

1 INT. SCONE CHURCH

PASTOR

Before we do our closing remarks, are there any remarks from the common folk?

JONATHAN

Looking around there certainly are a lot of common people in this church.

GARFIELD

I would like to say in front of a higher spirit and this congregation, that I am dating Denise.

fx; soft applause

GARFIELD

Why the weak applause?

AGNES

We already knew you two were dating.

DENISE

How did you know that?

BARBARA

Well you guys banged at the showcase.

DOROTHEA

And you were all giggly at Earth Day.

AGNES

And Garfield and Deenise were the ones to break the family handi-capable genderless extra large bathroom.

fx; muttering

GARFIELD

Well it's official. Just so you know.

GLADYS

Well we didn't need to know.

PASTOR

Moving on, it's time for a 'new destination trip' pslam.

ELIJAH

We're going away, but we'll come back one day, with all the things we've learned about the world. So wait for us god, or higher powers that rock, we'll become enlightened boys and girls.

PASTOR

Absolutely stunning! And it's perfect for our upcoming mission trips. Today, after mass and our complimentary day-old donut breakfast, our mission trips to Mexico and the Appalachian Mountains will commence.

DOROTHEA

Wait, *both* mission trips are happening at the same time?

PASTOR

Yes! The SCONDIES will be going with me and Carol Ann to the Appalachian Mountains to volunteer with the Sisters of the Appalachian Mountains.

ELIJAH

Meanwhile, the teens will be coming with Jonathan, Liv and I to Mexico! We're going to help work with a variety of programs.

GLADYS

Why are *both* mission trips happening at the same time? Couldn't we schedule them to happen a week apart or something?

PASTOR

Due to unforeseen circumstances, we *had* to schedule these mission trips at the same time.

fx; swipe

2 INT. RECTORY

JONATHAN

Pastor, you summoned me to your office all the way from the front desk. This better be important.

PASTOR

The front office is ten feet away from my office.

JONATHAN

I just had to walk it, don't remind me how long it is.

PASTOR

Jonathan can you ask Elijah if I can schedule my Appalachian mission trip in the first week of April?

JONATHAN

Ugh, forcing me to *walk again??...*I swear I'm not paid enough for this job.

fx; footsteps, knocking on the door, singing in the background

JONATHAN

Elijah, the pastor has a question for you

fx; singing in the background, ignoring Jonathan

JONATHAN

I swear to GOD, Buddah and Carly Rae Jepsen, can you call me maybe *open this door* for me??

ELIJAH

Jonathan I am practicing for the Regional District Multi-Fatih Singing Competition Semifinals, what in the world is more important than that?

JONATHAN

I can think of a whole list of things that are more important.

ELIJAH

Gasp!

JONATHAN

Pastor wants to know if you're fine with--

ELIJAH

That's fine!

JONATHAN

Excuse you, are you my ex-boyfriend Chanler? You didn't even let me open my mouth all the way--

ELIJAH

I already know what you're going to say Jonathan. Besides, I have to continue rehearsing. I have to sound really good for the competition.

JONATHAN

But--

ELIJAH

He died on the cross, but I don't cross him out for the sins he died, for are yours and mine---

fx; walking

JONATHAN

I can't wait until I finally decide to actually take more than six credits a semester and graduate from college so I can get a real job.

fx; knocking and door opening

JONATHAN

Elijah said 'fine'.

PASTOR

Oh great!

fx; swipe

fx; ringing.

LIV

(with a rasp)

Hi this is SCONE, Liv speaking.

ELIJAH

(on the phone)

Liv, it's Elijah. I thought we talked about you saying 'Hi, this is SCONE, the Society of the Children of the Natural Earth, we're a church not a bakery' when you answer the phone.

LIV

Oh sorry, I have a sore throat so I was trying not to say all of that.

ELIJAH

Well why don't we practice the new official way to answer the phones.

LIV

You want me to reanswer the phone?

ELIJAH

Yes please!

LIV

But why would I practice how to answer a phone? It's pretty hard to mess that up.

ELIJAH

Well like what I say in the choir, 'practice makes perfect'.

LIV

Well when you have a choir as bad as ours, I suppose you need a lot of practice.

ELIJAH

Okay, let's pretend I *just* called. And you picked up.

LIV

coughs big time

ELIJAH

Oh yikes Liv, you don't sound well.

LIV

Well I said my throat was sore--.

ELIJAH

Ah yes, my bad. Okay, ring ring, ring ring.

LIV

sighs Hi, this is SCONE, the Society of the Children of Earth, we're a church--

ELIJAH

You forgot the 'natural'.

LIV

I'm speaking as naturally as I can! I have a sore throat.

ELIJAH

No I meant in the anagram.

LIV

Anagram? Do you mean acronym? SCONE is an acronym.

ELIJAH

Oh, are you sure?

LIV

I have a degree in English.

ELIJAH

Oh yes, I forget about that.

LIV

Why does everyone forget about my degree? I'm like the smartest person here.

ELIJAH

Well if you were so smart then you wouldn't be working here, right?

LIV

EXCUSE ME? I--And wait a minute, Elijah what do you want? Why are you calling?

ELIJAH

Well, I had some important things to run past the pastor. Get it? Run *past* the *pastor*?

LIV

Ha.

ELIJAH

I tried calling Pastor Jamie, but she didn't pick up. And I have to get going, there's a giant sale happening at the music store. They're selling buy one get one triangles Liv!

LIV

What choir needs two triangles? Don't you just need one? Isn't that the point of having just a triangle?

ELIJAH

Well to be fair I came also because they have a deal on oboes.

LIV

And why in the world does this church need an oboe?

ELIJAH

Well how on earth is the SCONE jazz club going to perform without an oboe?

LIV

We have a jazz club?? Never-mind, the real concern is that you don't need an oboe for a jazz club. You really just need a solid brass section and a good drum...

ELIJAH

Liv, I can't believe you're continuing to prattle on when I have to get going!

LIV

You're the one who wanted me to reintroduce myself on the phone!

ELIJAH

And now you're yelling, is everything okay over there?

LIV

WHAT DID YOU WANT TO RUN PAST THE PASTOR?

ELIJAH

Can you ask the pastor if it's fine if we schedule the Mexican mission trip for the first week of April?

LIV

Yes, let me go ask.

fx; chair, footsteps, door knocking

LIV
Pastor, Elijah has a question.

PASTOR
I'm busy.

LIV
You're on the phone with your
boyfriend.

PASTOR
Excuse you, Desmond is not just my
boyfriend...he's also our lawyer. So
technically this is a business call.

LIV
Desmond is fighting our legal battles
and dating the crime of a century at
the same time. Quite the man.

PASTOR
Liv, please, what is it? Desmond has
to get back to suing MucDouglass for
giving food poison to a young child
who ate a Huge Muc, a MucFlurry with a
hot apple furitter.

LIV
MucDouglass? Like the international
burger chain?

PASTOR
Liv, I don't have *time* for this, I was
just telling Desmond about some
sensitive topics.

LIV
Like how broke this church is?

DESMOND
(on the phone)
Who needs to be rich in money when you
can be rich in love?

LIV
Calm down Oprah's self-biography.
Elijah wanted to know if it's fine if
he goes to Mexico on the first week of
April--

PASTOR

Yes, yes, yes, Elijah can have the whole month of April, can I just get back to my phone conversation?

LIV

(grumbles)

That's it, I'm not working for the rest of the day.

fx; swipe

3 INT. SCONE CHURCH

AGNES

So just to confirm the reason the mission trips are happening at the same time is because the Pastor wanted to get kinky in her office--

ELIJAH

Well I don't want to speak on behalf of anyone else, but *no one* has done the dirty deed in the church.

JONATHAN

(awkward)

Oh, yes I've definitely not used the upstairs office for private rendezvous with semi-anonymous and potentially shady figures.

AGNES

Let me finish! Goodness, it's like going to church with savages. So the reason the mission trips are on the same week is because the Pastor was busy with her boyfriend and Elijah had to practice for a singing competition that doesn't even come with a cash prize?

PASTOR

To be fair, the grand winner in Elijah's competition gets a gift card to Circuit City.

BARBARA

Is Circuit City even open? And if they are, how can they afford to just give gift cards?

ELIJAH

I've always wanted a vintage fax machine. Not to use, just for my bookshelf--.

SOCIALIST DAVE

What about us Pastor Jamie? It's quite *unequal* to leave us here without a pastor and a Liturgical Minister!

COMMUNIST DEREK

Pastor, this is the most aristocratic thing you've done. How can you treat those who weren't noble-born like this?

PASTOR

Communist Derek, we're doing the mission trips to serve the poor. How is that being aristocratic?

COMMUNIST DEREK

To be fair, service is intrinsically unjust due to the blue-blooded clasp of the rich who pretend to care and help the poor while systematically creating conditions where the poor are poor--

JAMES

I swear the last few episodes of this church have been too goddamn political! WHEN WILL WE GET BACK TO SOME GOOD OLD FASHIONED AMERICAN FUN!

PASTOR

MOVING ON, while I'm gone, I will have a substitute filling in for me.

JUNIPER CLOUD

Who is going to be the substitute preacher?

PASTOR

Unfortunately it's going to be Pastor Wyatt.

fx; 'oh well that's great' / 'I'm excited' / 'Pastor Wyatt is great' / Liv screams

JONATHAN

Liv Jesus why did you scream like that? You sounded like a podcast of gay people laughing!

LIV

(too excited)

Pastor Wyatt is going to be the guest pastor in his delicious southern big-juicy peach glory!

JONATHAN

Hello, *dumbo athiesto*, we're not going to be here to see Wyatt. We're going to be helping Elijah with the mission trip to Mexico!

LIV

Fuccccccckkkkkkkk!!!!!!

PASTOR

Why are you all excited? Pastor Wyatt is the worst.

fx; 'no, he's actually not bad', / 'he helped me with a flat tire' / 'once when my mom was murdered he came over with smores casserole'.

AGNES

Actually I don't mind Pastor Wyatt's sermons.

PASTOR

Agnes, that can't be right, you hate everything?

AGNES

But his hair...I haven't seen such great sheen since I went to the laffy taffy factory.

LIV

Can I just skip Mexico?

JONATHAN

And who is the thirstiest girl around this church? It ain't me.

BENNI

Oh darn, is it too late to not come along to the mission trip?

PASTOR

Benni why do you want to skip the mission trip?

BENNI

Because Pastor Wyatt always brings a snack for me. He knows I don't often get food.

GLADYS

So suddenly Pastor Wyatt is feeding the rats around here? Maybe Pastor Jamie is right, Pastor Wyatt sounds sketchy.

PASTOR

Thank you Gladys.

GLADYS

Although Pastor Wyatt's smile can strip my panties like nail polish remover on a nail.

PASTOR

Alright, is there *anyone* in this church who can agree with me that Pastor Wyatt is not handsome, nor does he evoke charm and that overall Pastor Wyatt is a bad person

fx; silence and an awkward cough

PASTOR

REALLY? Fine, mass dismissed.

GARFIELD

Damn I think Pastor Jamie and Pastor Wyatt need to get it on like frogs on a swamp. Those hussies!

4 THEME SONG

5 INT. BUS

PASTOR

Alright, is everyone comfortable on the bus we rented out for our trip to the Appalachian Mountains!?

fx; groups of meager 'yes'

CAROL ANN

I'm so glad that we aren't taking the shuttle to the Appalachian Mountains. Instead we get this fancy bus! I feel like I'm living the life on the greyhound.

PASTOR

Well unfortunately we couldn't take our 1972 Volkswagon van because we have to fix a few pieces, isn't that right Carol Ann?

CAROL ANN

Don't look at me, I blame the ignition!

PASTOR

(people confirm they're here)
Alright, let me do roll call. Agnes, Barbara, Garfield, James, Katherine, Denise, Gladys, Fran, Benni, Susanne and against my better judgement but highly encouraged by AA Ginger, we have Drunk Charles and Drunk Cheryl.

CHARLES

When is the drink cart coming down the aisle?

CHERYL

Did any of you old bags bring a flask?

GARFIELD

Well I got something shaped like a flask that you can have missy...

DENISE

Garfield, I thought we talked about this: it's 2020! You can't sexualize random women anymore.

GLADYS

I'm sure you two get a lot of sexualizing done don't you?

DENISE

Why YES WE DO because we're a couple now!

fx; Gladys and Denise arguing in the background

PASTOR

Alright, bus driver, I think we're all set to go to the Appalachian mountains.

BEN DOVER

My name is Ben Dover.

PASTOR

Alright Ben Dover, can you bend over and hit the switch over so we can bend this bus around the street and make it to Dover, the township by the state border by nightfall?

BEN DOVER

I can do that--

MARCY

(in the distance)

Ah ah ah, don't leave just yet! Jean Blue and I were still putting our luggage beneath the bus.

PASTOR

(exasperated)

Oh yes, I totally forgot Marcy and Jean Blue are coming.

AGNES

Jean, did you bring your own tampons? I'm certainly not sharing even with my own daughter.

JEAN BLUE

Don't worry mom, I'm all set.

MARCY

And I brought a family pack of pads just in case.

PASTOR

I'm quite confident I'm the only one on this bus who needs a pad.

MARCY

That's not true, I've sometimes had to use pads so that I could pee during a live performance...there's no time to go to the bathroom.

PASTOR
That is disgusting!

CHERYL
I know I don't need pads. I think I
drank my ovaries into raisins.

BENNI
That reminds me, did you bring that
raisin bread Fran?

FRAN
Yes, and some fresh pork butt and
sauerkraut.

JEAN BLUE
Alright, let's get on the road and do
some service!

SUSANNE
I hope this bus ride *services* up some
drama.

fx; susanne audio gag

KATHERINE
Susanne did you come on this mission
trip just to live for the drama?

SUSANNE
Oh you know it girlfriend.

6 INT. AIRPORT

ELIJAH
Alright, let's do a headcount here at
the terminal before our flight to
Mexico leaves...Honey, Axl, Chet,
Matilda, Pagan Ginger, Annabelle,
Ricky, Riley, Elise and
Samantha...great, we're all here.

MARJORIE
Don't forget Peter and me, Marjorie!
The official trip chaperones!

JONATHAN
How could you forget Marjorie with her
squeaky voice clamoring over the
airport. Marjorie's like a Katy Perry
interview, you can't listen for more

than thirty seconds else you go crazy.

LIV

You know, you have a boyfriend now Jonathan. That means you don't have to be mean to Marjorie since she's dating gay Peter who you once described as a 'perfect Macintosh apple, both the fruit and computer'.

JONATHAN

Listen Liv, Peter could turn out to be straight, which has the same chance of happening as Lady Gaga never doing jazz music again. And even if Peter was straight, Marjorie is just SO ANNOYING.

fx; walking

MARJORIE

Liv, we're ticket buddies! We're going to sit next to each other on the plane!

LIV

(even tone)

Oh great!

MARJORIE

I know you're an athiest, but I brought an extra pair of headphones so we could listen to a great religious podcast together.

LIV

Oh well I don't know--

MARJORIE

Also, I have a huge sleep apnea problem. I snore like a freight train! But don't worry, we can just talk for the whole six hour flight. Toodles, I'm going to eat a whole cinnabun and grab to-go fish tacos for the flight.

fx; walking away

JONATHAN

What did I tell you Liv, Marjorie's truly the worst.

RICKY

Dad, why are you and mom coming again?

PETER

Well Ricky your mom and I love service.

RICKY

You just don't like servicing each other, right?

PETER

Uhh...

RICKY

Like at the family restaurant we own, you guys don't like to serve.

PETER

OH YES. At the restaurant that we own. Where people serve. But we don't. Not that your mother and I don't service...in other ways. No, in those ways we definitely serve. Heavy servings.

SAMANTHA

sighs Matilda, it's such a shame that Peter can't just admit he wants to eat sausage for the main entree.

MATILDA

I have to deal with my own sausage on this plate, I'm sitting next to Chet on the plane.

SAMANTHA

What's the deal with you and Chet? You guys are more on and off than Pastor and Elijah's brains.

MATILDA

Well went on a date last week, to the Olive Garden. If I wanted frozen pasta and bad service I'd personally cook a Stoffer's frozen mac and cheese for two minutes.

RILEY

Annabelle are you still upset with Ricky?

ANNABELLE

Yes I am Riley! Ricky had the audacity to call me selfish. He said I never listen to other people.

RILEY

That kind of reminds me of the time when I--

ANNABELLE

AND he said that I think I'm too good for my britches. Like I have an ego problem where I can only talk about myself.

RILEY

Well in my experience,--

ANNABELLE

Ricky says I don't listen to him, well maybe if you just talked more I would listen!

RILEY

He might be right.

ANNABELLE

(hurt)
How could you say that??

HONEY

Axl sweetie, do you want anything?

AXL

Yeah, I want to take a fat nap on that plane.

HONEY

I meant like a snack.

AXL

Honey, this is the airport. They're not going to have anything you want.

HONEY

Are you implying that I'm picky??

AXL

Yeah you even complained when I bought that generic soap last week--

HONEY

Well I'm not washing my body with
poison!

AXL

Is that the same excuse for not
wearing deodorant?

HONEY

TSK!

fx; honey storms off

AXL

Oh wait, sweeite they *do* have a
smoothie stall. Honey? HONEY?

7 INT. BUS

fx; bus sounds

MARCY

Well I think it's time for us to do a
sing-along.

fx; multiple groans

FRAN

This grade-D singer wants to sing in
this closed space? She should work for
the FBI in torture.

DENISE

Marcy we just got on the road...why
don't we save that for when we're off
the road and we have the choice to
exit the car.

MARCY

Come on now, don't be a bunch of old
lames.

CHARLES

I'll sing any song except for that
hundred bottles of beer on the wall
song. That song makes me want to
drink.

CHERYL

Well good thing I packed these
roadies.

fx; can opens and large slurp

CHARLES

Alright, you can sing any song you want Marcy.

MARCY

How about amazing grace?

AGNES

It will take a whole lot of grace for me to not jump out this window if you sing Amazing Grace.

JEAN BLUE

What about the name song?

MARCY

I love it! Okay I'll start. My name is Marcy.

fx; silence.

MARCY

Alright, everyone you're supposed to say yeah after each line. Let's try that again. My name is Marcy.

fx; silence and one weak yeah (from Jean Blue)

MARCY

Well this is ridiculous, this bus is more limp than McJagger after drinking a handle of whiskey.

PASTOR

If we sing one song together, will that get you to stop?

MARCY

Yes.

AGNES

Alright, everyone prepare those pipes.

JAMES

My pipes are ALWAYS READY

MARCY

My name is Marcy

WHOLE BUS
YEAH!

MARCY
And I'm so pretty

WHOLE BUS
YEAH (one person 'yeah not')

MARCY
You know I'm a singer

WHOLE BUS

MARCY
And I got zingers

DENISE
My name is Denise

WHOLE BUS

DENISE

AGNES

AGNES
And you're all nasty

WHOLE BUS

PASTOR
My name is Pastor Jamie Lowell Day
Smithick

WHOLE BUS
(a little thrown off because of
her long name)
Yeah--

PASTOR
I run the best church in the nation!

WHOLE BUS
Yeah (Agnes - that's questionable)

PASTOR
We're on a mission trip

WHOLE BUS
Yeah

PASTOR
We're going to rock the Applachian!

WHOLE BUS

CAROL ANN
My name is Carol Ann

WHOLE BUS

CAROL ANN
And I'm both the teacher and the class

WHOLE BUS

CAROL ANN
You motherfuckers but give me respect

WHOLE BUS

CAROL ANN
Fuckin' run this joint, kick your ass

WHOLE BUS
Yeah! (screams, Pastor 'well that was just a bit tasteless)

JEAN BLUE
My name is Jean Blue

WHOLE BUS
Yeah

JEAN BLUE
My mom is Agnes

WHOLE BUS
Yeah (Denise - 'poor thing')

JEAN BLUE
I recently got divorced in New York City and moved back here to deal with the mess that's my new life and I worry a lot about what I'm going to do next.

fx; clapping dies down, everyone's like alright she ruined the game. /

PASTOR
Well...that was a great song until the end there.

8 INT. AIRPORT

fx; airplane sounds

AIRLINE STEWARD
Everyone please buckle up --

fx; airline steward is dropped in the background

HONEY

Thank you for convincing Chet to switch tickets with me. I cannot deal with Axl right now.

MATILDA

It works for me too...Chet's been like weird lately.

HONEY

Boys, can't live with them, can't live without them.

MATILDA

Oh one of the nonprofits I'm working for is looking to change that.

fx; swipe

AIRLINE STEWARD

This flight does not serve any snacks because y'all are flying on Spirit. You wanted some snacks y'all should have paid for some classy airline--

fx; airline steward fades out to the background

AXL

Chet, I wasn't making fun of Honey. I was just pointing out that because she uses natural soaps and scents so she smells bad.

CHET

Dude you can't say that to a girl. That's a serious game over.

AXL

Whatever man, I just want to watch the in-flight movie.

CHET

Oh dude we're on a cheap airplane, we ain't watching an in-flight movie.

fx; swish

AIRLINE STEWARD

And furthrmoe I don't want to hear

that goddamn buzzer unless it's an emergency. Don't ask us to fluff your pillows or get you extra ice--

fx; airline steward fades to the background

LIV

Wow, that airline steward kind of sounds like you.

JONATHAN

EXCUSE ME?

9 INT. BUS

PASTOR

Well, should we stop at this rest stop?

AGNES

A Rest Stop that has a taco bell and a pizza hut? Please, keep this bus moving until we at least find a Panera Bread.

BARBARA

I don't think there's many Panera Breads in the Appalachian Mountains.

AGNES

Of course, a bunch of hillbillies having salad makes no sense.

PASTOR

Well Agnes, you can pick between this rest stop or the one in twenty-five miles. That one has an Arby's and--

AGNES

Pull into Taco Bell and Pizza Hut NOW.

fx; driving sounds as the bus pulls over and everyone gets out

CHARLES

Is this one of those taco bells with the booze?

CHERYL

Oh don't worry, anything can be turned into a mixed drink if you have booze

on you.

PASTOR

Wow, I really need to help AA Ginger get you guys under control don't I?

CHARLES

Uh...no, AA Ginger is great.

CHERYL

The...*hiccup* greatest

fx; Cheryl throw up sounds

PASTOR

What was that?

CHERYL

Sorry I've been sick with...the flu.

CHARLES

Yeah, she's been in the hospital.

PASTOR

Mmm...well I'm going to get some chalupas and pizza...

FRAN

Mexican and Italian? Where is the Russian fast food place?

BENNI

I don't think they have one.

FRAN

Well where am I supposed a salted cucumber salad?

CAROL ANN

Oh well I'm sure taco bell's vegetables come naturally salted Fran.

10 INT. AIRPORT MEXICO

ELIJAH

Alright...we've landed and everyone's grabbed their luggage.

MARJORIE

Oh, not everyone Elijah! Peter and I have yet to get our bags...

ELIJAH

Well the shuttle is here to take us to the compound...

MARJORIE

This is just the nail in our tire. I guess Peter and I will stay back here at the airport until our luggage comes.

JONATHAN

I LOVE that plan!

ELIJAH

Sir, are you the one driving us to the Saint Theresa of the Poor Community Center for the Servants of Jesus Christ and Other Holy Figures?

TROY

Yes.

ELIJAH

Alright, everyone but Marjorie and Peter climb into the shuttle.

RICKY

Mom, dad, will you be okay?

MARJORIE

Absolutely, I'll handle this in a quick second sweeite! Don't you worry about a thing. You just get to the Saint Theresa center and get to work.

RICKY

Alright.

CHET

Matilda, do you wanna sit next to me on the shuttle?

MATILDA

Well I'm the last one to board the shuttle. So I don't really have a choice...

JONATHAN

Girl, you always have a choice. Like how I'm choosing not to flirt with this bus driver, ay curumba he's one

muy pecano.

TROY

My name is Troy, and I'm an American.

JONATHAN

Well calm down, we're in Mexico
sweetie.

11 INT. BUS

MARCY

Well let's play a game. I'm bored.

PASTOR

I had an easier time babysitting
monkeys in Indonesia than this bus
trip.

BARBARA

I'll play a game, what kind of game?

JEAN BLUE

How about something fun like truth or
dare?

BENNI

Oh no, that game is too dangerous.

SUSANNE

How about...Never Have I Ever.

KATHERINE

Oh is that the game where we all
finger each other?

MARCY

Jesus Katherine, we get it you're
married to James and you're sexually
frustrated. Don't take it out on us.

SUSANNE

Everyone raises their five fingers up.
And then we go around and say 'never
have I ever done blank'. And if you
have done it, you put a finger down.

JAMES

I've never done a blank, I always
shoot with bullets!

MARCY

I'll start us off. Never have I ever
butchered a song.

AGNES

Shouldn't these be truthful
statements.

PASTOR

I'm not putting my finger down.

BARBARA

Neither am I.

MARCY

Barbara please, we were all there this
morning at church.

BARBARA

What does that mean?

SUSANNE

I'll go next. I've never done anal.

fx; susanne audio gag

GARFIELD

I haven't done anal with a girl. So do
I get to keep a finger up?

KATHERINE

Never have I ever had an orgasm.

JAMES

Orgasms are just for men.

AGNES

Never have I had a daughter who stayed
married to her husband.

JEAN BLUE

Mom--

AGNES

I couldn't think of anything else,
give me a break.

BENNI

Never have I...gone to Europe.

JEAN BLUE

Well I'm out.

MARCY

We've only had five questions.

AGNES

Even I've had an orgasm, Jesus who raised you Jean?

JEAN BLUE

You did.

AGNES

I don't recall, I was busy trying to break it into the business world in the mergers and acquisitions department of a Wall Street investment bank in New York City.

JEAN BLUE

Mom that's the movie Working Girl with Sigoureny Weaver and Harrison Ford.

AGNES

Which is based on my life!

PASTOR

Never have I ever...drank pop.

SUSANNE

Well that was a lame question. Never have I ever been tied up to a bed-frame and left there for a day. Only five hours...

PASTOR

Susanne, I feel like you're purposely asking scandalous questions just to see who puts their fingers down.

SUSANNE

(slyly)

Well I don't think that's true.

fx; susanne audio gag

PASTOR

Well your tone makes me think that you know that's true.

SUSANNE
 (slyly)
 Does it now?

fx; susanne audio gag

MARCY
 Well everyone is pretty much out
 now...

GARFIELD
 I still got two fingers.

MARCY
 Never have I ever been involved in a
 rendezvous with someone in the church.

GARFIELD
 Oh darn, there goes my fingers...just
 like my toes in the war.

12 EXT. SAINT THERESA OF THE POOR COMMUNITY CENTER

TROY
 Alright, here we are at the Saint
 Theresa of the Poor Community Center
 for the Servants of Jesus Christ and
 Other Holy Figures.

JONATHAN
 Gracias Troy.

TROY
 I told you, I'm American.

JONATHAN
 Si Señor.

ELIJAH
 Alright, everyone grab your bag.

JONATHAN
 Am I the only one who packed four
 bags?

LIV
 Yup. Because we came here to serve,
 not to be pampered.

FATHER ADAMS
 Hello everyone, I'm Father Adams, and

these are members of my flock. Welcome to the Saint Theresa of the Poor Community Center for the Servants of Jesus Christ and Other Holy Figures.

ELIJAH

Thank you for hosting us for a week.

FATHER ADAMS

Absolutely. It's great that we get to interact with a non-denominational parish. We're evangelicals ourselves.

JONATHAN

Oh lordy.

FATHER ADAMS

Why is that a gay man?

fx; members of Father Adams' flock wow in surprise

JONATHAN

Normally I'd be offended but I love the attention.

SAMANTHA

Well pay attention to me, I'm a slut.

FATHER ADAMS

Well we will pray for both of you.

JONATHAN

You can keep those prayers sweetie, this queen ain't able to imagine wanting to be *with* a queen.

ELIJAH

Two of my chaperones had to stay at the airport to get their luggage. Could I use the shuttle to get them later.

FATHER ADAMS

Absolutely my son. Now let's go eat a great meal of rice and beans.

ELIJAH

Wow, how cultural.

fx; footsteps

RILEY

I'm getting some weird vibes.

ANNABELLE

I am too. Father Adams has those crazy eyes, the kind you see in all those documentaries.

RICKY

I just hope my mom and dad are fine in the airport...

13 INT. MEXICAN AIRPORT

MARJORIE

Are you serious ma'am? Our luggage is lost?

BAGGAGE LADY

Yes, I'm sorry we can not find you and your...friend's luggage.

MARJORIE

Oh, that's not my friend, that's my husband.

BAGGAGE LADY

Ah, yes. Your husband definitely plays for your team.

PETER

(in the distance)

I'm sorry to bother you but my facial creams got lost...is there a good place to get my face creamed?

MARJORIE

So what should we do?

BAGGAGE LADY

I'd say just wait a bit and we might be able to find your luggage.

MARJORIE

Well I hope we aren't in-convincing Elijah...

BAGGAGE LADY

Is that the name of your ga---husband?

14 EXT. SISTERS OF THE APPALACHIAN MOUNTAINS MONASTERY

PASTOR

We finally made it to the Sisters of the Appalachian Mountains Monastery.

CAROL ANN

Oh it's beautiful up here...

BEN DOVER

Alright, I'll be back in a week...

fx; bus drives off.

JEAN BLUE

This is the perfect place to get away from the city and my divorce and everything.

GARFIELD

Hussy this ain't some lifetime original movie. We are here to serve!

GLADYS

Well we know you'll be servicing Denise!

DENISE

Well I can't wait for that part of the mission trip.

MOTHER HENRIETTA

Hello SCONE, thank you for coming out here to spend a week with us. I'm Mother Henrietta of the Pines, the leader of the Sisters of the Appalachian Mountains Monastery.

PASTOR

Thank you for having us. We are so excited to do service for the community.

MOTHER HENRIETTA

Well the first thing you can do is take your luggage. You'll all be in that shack over there.

AGNES

You're having all of us share that shack? Why can't we stay in the

gorgeous stone mansion with the sisters?

MOTHER HENRIETTA

We simply don't have the space.

AGNES

Mmm, neither do I have the space to deal with shacking up with these idiots.

PASTOR

Well we can get real intimate.

GARFIELD

That was my plan.

CAROL ANN

Sister Pines.

MOTHER HENRIETTA

Call me Mother Henrietta

CAROL ANN

Gotcha, Mother Henrietta of the Pews.

MOTHER HENRIETTA

The Pines...

CAROL ANN

What's our first thing to do today?

MOTHER HENRIETTA

Well when you've all dropped your bags in our shack, please meet me in the monastery kitchen. We have so much work to do.

PASTOR

Alright, to the shack everyone.

15 INT. MONASTERY SHACK

MARCY

Pastor, this shack is as terrible as the time I produced Madonna's last bomb single...I couldn't believe we had made a terrible song. It clearly wasn't my fault, just like it's not my fault this shack is more depilated than Phil Collins on a world tour!

PASTOR

I usually find you negative Marcy but you're right. Everyone is going to have to partner up with a sleeping buddy.

AGNES

Well Barbara, I'm giving you the chance to sleep next to me.

BARBARA

I'll make sure to not disturb you in the night.

DENISE

I'll have to share a bed with my boyfriend hehe.

GARFIELD

You don't hear me complaining.

FRAN

Benni, this bed will work for us.

BENNI

Oh Fran, It honors me to be your little spoon for this weekend trip.

KATHERINE

Well I'm married to James.

JAMES

I guess I'll share a bed with you. I had to share beds all the time back in the war.

CHARLES

You know what, I'll just crash on that nasty flea-ridden couch. I've done worse.

CHERYL

I call the chair.

CAROL ANN

Well Pastor, I guess that leaves you and me.

PASTOR

You know what, I think I'll sleep outside in that hammock over there.

16 PART TWO

17 INT. MONASTERY

PASTOR

Well Sister Henrietta, the whole group of us Scone people are here and ready to serve the Sisters of the Appalachian Mountains.

MOTHER HENRIETTA

Alright, you three can clean the kitchen. You three can work on the living room, and the rest of you can get working on the laundry. We have a lot of dusty fabrics around here.

PASTOR

I'm sorry, I thought we would be helping the *community* of the Applachian Mountains.

MOTHER HENRIETTA

But you are. You're helping out around our monastery.

AGNES

So we're like the maid service or something?

MOTHER HENRIETTA

Yes, I think that's accurate.

GLADYS

Are you telling me I came to volunteer to help wash up after some crusty nuns all week?

MOTHER HENRIETTA

With that mouth ma'am, you may tackle the underwear. We sweat a lot around here, I'll have you know.

GLADYS

Pastor, this is ridiculous.

PASTOR

Well, it's not what we expected. But I suppose we'll be helping the sisters, and that's still service.

MOTHER HENRIETTA

When I come back in an hour I expect major progress.

fx; door slams

MARCY

Pastor, are we going to seriously be butlers to the Applachian sisters? I thought we were going to get involved in the community.

PASTOR

Listen, I'll talk to Mother Henrietta later, until then we better get to work around here.

CAROL ANN

Especially because I'm the only one with cleaning experience in this group.

18 INT. SAINT THERESA OF THE POOR COMMUNITY CENTER

ELIJAH

It's been a long day of service in Mexico and I'm ready for dinner...

FATHER ADAMS

While Elijah, you look quite chipper.

ELIJAH

Well I'm sorry for putting that impression into your head.

FATHER ADAMS

Is there something wrong?

ELIJAH

Father Adams, Nobody came and volunteered with me! I didn't see any of my kids.

FATHER ADAMS

Oh I'm quite sure their volunteering, I ran into them earlier.

fx; footsteps

ELIJAH

They better be volunteering, this

isn't a Mexico beach vacation...ah,
Liv where have you been all day?

LIV

Oh, I got...lost...at the beach.

ELIJAH

Did you get *lost* or did you get *stuck*
at the beach?

LIV

There was some stuckness happening.

ELIJAH

Well have you seen anyone?

LIV

Yes, there's Pagan Ginger.

PAGAN GINGER

Hi guys.

FATHER ADAMS

Did you say *Pagan* Ginger?

PAGAN GINGER

Yeah, I'm a pagan.

FATHER ADAMS

But this is a place of worship and
religion.

PAGAN GINGER

Well paganism is a form of religion.

FATHER ADAMS

(kind of evil)

I'm quite sure we can get Pagan Ginger
accustomed to religion

fx; string music

PAGAN GINGER

Well what's for dinner, I'm starving.

ELIJAH

Did you do service?

PAGAN GINGER

Yes, I helped at the animal shelter in
town.

ELIJAH
Mmm...alright, you may eat dinner.

AXL
Did I hear dinner?

ELIJAH
And where have you been all day Axl?

AXL
I was volunteering at the bar.

ELIJAH
Why does that bar need volunteers?

AXL
To move things around and clean up.

ELIJAH
Mmm, suspicious...

FATHER ADAMS
I take it Axl is a very problematic teenager.

ELIJAH
Oh, Axl's one of the most problematic of them all. He's lucky he has a little bit of faith to help him.

FATHER ADAMS
(ominious)
I bet he'd be stronger with a lot of faith

fx; ominous strings

ELIJAH
I bet so. Alright, Axl get yourself some dinner in the mess hall.

FATHER ADAMS
You've certainly brought quite the cast of characters Elijah. I hope they all learn something.

fx; ominous strings

ELIJAH
(oblivious)
I hope so too! It'll be tough,

Marjorie and Peter are still at the airport...I'm down two chaperones.

19 INT. MEXICAN AIRPORT

BAGGAGE LADY

Ma'am, we have you and your...arraigned partner's luggage.

MARJORIE

Sweet cream cheese on a cupcake, Peter they found our luggage.

BAGGAGE LADY

Yes, here you are. Just open the bags up and make sure they belong to you.

MARJORIE

Well that's easy...

fx; zip up.

BAGGAGE LADY

Ma'am, what's all that white powder that spilled over the contents of your suitcase?

MARJORIE

Oh no, my baby powder must have exploded at some point. There's baby powder everywhere.

BAGGAGE LADY

Likely story.

fx; beep

BAGGAGE LADY

I need security at the baggage claim desk, I have two Americans who I suspect have been traveling with crack.

MARJORIE

No, this is all a mistake!

PETER

Truly a mistake. This baggage lady meant to say that we're traveling with cocaine. Cocaine is the powder form.

20 INT. MONASTERY

fx; knocking sound

MOTHER HENRIETTA

You may enter.

PASTOR

Hi, it's me, Pastor Jamie Lowell Day
Smithick--

MOTHER HENRIETTA

Jamie, I know you are.

PASTOR

Can I take a minute of your time
Mother Henrietta.

MOTHER HENRIETTA

May I take a minute of your time?

PASTOR

Yes, you may. Because I too want your
time.

MOTHER HENRIETTA

Nevermind, you try and educate people
and end up driving yourself up a wall
with the ignoramuses of the world.

PASTOR

I feel that.

MOTHER HENRIETTA

The point Jamie?

PASTOR

It's Pastor Jamie--

MOTHER HENRIETTA

In my religion, you are not a pastor
and so I won't recognize you as a
pastor here.

PASTOR

Luckily, unlike some of my sheep, my
ego can handle that.

MOTHER HENRIETTA

Jamie, I will have you leave my office
if you don't tell me what in God's

Appalachian Mountains you are doing here.

PASTOR

Some of my flock are concerned...well, most are concerned, scratch that, they're *all* concerned that we aren't doing real service. We thought we were coming here to help people. Not do your laundry or cook meals or change sheets.

MOTHER HENRIETTA

I'm confused. You came here to help and now you don't want to help.

PASTOR

No, we just want to do mission work.

MOTHER HENRIETTA

Ah, you thought we'd have you go feed the homeless, or stop mountain top removal explosions, or visit the nearby town and help paint a mural or something?

PASTOR

Those are great ideas of how we can do service!

MOTHER HENRIETTA

Well those aren't going to happen.

PASTOR

Do we not have the right paint for the mural?

MOTHER HENRIETTA

Jamie, we talked on the phone. I said, 'yes we host mission trips at the monastery. And the people who come to us *help* us around the monastery. Is that not what you're doing?

PASTOR

Yes but--

MOTHER HENRIETTA

I have things to do. I'll see you at dinner. By the way, don't cook anything too spicy for us. The sisters

will clog the pipes if you do.

fx; swipe

AGNES

How did it go?

PASTOR

Well, it went pretty poorly. None of my charm and charisma really seemed to do anything.

GLADYS

Well that's because you lack charm and charisma. Let me talk to Mother Henrietta.

fx; swipe

fx; knocking sounds

MOTHER HENRIETTA

Sister Georiga, I told you, you can listen to podcasts just get some airpods--

GLADYS

Sorry Mother Henrietta, it's me Gladys.

MOTHER HENRIETTA

Ah, you're one of the SCODIES. Are you here to complain as well?

GLADYS

I'll cut the bullshit. Important women like us don't have the time for it. We thought we were going to do cool and important things. We didn't sign up to clean your filthy drawers.

MOTHER HENRIETTA

I didn't lie to Jamie. You guys came to help.

GLADYS

Listen, you might be able to fool Pastor Jamie, I do it all the time. "Oh Pastor Jamie I have no idea who was in charge of the blackjack ring in the church hall", "Oh Pastor Jamie I

had nothing to do with the collection plate being short", "Oh Pastor Jamie, I definitely didn't eat all of Denise's baked goods so that she didn't have anything to present after mass."

MOTHER HENRIETTA

Oh you think you're *all that* and a bag of chips.

GLADYS

Yes, I'm served with the best chips - Lays BBQ.

MOTHER HENRIETTA

We all know salt and vinegar are the best.

GLADYS

Sure, salt and vinegar are the best chips if you haven't had any other chip in your life.

MOTHER HENRIETTA

I'll level with you Gladys. Do we trick religious groups a bit? Maybe. People hear the phrase 'mission trip' and just imagine poor, hungry kids that they want to swaddle. The truth is, there's a lot of *work* to be done. You guys just don't want to do the *real* work.

GLADYS

I stopped listening after you admitted that you trick people.

MOTHER HENRIETTA

You need to leave my office.

GLADYS

GLADLY. In the future, you might want to consider a different outfit choice.

MOTHER HENRIETTA

I wear a habit because I'm a nun.

GLADYS

Well that's a *habit* I think you should break.

21 INT. SAINT THERESA OF THE POOR COMMUNITY CENTER

ANNABELLE

Riley, have you seen anyone? I feel like everyone is just gone.

RILEY

Well you and me are here. So I guess not everyone is gone--

ANNABELLE

Jonathan is missing, as is Samantha. And now I can't find Honey, Axl, Pagan Ginger and Elise!

RILEY

Why do you need to find them?

ANNABELLE

I'm just saying, they are gone! Like they left.

RILEY

Maybe they're still doing service.

ANNABELLE

Jonathan, Samantha, Axl... you think those people want to stay late and do service? That's impossible.

RILEY

Well, look there's Chet and Matilda down there by the beach...and I see Elijah and Liv talking with that creepy Father Adams...

ANNABELLE

See, I don't trust Father Adams. What if he's a serial killer.

RICKY

My favorite cereal is Raisin Bran.

ANNABELLE

(sassy)

Mmph, Ricky. What are you doing here?

RICKY

I was going to go hang out with Axl and Honey...but they're gone.

ANNABELLE

See Riley, I'm not crazy! Something is going on.

RILEY

Fine...I guess we can go investigate.

fx; swipe

ANNABELLE

This is Father Adams' office. Maybe we can find some evidence in here.

fx; door creak

RILEY

Well what do you expect to find?

RICKY

Maybe Father Adams isn't really a priest.

ANNABELLE

Well neither is Pastor Jamie, but we still call her a pastor.

RILEY

Annabelle, look at this bookcase.

ANNABELLE

Well what about the bookcase?

RILEY

It's so dusty! And there's so many boring books. I think Father Adams is boring.

ANNABELLE

I swear, I could have done this by myself. Look at these journal notes...'Dear Diary, today we are visited by SCONE, not the bakery but the church...'

RICKY

OH MY GOSH

ANNABELLE

What? What?

RICKY

That's us, we're SCONE.

ANNABELLE

Clearly...look in Father's Adams diary he wrote 'they have two gays, a slut, a pagan, a troublesome teen and a girl who is vegan. I had to deal with them.'

RILEY

He had to deal them? They're all too young to gamble.

ANNABELLE

No, he didn't deal them cards to gamble, Father Adams *dealt* with them. Like he might have *murdered* them.

RICKY

(nonchalant)

Well that sucks I guess.

RILEY

We gotta go tell Elijah.

ANNABELLE

No, we need more evidence. You know Elijah, unless there's major evidence or a grand solo for him to sing, he's not interested.

22 INT. INTERROGATION ROOM

PAGAN GINGER

Where am I?

JONATHAN

Welcome to the club girl.

PAGAN GINGER

Why are we all tied up to these boards? What's going on?

HONEY

We're being converted by that crazy Father Adams. He kidnapped all of us.

ELISE

I don't get why he kidnapped me.

JONATHAN

Denise's niece Elise, you love the vag-
ise. Father Adams wants to change the
gays.

PAGAN GINGER

Oh he probably kidnapped me because I
had a lot of fajitas at dinner...

JONATHAN

I don't think he kidnapped you for
being a glutton PAGAN ginger.

PAGAN GINGER

Well why would he kidnap me?

SAMANTHA

You're probably a slut like me.

PAGAN GINGER

Nope, definitely not a slut.

JONATHAN

Helloooo Samantha is here because she
is a slut, that is true. Although it's
not true because you're not actually a
slut. So...whatever. Pagan Ginger,
you're clearly in here because you're
a pagan!

PAGAN GINGER

Oh, I guess that makes sense.

AXL

Well why did he kidnap me?

HONEY

Probably because you're an asshole who
called your girlfriend smelly.

AXL

Are you still upset about that? I
meant it in like...a compliment.

HONEY

Well it wasn't a compliment.

AXL

Why did you get arrested? Because of
your smell?

HONEY

You're lucky I can't kick you in your cute head.

AXL

Awh, you think it's cute.

HONEY

I mean, it is.

JONATHAN

Listen as much as I love a cheesy 80s movie moment we need to escape.

fx; door opens

SAMANTHA

Oh it's our kidnappers.

KIDNAPPER 1

It's time for another session.

PAGAN GINGER

A session?

JONATHAN

Yeah, basically they're going to subject us to some conversion therapy. But don't worry, it's not as bad as you think. Since they're understaffed, Samantha and I had to go to therapy together.

fx; swipe

KIDNAPPER 1

I'm going to show pictures of hot guys. You have to honestly state your feelings. Jonathan, if you show attraction to the guys I have to shock you a bit. Samantha, if you show too much sexual desire for a guy, I have to shock you a bit.

JONATHAN

What are we being shocked with?

KIDNAPPER 1

This thing.

SAMANTHA

That's one of those fake electric bubble gum shock toys. That's not going to hurt. Not like a big co--

fx; bzz

SAMANTHA

Oh, that didn't hurt, that was just annoying.

JONATHAN

Can we get on with the slideshow of hot boys please.

fx; bzz

JONATHAN

Was I shocked for being sassy or cause I said 'hot boys'.

KIDNAPPER 1

Uh...I guess both. Okay, here's the first boy. What do we think?

SAMANTHA

Oh my gosh, he could slap me around like a buttered pancake as long as he leaves me dripping with syrup.

fx; buzz

JONATHAN

Same girl, look at those pecs. They're just asking for me to hold onto them like I'm on a Cedar Point ride.

fx; buzz

KIDNAPPER 1

Well let's try a different photo

JONATHAN

GURLS, this guy is just a snack. No, not just a snack, he is truly a whole Vegas casino buffet. Look at those calves...glistening like Cher in a one-piece bedazzled suit.

fx; buzz

SAMANTHA

Oh yeah, and those arms...call the senate because those guns should be banned from sale and given to me to handle.

fx; buzz

KIDNAPPER 1

How about guy 3?

SAMANTHA

Are we at a meat packing facility? Because this beefcake is packing meat and I just want to process those requests

fx; buzz

JONATHAN

Did you those lips? Lana Del Rey called for her lips back! And Samantha did you see those eyes?

fx; buzz

SAMANTHA

Oh I just want to *lick* those eyeballs

fx; buzz

JONATHAN

If he's a river of sexiness, then get me a paddle and a canoe.

fx; buzz

SAMANTHA

I'm as wet as a river, I'll tell you that!

fx; buzz

KIDNAPPER 1

Alright, lemme move onto guy number four

SAMANTHA

Oh this guy is disgusting, I could never sexualize him.

JONATHAN

Same, he makes me want to be straight.

KIDNAPPER 1

Oh good, we are making some progress.

SAMANTHA

How would I grind up against that? He doesn't deserve my goodies and my kitty.

fx; buzz

JONATHAN

Seriously, unless he's rich. If he's rich then I'll gladly be his sugar baby.

fx; buzz

fx; swipe

JONATHAN

So needless to say, the shock treatment from the gum shock toy didn't work.

SAMANTHA

I've also developed a kink for electrocution.

KIDNAPPER 1

Alright, Honey and Pagan Ginger, it's your turn. We're going to convert you to good Evangelical girls.

PAGAN GINGER

Oh well can I smoke weed during this?

KIDNAPPER 1

Of course not, good Evangelical girls don't smoke weed.

PAGAN GINGER

Oh. Do we at least get to drink?

23 INT. MONASTERY

DENISE

Garfield, can you give me that bucket of cleaning solution? I'm going to

scrub the floor.

GARFIELD

Mm, so you're telling me that you're gonna be bent over to scrub this floor? I like that.

DENISE

Hehe, what else do you like?

fx; footsteps

GLADYS

I hate to interrupt this soon to be porn scene, but I need your help.

DENISE

We aren't going to help you.

GARFIELD

Unless you need help getting off. I could do a threesome.

DENISE

Garfield, I told you anyone BUT Gladys. And Agnes.

GLADYS

Listen, the idea of me getting naked next to Denise is not sexy. It's actually a huge turn-off.

GARFIELD

So what did you come over here for then hussy? To be a big ol tease?

GLADYS

NO! I want to hijack some of the funds from the monastery for doing all this work for them. I came to help poor little kids get food and then take photos so I could brag to everyone back home about the work I did. Especially my parole officer Beverly so that I can prove I'm actually doing my parole service hours. Instead, I'm being FORCED to do actual work. So I think we should get paid for it.

DENISE

I don't like the idea of robbing the

nuns. But we are working for free.

GARFIELD

Shoot, I could use that money to buy me another gun.

DENISE

Alright Gladys count us in. What's the plan?

fx; swipe

fx; door knock

MOTHER HENRIETTA

Please come in.

FRAN

Sister Henry, there's something going on.

MOTHER HENRIETTA

It's Mother Henrietta.

FRAN

I said that. I'm Fran, I'm German.

MOTHER HENRIETTA

Well what is going on?

FRAN

Two people are having sexual relations in the kitchen, come and stop them.

MOTHER HENRIETTA

Oh dear heavens, show me where now!

fx; two footsteps leaving

fx; footstep entering

GLADYS

He he he, I can spot a safe a mile away. Now all I gotta do is crack it

fx; safe sounds

fx; swipe

MOTHER HENRIETTA

Who is doing the dirty deed in this

monastery?

DENISE

(bad acting)

Oh no, Garfield we have been caught.

GARFIELD

That wasn't real sex, you were just dry humping me. And you're so dry, it was more of an arid dry hump.

MOTHER HENRIETTA

Explain yourselves now.

DENISE

(bad acting)

Mother Henrietta of the Peaks.

MOTHER HENRIETTA

(grit teeth)

of...the...pines.

DENISE

(bad acting)

I'm sorry, I can't hear--

GARFIELD

Jesus woman I'm the one with the hearing problem and I heard Sister Christian perfectly--

MOTHER HENRIETTA

That's not my name--

GARFIELD

Mother Henri Esther of the Perky caught us getting it on.

MOTHER HENRIETTA

Now why in the world would you think it's acceptable to just be having sex in this monastery?

DENISE

Well we were overcome with the lord.

GARFIELD

We were overcum alright.

fx; swipe

GLADYS

There we go, I got it...

fx; unlock

GLADYS

Holy smokes, these nuns have 1, 2,
3...TEN GRAND? Jesus, well with all
the free labor they get I'm not that
surprised. I better sneak out of
here...

fx; close of the safe, footsteps

fx; swipe

MOTHER HENRIETTA

I swear, if any of you SCONDIES do
anything else...I'm going to have your
heads...

fx; walks away

FRAN

Mother Henriestimata is not going to
like Gladys stealing all the money,
no?

24 INT. SCONE CHURCH

PASTOR WYATT

Good morning members of Scone, I'm
Pastor Wyatt and I'm subbing in for
Pastor Jamie as she and everyone went
on the mission trips this week.

COMMUNIST DEREK

I guess I'm confused, Pastor Jamie
treats you like the soviets treated
the Romanov family. Very poorly.

PASTOR WYATT

Pastor Jamie and I have quite the wild
relationship.

SHARON

I can attest, Pastor Wyatt was the
person who helped me overcome my
demons. He's truly the best.

PASTOR WYATT

How did that attest to Pastor Jamie and I's relationship?

SHARON

Oh sorry, I thought we were talking about *why* you and Pastor Jamie should have a relationship.

SOCIALIST DAVE

Mmm, the way Pastor Jamie talks about you Pastor Wyatt, one would think that you kidnapped her first born child.

PASTOR WYATT

Well I want to talk about love today y'all and the power of love.

DOROTHEA

I have a question.

PASTOR WYATT

Well I didn't say anything.

DOROTHEA

Okay, I'll be patient and wait.

PASTOR WYATT

Well, I was saying, love is a good emotion. It is tough as the city of New Orleans, and it's history is just as historical--

Pastor Wyatt fades to the background

PIPPY

Wow Dorothea, Pastor Wyatt really can speak good.

DOROTHEA

He does, and without all the judgey old bitches who make noise, I think I actually enjoying mass!

AA GINGER

Pastor Wyatt...sometimes when I lead AA, I feel like the people don't love me. And I wonder if that's because I am in a way, blocking them from their true love of alcohol.

PASTOR WYATT

Why Ginger, that's a great concept.

AA GINGER

Oh my gosh he called me Ginger and not AA Ginger!

PASTOR WYATT

Can we think of any other times in our lives where we have been treated poorly in the name of love?

SHARON

Well, when I returned with some of the money I stole, there was kind of a love-hate thing going on there.

PASTOR WYATT

That's a good point Sharon. They loved this church and they loved that money...

JUNIPER CLOUD

Pastor Wyatt, it's me Juniper Cloud.

fx; Juniper Cloud music

JUNIPER CLOUD

I was wondering the connection between sex and love.

PASTOR WYATT

Well there can be love in sex. But not all sex is love.

DOROTHEA

Wow, that's just mindblowing.

ALICE

Pastor Wyatt, I love magic and being a witch. But sometimes I mistreat people because they annoy me due to their idiotic tendencies.

JANICE

Alice is TOTALLY a Slytherin.

ALICE

CAN WE COOL IT WITH THE HARRY POTTER REFERNENCES?

JANICE

Alice, I will banish you to Azkaban for those comments!

PASTOR WYATT

Alice, I totally agree with what you're saying. Sometimes our love for something out-shadows patience, understanding, calm behavior...

ALICE

Wow...how did you feel when you heard that the pastor was seeing someone?

PASTOR WYATT

Seeing someone? What do you mean?

JUSTIN

Oh, Pastor Wyatt dude you didn't hear dude?

JUSTINE

Oh no babe, we have to break this dude's heart.

PASTOR WYATT

What in a pecan sandy are y'all talking about.

DOROTHEA

Oh sweetie, Pastor Jamie has been dating a fancy smart lawyer for a couple weeks now.

PASTOR WYATT

But...I really like her. Are you saying I lost my chance?

JANICE

I can brew you a love potion Pastor Wyatt.

JUSTIN

Pastor Wyatt, I can give you drugs that will make you feel better about it.

PASTOR WYATT

Well this is a shock. But you know what...when you love someone--I mean like someone, you have to learn to let

them be happy. Because you want what's best for them, even if you that doesn't match with what you want.

PIPPY

Oh my gosh, I'm about to cry.

JANICE

I think I'm under a spell of tears!

DOROTHEA

If it makes you feel better Pastor Wyatt, I think Pastor Jamie and her boyfriend isn't anything more than a quick flash fry. You're the kind of guy who has always been there for Jamie.

fx; confirmation from the church

PASTOR WYATT

All these kind things, I guess we learned something today. Mass dismissed!

25 INT. MEXICAN AIRPORT

TSA AGENT 1

Tell us the truth you untrustworthy American!

MARJORIE

I am telling you the truth, that wasn't cocaine that was baby powder.

TSA AGENT 2

We checked Mrs. Barbie--

MARJORIE

It's Bar-bé, like flambé.

TSA AGENT 1

You're being accused of bringing cocaine into Mexico and you really think now is the time to lecture us on how to pronounce your name?

MARJORIE

You know what, pronounce my last name however you like. I'm open to ideas.

TSA AGENT 2
You and the other American spy--

MARJORIE
He's my husband!

fx; silence and a cough, 'yeah...sure jan.'

TSA AGENT 1
Alright ma'am, even though you are clearly not that man's type, let's pretend he is your husband. The two of you come to Mexico to buy your cocaine to the local drug cartels. You probably are quite uppity, you don't care, who cares about Mexico, right?

MARJORIE
I care a lot about Mexico! I buy authentic ingredients for my tack-os!

TSA AGENT 2
We checked too, your child is eleven although apparently has the IQ of a young child. So the baby powder doesn't work for him.

MARJORIE
I swear, I packed all sorts of things for this trip. I've supposed to be chaperoneing but I've been stuck in here for DAYS!

TSA AGENT 1
We will give you one more chance Mrs. Barbie before we confront your husband. Let's see what he has to say.

fx; swipe

TSA AGENT 2
We know your secret Mr. Barbie.

TSA AGENT 1
Yes, a painful secret you've been hiding for a long time.

TSA AGENT 2
We get it. This trip wasn't supposed to have you spilling yourself all over that floor. But what can we do now?

TSA AGENT 1

All you can do is be honest with us.
Open that closet door and clean out
all that baggage.

PETER

Alright, I admit it! I'm gay!

TSA AGENT 1

Oh we know that, we meant the cocaine--

PETER

I just panicked alright, I didn't know
what to do and maybe it wasn't right
marrying Marjorie, but I do love
Marjorie. I just don't want to have
sex with her! And she doesn't like sex
either. At least I think, I don't
know. Ricky needs us, how am I
supposed to divorce her, and look how
old I am, I'm never going to survive
in the gay scene!? It's so shallow and
all digital with the apps, I can't
handle it--

TSA AGENT 1

Sir we were talking about the cocaine--

PETER

I've never cheated on my wife. Except
for that one time two years ago. And
the few times before that. And maybe
last week. But I mean, I gotta get my
rocks off sometimes? It makes me a
better husband, a better father and a
better business partner. I pray
sometimes that I could do something
different but--

TSA AGENT 2

SIR PLEASE WE JUST WANT TO KNOW ABOUT
THE COCAINE!

PETER

What cocaine?

26 INT. MONASTERY

PASTOR

Does anyone know why Mother Henrietta called us all into the living room?

AGNES

I don't know...but I imagine one of you forgot to vacuum the living room.

CAROL ANN

I vacuumed the entire first floor of the monastery. I did so much work, unlike some of you. Like where is Charles and Cheryl? I haven't seen them since we got here...

GLADYS

I don't know what's going on.

DENISE

Gladys, we better not get in trouble.

GLADYS

Relax, Garfield won't remember what we did and Fran didn't know what the end game is.

fx; door opens

PASTOR

Alright we're all here Mother Henrietta...oh my goodness, what is going on?

MOTHER HENRIETTA

I'm joined by Sister Angelica and Sister Barkley.

GLADYS

Those two aren't nuns, they're two terminator robots.

MOTHER HENRIETTA

Sister Angelica and Sister Barkley used to be play basketball. Since joining our order they have acted as the monastery's security.

BARBARA

Why are they so huge?

BENNI

Why are they blocking the only door
out of here?

AGNES

Mmm and why are they holding paddles?

MOTHER HENRIETTA

Because you have all been bad. And I
want the truth, even if I have to
paddle it out of you.

PASTOR JAMIE

Well this just seems ludicrous.

JAMES

I survived the war, I'll survive your
paddle

KATHERINE

No James, don't antagonize the nuns!

MOTHER HENRIETTA

Sister Angelica, will you show James
here what that paddle is like.

JAMES

Get off me woman---OW!

fx; paddle clapping

MOTHER HENRIETTA

That will happen to all you, multiple
times if you do not comply.

JAMES

Ow...that really hurt.

PASTOR JAMIE

Well I'm just glad Jonathan and
Samantha aren't here, I think they'd
like that paddle a bit too much.

MARCY

Well, out with it Mother Henrietta.
What are you looking for?

MOTHER HENRIETTA

Someone, or some of you, stole ten
thousand dollars from my safe.

JEAN BLUE

Wow, that's not even how much I got from my divorce.

AGNES

I told you Jean, if you go cheap on a lawyer, you're going to walk away with nothing.

JAMES

I will not stand for this...mainly because that paddle paralyzed me.

GARFIELD

James, it's been great. But we're finally about to meet our end the way I figured we would: strong powerful women would kill us.

JAMES

Getting killed by strong women is my *least favorite* way that I wanted to be murdered.

PASTOR JAMIE

Well, which one of you stole the ten thousand dollars?

fx; crickets

MOTHER HENRIETTA

Playing hard to get?

SUSANNE

I bet I know who it was.

PASTOR JAMIE

You do? Susanne, who is it?

SUSANNE

Oh I don't know I was being dramatic.

fx; susanne audio gag

MOTHER HENRIETTA

Sister Berkley, paddle that old woman for being dramatic

SUSANNE

Well damn foiled by my love of drama...

fx; paddle sounds

MARCY

This is ridiculous, are we a bunch of sixth grade school girls who got caught with short skirts? This isn't real punishment.

MOTHER HENRIETTA

Ma'am--

MARCY

Don't call me ma'am, I'm *practically* a celebrity.

MOTHER HENRIETTA

Excuse me?

MARCY

That's right, I'm a founding member of Marcy Playground.

MOTHER HENRIETTA

I haven't heard of it.

MARCY

As I expected, nuns listening to good alternative music? It'd be easier to find your money than to find a nun with music taste.

MOTHER HENRIETTA

Sister Angelica, paddle this one.

fx; slps

MARCY

Well too bad for you (OW), I went on tour with Janet Jackson (OW) and that tight leather slapped me every night on my butt (OW)

GLADYS

I really don't know who stole the money. But it's a shame that karma came back to bite.

MOTHER HENRIETTA

Speaking of biting, you were nipping at my office yesterday weren't you?

GLADYS

I don't do catnip, I do pills.

MOTHER HENRIETTA

You wanted to work for a wage.

GLADYS

Listen sugar tits, I don't do things for free. I grew up with my poor immigrant family, we had to work for cash.

MOTHER HENRIETTA

Sister Barkley, paddle her for desiring to work for money.

fx; paddles

GLADYS

I've had it worse at my great-grandmother's house. And she didn't even have a house, it was a collection of shady trees...

JEAN BLUE

What are we going to do?

AGNES

Pastor, you need to do something.

PASTOR

Well what can I do, there's more paddles being clapped here than at a fraternity rush night.

MOTHER HENRIETTA

Until we find the money, we will continue the slapping.

fx; more paddling

fx; scary strings, phone call

MARCY

This looks quite bleak...oh sorry, that's my ringtone. It might be my agent. Hello? ...yes, this is Marcy. Oh my gosh, really? You were calling for me? Oh...you wanted to know if I was happy with my insurance policy.

fx; hangs up the phone

MARCY

Sorry, back to the paddling I suppose.

27 INT. SAINT THERESA OF THE POOR COMMUNITY CENTER

FATHER ADAMS

So then I said, may the power of
Christ compel you to try my homemade
flan.

fx; Liv and Elijah laugh

ELIJAH

What an evening of good conversation.
I wish the kids could hear all of
this.

LIV

True, I haven't seen Jonathan in two
days. He's probably off swimming
somewhere.

FATHER ADAMS

Swimming in faith I imagine...

fx; footsteps

ANNABELLE

Elijah, Liv!

RICKY

We have some news to share.

RILEY

Bad news too!

ELIJAH

Slow your roll like the book of
Genesis did when it named all those
families in the opening chapter.
What's going on kids?

ANNABELLE

We know where all the missing teens
are!

LIV

Missing? I thought they were just busy
doing service.

RICKY

No, Father Adams kidnapped them!

ELIJAH

What? Are you serious?

RILEY

At first we went into Father Adams' office and read his diary where he said he was going to 'deal' with a few of us. And then we witnessed Pagan Ginger and Honey being tortured.

LIV

What? What kind of torture?

fx; swipe

KIDNAPPER 1

Alright, I'm going to give you two choices and you're going to pick the choice that a good Evangelical girl would do.

PAGAN GINGER

Otherwise we're going to get tickled-- I mean *shocked* by that piece of fake electric gum?

KIDNAPPER 1

Yes.

HONEY

Alright, well what's our first choice.

KIDNAPPER 1

Either a nice sundress that covers your shoulders and goes all the way to your ankles or this slutty bathing suit.

PAGAN GINGER / HONEY

The slutty bathing suit

fz; bzzp

KIDNAPPER 1

Pick between these two: this L'oreal shampoo or these all natural devil's brand of hair exfoliate.

PAGAN GINGER / HONEY
all natural devil's brand of hair
exfoliate

fx; bzzp

KIDNAPPER 1
Okay, let's try the next one: going to
church with your parents, or staying
up all night at the 18 and over club.

PAGAN GINGER / HONEY
Staying up all night at the 18 and
over club

fx; bzzp

fx; swipe

ELIJAH
These are some serious allegation
Father Adams. And we thought you were
a cool dude. What a shame.

FATHER ADAMS
Now wait a minute, there's no
evidence.

LIV
But the kids said they saw your men
zapping Pagan Ginger and Honey.

ELIJAH
Well, kids do lie sometimes...

ANNABELLE
We are not lying.

ELIJAH
Well I don't know what to do..

fx; footsteps

JONATHAN
Oh hey guys, is there anymore
margaritas left? I was being held
against my will for a bit for these
funny conversion attempts and I could
really use a drink.

LIV

Oh my gosh are you okay??

JONATHAN

I'll be better once I have tequila.

ELIJAH

Well there's the evidence. Father Adams, how could you?

FATHER ADAMS

I grew up as an evangelic catholic and just wanted to save people. What can I say?

ELIJAH

Father Adams, I too want to save people. But what were you saving people from?

JONATHAN

Elise and I were being saved by gayness, Axl was being saved from being a douche, Honey and Pagan Ginger were being converted into good women...oh and Samantha was being converted to not be a slut.

ELIJAH

Father Adams...these qualities you deem unholy are *good* things to celebrate.

FATHER ADAMS

They are?

ELIJAH

Of course, sluts, gays, crazy women, and douches...they're all out there. And we love them for being them.

LIV

We might not love the douches.

FATHER ADAMS

Well I learned something today. I'm going to stop the conversion therapies here at Saint Theresa of the Poor Community Center for the Servants of Jesus Christ and Other Holy Figures.

ALL

Yay!

LIV

Wait a minute!

fx; record scratch of the warm comforting bed.

LIV

This doesn't excuse the fact that Father Adams kidnapped six members of our church and did torturous conversion therapy on them!

JONATHAN

It wasn't that bad, like I said it was kind of funny.

LIV

But you were being held against your will.

JONATHAN

True, that we were! Can't skip that fact of the story. Although they tied us up with a shoe tying knot so it was easy to untie and then I just really wanted a strong margarita--

ELIJAH

Father Adams what do you have to say?

FATHER ADAMS

Well I'm sorry.

LIV

Not going to cut it. We want money.

JONATHAN

We do?

LIV

Oh we do.

FATHER ADAMS

If I give you enough money to just enjoy the rest of your vacation in Mexico, would that be fine?

fx; pause

LIV

Pay up.

fx; swipe

28 EXT. APPALACHIA

CHARLES

Can you believe that the Sisters of the Appalachian Mountains wanted us to do their laundry and shit Cheryl?

CHERYL

Charles, I was like...nope, fuck that. Do you need more of this Schnapps?

CHARLES

Ya, better fill up my cup, I'm half empty.

CHERYL

Here you go...

fx; horns 'get out of the road'

CHARLES

Man, these drivers are terrible.

CHERYL

You'd think they would know pedestrians have the right away to walk in the street.

fx; police alarm

CHARLES

Oh fuck it's the cops.

CHERYL

Act natural.

CHARLES

I think I'm going to throw up

fx; wretching sound

CHERYL

Sorry officers, he had food poisoning. We ate at that place which has all the meats...if you know what I mean.

29 INT. MONASTERY

MOTHER HENRIETTA

We gave everyone three sets of paddle slaps and still no one knows the location of where the ten thousand dollars that belongs to the Sisters of the Appalachian Mountains.

KATHERINE

So what are you going to do? Just paddle us more?

MOTHER HENRIETTA

I think we have to up the ante. Sister Angelica, go grab the whip.

GLADYS

Whips and paddles, I thought this was a monastery, not a sex shop!

BARBARA

To quote one of my favorite pop artists 'whips and chains excite me'.

AGNES

Barbara please, that Rihanna lyric is clearly not her best lyric.

PASTOR JAMIE

You're not going to get away with this.

AGNES

Thank you Pasotr, if anything she should have quoted from "Stay" by Rihanna.

PASTOR

No, I'm talking to Mother Henrietta. Mother Henrietta isn't going to get away with this.

MOTHER HENRIETTA

Who's going to stop me, the cops?

fx; clear of throat

MOTHER HENRIETTA

Oh, there's two cops here.

CHARLES

Sorry guys, we got a little drunk and the cops brought us back.

CHEYRL

Don't lie to them Charles, we got fuckin' wasted

30 EXT. MEXICO BEACH

LIV

Ah, we're on the beach in Mexico. Is there anything better than this?

JONATHAN

Yes, no longer being held captive in therapy.

ELIJAH

And this virgin mojito is a total mood-jito!

JONATHAN

Oh I thought I told you, they're not virgin.

ELIJAH

I've had like four of these!

LIV

That explains why you ran into the ocean screaming 'I'm a dolphin' a few minutes ago...

JONATHAN

So who wants to tell the Pastor about what happened?

ELIJAH

Eh, let Pastor and the SCONDIES enjoy the Appalachian mountains while we enjoy the sun. I'll have the perfect tan for my upcoming competition...

31 EXT. APPLACHIA

GLADYS

Why the hell do we have to walk all the way to the town's hotel?

PASTOR

Because Ben Dover isn't answering my phone.

BARBARA

Well that wasn't my favorite mission trip of all time, I'll admit.

CAROL ANN

I seemed to get paddled the most and I didn't steal the money.

BENNI

Pretty ironic they found the money in the hallway.

GLADYS

Whoever stole it was smart enough to get rid of the cash.

DENISE

Well I'm not going to jail when I got my own officer to arrest me.

GARFIELD

Oh I'll arrest you alright. For being a HUSSY.

MARCY

I have a great idea, why don't we sing a song as we walk?

ALL

NO.

32 INT. MEXICAN AIRPORT

TSA AGENT 1

Alright, Mrs. Barbe, we finally got the test results. That was baby powder in your suitcase. We're sorry for accusing you of exporting cocaine.

MARJORIE

Well I'm upset that it took a few days to get the results, but I'm glad to be released into Mexico.

TSA AGENT 2

And here's your husband?? Who you're married to??

MARJORIE

Oh my gosh, PETER!

PETER

Marjorie, I missed you.

MARJORIE

Now it's time to go meet everyone at Saint Theresa of the Poor Community Center for the Servants of Jesus Christ and Other Holy Figures.

PETER

Well, let's head out...

ELIJAH

Marjorie? Peter?

fx; record scartch

MARJORIE

Elijah, all the kids, Ricky! What's going on, how did you know we were just let go by the Mexican TSA?

ELIJAH

We didn't know that...we came back because it's time for our flight home.

MARJORIE

Are you serious? We missed this whole trip? Well I mexi-can't even.

JONATHAN

Goddamn it Marjorie!
