yeah Liv, we're children...

LIV

Goddammit Jesus Christ okay, well I couldn't find wolfsbane but I have mace, you can take that Ricky, Annnnndd Anabelle, you can have.... this fire extinguisher from the Rectory, and I've got a bat from the softball game.

ANABELLE

Are you sure about this?

LIV

Yes. Let's fuck this wolf up.

\*police sirens

OFFICER  
We've got everyone evacuated ma'am. No one or nothing alive is still inside. But you've got to shut the thing down. None of this was legal. You know you need permits for fundraisers, don't you?

PASTOR  
Of courseeee i do. Must've slipped my mind. THank you for your help officer.

OFFICER  
Yall have a safe night.

police sirens drive away

PASTOR  
So. You really thought there was a werewolf, liv?

LIV  
Yes.

ELIJAH  
And you, and these two children, went to "hunt" it?

ANABELLE/ RICKY

Yes.

PASTOR

And you, together, pepper sprayed a minor. Sprayed a girl with toxic fire extinguishing foam. And beat an elderly man with a bat?

LIV

Welll in my defense Garfeild was wearing a war helmet. He's probably fine.

PASTOR

Chet is in the hospital! And Janice is still de-foaming their sacrificial chicken!

ELIJAH

And more importantly, we've lost all the money we made refunding all the ticket sales because you and Marcy trashed the place on your way out!

JOTHAN

Elijah lighten up, it's not liv's fault, she was out of her mind with all the horror movies she's been watching during work hours.

PASTOR

Is this true?

LIV

Well. Yes. But! Marcy swears the howling all week was n't her! There's got to be something still inside!

CAROL ANN
