

the bottom of the bowl then you're not tossing the salad correctly.

3 INT. SCONE HALL

Meanwhile back at the church...

ELIJAH

Alright everyone. Attention! I know we typically have choir practice now, but since everyone is at the golf outing I thought we could have some fun!

ANNABELLE

Yeah! Marcy's not here so we should throw a party or somethin.

ELIJAH

Well, I was thinking since not a whole lot of the choir is here, you guys could help me practice for the competition coming up.

ANNABELLE

Oh.

ELIJAH

So Annabelle, you and Dorothea, and Pippy can sing my back up vocals.

ANNABELLE

No thank you.

fx; phone call

ELIJAH

Liturgical Minister for SCONE, Elijah Moses Corinthian speaking.

RACHEL RYANS

(on the phone line)

Why hello Elijah, it's me, your old college a-cappella rival, Rachel Ryans

fx; dramatic strings

ELIJAH

Stacey, please I'm on the phone

STACEY

I'm sorry mister Corinthian!

ELIJAH

My college nemesis, Rachel Ryans. How did you get this number?

RACHEL RYANS

Well you never changed your number...it's the same one from college.

ELIJAH

Well I thought you wouldn't have the courage to call me on this line.

RACHEL RYANS

Elijah if there's anyone without courage, it's you. Remember when you couldn't confront the cafeteria employee when she messed up your omelette?

ELIJAH

She was busy flipping omelettes, I'm sure she didn't mean to put mushrooms in mine.

RACHEL RYANS

But you're deathly allergic! And you still ate it! That's how much courage you don't have!

ELIJAH

Well I had the epi-pen, it was going to be fine!

RACHEL RYANS

I just wanted to let you know that I'm competing in the Regional District Multi-Faith Singing Competition Semifinals.

ELIJAH

What? Why? How did they let such bad talent into the show? Next you're going to tell me that Marcy made the cut...

RACHEL RYANS

I don't know who Marcy is, but it'll be great to be on the stage with you again. Of course, not with you. But *against* you.

ELIJAH

You're going down Rachel. I know you always try and sing outside your vocal range. You can't hit that B7 and we all know it.

RACHEL RYANS

It's been a minute since we dueled. I wouldn't count me out just yet. I got to run, I'm due for a seafood wrap, I mean seaweed wrap. Ta-da!

ELIJAH

You mean ta-ta!

fx; aggressive angry hang up

fx; more dramatic strings.

ELIJAH

Stacey, I love your dramatic timing but please keep your violin in the case when I'm on the phone!

STACEY

Sorry Mister Corinthian!

4 EXT. GOLF COURSE

FX: golf ball getting hit.

GLADYS

Great shot Sven! Now help me line up for my shot.

SVEN

Sure. So you're just going to hold your club like this.

GLADYS

uh huh.

SVEN

Make sure your hips are square.

GLADYS

Like this?

Gladys and Sven in the distance getting instructed.
