

1 INT. SCONE HALL

ELIJAH

(singing)

In the darkest days. In the brightest nights. I hear the call of the morning light. One must die so another may live. He came and went to atone our sins. We all must fall so others may rise. Will you heed the call. Or will you demise, will you demise?

PASTOR

Elijah, thank you for that beautiful song.

GLADYS

Beautiful? That shit was dark.

JEAN BLUE

(crying)

That was the most beautiful song I have ever heard.

PASTOR

As you all know, tomorrow is the annual SCONE Fall Festival. I would like to thank Mystic Mama for hosting at her winery. I will now bring up Pagan Ginger who is the president of the fall festival planning committee. Not only did Pagan Ginger bring the good meat platter for after mass, but she will share important last minute announcements.

PAGAN GINGER

Thank you Pastor. Hello everyone, it is once again that glorious time of the year. Where the leaves change, plants crumble and the air smells of death. Isn't it wonderful?

FX: questionable groans from the church.

JAMES

I know the *real* smell of death because I was in the war!

PAGAN GINGER

Fall is the most incredible and

spiritual time of year. All of the plants and trees die and when spring comes around next year they are reborn more beautiful and strong. It is truly magical. So I would like to thank everyone with their involvement in making this fall festival the best one yet. Give yourself a round of applause.

FX: Applause.

LIV

Not to be cynical...

JONATHON

Liv your middle name is cynical.

LIV

It's actually *Cynthia*. But maybe we should hold back on a round of applause because we still have a couple of hours until the fall festival. Plenty of things could go wrong. We have been known to ruin almost every event ever thrown.

JONATHAN

That's not true!

LIV

In the last two months alone, we had a poorly attended yard sale, a prisoner rehab day that turned into a prison escape, a protested disastrous fish fry, a spring showcase which showcased Garfield and Denise getting it on, and two bungled mission trips.

JONATHAN

Well the mission trip wasn't bungled.

LIV

You were tortured for two days!

JONATHAN

And then got to sit on the beach with margaritas for three, so it kind of worked out.

2 THEME MUSIC

3 INT. SCONE RECTORY

fx: welcome chime

LIV

Hi Ricky, you're here early.

RICKY

Hi Liv! Well since Charlene quit there is still a lot of more things I have to go through so I thought I'd start the day early.

SHARON

Oh sweetie, you know that's not your job to go through the churches finances. I mean Ricky you're just a child. Charlene was a grown woman employed to solve our financial problems and she had a meltdown more severe than the Molasses floods in Boston in 1919. Sugar, what makes you think you can?

RICKY

I was the one who found out that Elijah never cancelled the automatic monthly payments to Church Choir weekly!

LIV

I still don't understand how no one seemed to notice the fact that we were paying ten dollars a week for three years to receive some sheet music.

ELIJAH

Excuse me, Church Choir Weekly is not just some sheet music! It also includes a newsletter! And I was perfectly aware it was happening, I just could not cancel it! Every time I tried they offered to give me three weeks free.

LIV

Elijah, ten dollars A WEEK! You saved thirty dollars and spent god knows how much for the rest of the year. Three

years Elijah, come on now.

RICKY

How many times did you try to cancel Elijah?

ELIJAH

Well one time I tried to cancel it, back when we first got it. And I was so traumatized by the amount of questioning and confrontation from the telephone operator that I had to see my therapist *and* vocal coach *every day* for the next six months. And then I tried to do it again last year and I didn't have the courage to dial the number.

RICKY

So you paid *ten dollars* a week for 150 weeks, that's \$1,500 that this church could've had because you don't have the balls to tell an automated computer to cancel your subscription.

ELIJAH

Is this a bad time to mention the \$50 holiday specials the whole month of December.

LIV

Elijah!!

RICKY

I have to go. I can feel myself getting dumber.

FX: footsteps walking away.

SHARON

He's acting mighty uppity since he found out he can add a couple numbers together. Try paying a mortgage sweaty.

LIV

I think Ricky is turning into Charlie Gordon from *Flowers for Algernon*.

SHARON

Liv, Ricky is still just a child. What

does he know about business finances. Especially church finances. We get certain write offs and deductions. I don't know if I'm comfortable with an eleven year old messing with our finances.

LIV

Well, *our* finances wouldn't be in trouble if some one didn't steal fifty three thousand dollars from us. The fact that a church had *fifty three thousand dollars laying around* to begin with is still astonishing to me.

SHARON

You know what Liv, I am so sick of you and Jonathan treating me like some common criminal! I am here. I returned the money I could and now I'm back trying to repent my sins and everyone in this church still treats me with so much disrespect. What happened to no judgement what happened to forgive and forget? What happened to...

LIV

Sharon Imma have to ask you to shut the fuck up. I don't care about anything you have to say.

Silence for a moment.

SHARON

You're going straight to hell Liv. Straight to hell.

LIV

I think I'm already there. Because spending every day with you is my hell.

FX: Sharon angrily huffing and puffing as she storms off.
Welcome chimes

LIV

Officer Patrick and Michelle? What are you doing here?

OFFICER PATRICK

That's right Liv! It's you're favorite

Police Officers!

LIV

I can tell you right now you two are not my favorite police officers and I will never have a favorite police officer. Now, again, what are you guys doing here?

OFFICER MICHELLE

We're here to investigate!

OFFICER PATRICK

That's right! We're here to investigate because you and Jonathon suspected Silver of dealing drugs in the SCONE basement!

LIV

Um. Jonathon and I never said that. That was your twos dumb idea.

OFFICER MICHELLE

That's right! It was our idea. And we told our lieutenant about it and he said and I quote "You can search whatever scones you need to as long as you bring enough back for everyone." So now we're here!

OFFICER PATRICK

And now we'll be going in the basement!

LIV

Do you have a warrant?

OFFICER PATRICK

(less peppy voice)

A warrant?

LIV

Yeah, you need a warrant to search the premises.

OFFICER PATRICK

(still less peppy)

No. We don't have a warrant.

OFFICER MICHELLE

That's alright Officer Patrick! We can

just talk to Jonathan a little more
about Silver! Where is he?

LIV

Jonathan is home sick. He said he's
either love sick or hungover sick.

OFFICER MICHELLE

Well alright! We'll come back when we
have a warrant!

OFFICER PATRICK

That's right!

4 INT. CONFERENCE ROOM

PAGAN GINGER

Thank you everyone for coming to the
last Fall festival meeting. I'm so
excited for these festivities to
commence. I know we have been
struggling financially this past year
but I am so proud of all the hard work
you have all done to make all of this
happen this wouldn't have happened
without all of our group involvements.
So we'll take a quick head count and
then go into the itinerary. President
Ginger present and accounted for Vice
president Agnes.

AGNES

Agnes Here!

PAGAN GINGER

Secretary Matilda.

MATILDA

Matilda Here.

PAGAN GINGER

Treasurer AA Ginger.

AA GINGER

Ginger here.

PAGAN GINGER

I'm here.

AA GINGER

I'm here as well...

AGNES

Alright we get it both Gingers are here.

PAGAN GINGER

Alright all board members are here and accounted for, along with board members from other groups involved.

MARCY

Eh hem.

PAGAN GINGER

Oh right. Press secretary Marcy?

MARCY

Press Secretary Marcy here.

AGNES

Marcy, what is a press secretary anyway?

MARCY

Agnes, the only question you should ask is to yourself. "How come no one ever elects me as president of a committee? Am I unlikeable?" And then I would answer yes, Agnes you're incredibly unlikable.

AGNES

I'll have you and everyone else know that I'm the president of the SCONDIES...

PAGAN GINGER

Ladies please no negative energy in my conference room. Now, I would like to go over all of our activities and then we can go into the detailed itinerary. So,0 Mystic Mama's Rocking entertainment company donated not one, but two stages and sound systems.

MATILDA

Mystic Mama is doing an entertainment division now? Wow, we love empowered women.

MARCY

Frankly, I don't think Mystic Mama is

an empowered woman. Frankly, I think I can barely empower myself to listen to her shenanigans...

FRANK LEE

Did someone call for me, I was in the bathroom.

MARCY

No Frank Lee, I was just saying Frankly, I'm upset.

FRANK LEE

You're upset with me?

AGNES

Frankly, Frank Lee, you need to leave.

FRANK LEE

Wow, no wonder I don't come to this church often...

fx; footsteps

PAGAN GINGER

We won't be hosting at Mystic Mama's place anymore...we ran out of money. So we'll be hosting the Fall Festival in the SCONE Parking lot.

MARCY

Not surprised, I've seen Mystic Mama's prices...does she think she's the Pussycat Dolls with their VIP packages?

PAGAN GINGER

Speaking of no money, The Cock Pit will be catering the festival.

AGNES

Why do *all* of our events have to be catered by Peter and Marjorie? Their food is *too* dry and *over* spiced. There is an explosion of flavor in my mouth but not in a good way. The glazed food sticks to the back of my throat in gobs. It's like a bad case of phlegm.

MARJORIE

Oh...thanks for the compliment I guess?

MATILDA

Marjorie how do you and Peter donate so much food to the church...like how do you even make any money?

MARJORIE

Ricky handles our finances now and we're making more money than ever. That's why we've been able to cater every SCONE event.

MARCY

You trust your babbling baboon of a son with your finances? I wouldn't trust Ricky with a single match and all the fire extinguishers in the world.

AGNES

I wouldn't trust him to take out my garbage.

MARCY

Agnes, we should hang out more. We're quite similar.

AGNES

I'll pass.

PAGAN GINGER

As I was saying, other activities include the teen club doing face painting, the witches club doing pumpkin carving, the hay maze sponsored by the communist and socialist clubs. We will of course have a wine bar and also a cocktails by cookies bar as well as Cookies! cookies bar and an ice cream bar by ice cream by cocktails by cookies.

AGNES

The marketing for this event probably looks like shit with all these sponsors.

PAGAN GINGER

Then, we will conclude our Fall Festival by the fire, where we'll be making and smores while we watch Garfield and James light fireworks at a safe distance.

GARFIELD

I hope I make it out with all my toes this year. I got some very big fireworks. Some illegal ones too.

MATILDA

This is going to be the most amazing Fall Festival yet. I can't wait to just enjoy nature as the leaves crumble and die and the tree bark starts to peel off.

5 INT. SCONE BASEMENT

fx: calculator typing. Door opening

ANNABELLE

Ricky?

RICKY

Oh... hi Annabelle.

ANNABELLE

Ricky, what are you doing in the Junior Detective League office?

RICKY

The Fall Festival committee is having their meeting in the conference room and I didn't know where else to go to do my work. What are you doing down here?

ANNABELLE

Um, well, I don't know. Sometimes I just like to come down here and read our old case files.

RICKY

Me too.

ANNABELLE

Oh, Ricky I don't know how to tell you this, but I have found a new partner

in crime. To solve crime.

RICKY

What? Who? Is it Chet? I know he's cooler and handsomer than me but you can do so much better Annabelle.

ANNABELLE

No Ricky not Chet, Liv. Her and I have been working on a really big case.

RICKY

Oh, what is it.

FX: Loud noises.

RICKY

What's that?

ANNABELLE

I don't know Ricky. I haven't been down here a lot lately. Do you think it's Benni's ESL class?

RICKY

That doesn't sound like them. I don't know what it sounds like. Maybe we... I mean you and Liv should go investigate.

ANNABELLE

(disappointed)

Oh, um yeah, maybe we will. Me and Liv, that is

RICKY

OH, fine. You and Liv go do that. I have important tax documents to math anyway.

ANNABELLE

Fine. I have a dance number I have to rehearse anyway.

RICKY

Wait. It's not "Corn, pumpkin" is it? We do that together every year.

ANNABELLE

It is. I could do that number forward, backwards, with my eyes closed and en

espanol. But. I've had to learn to do it without you Ricky. I've had to learn to do a lot without you.

FX: Footsteps walking away. Door Closing. Ricky singing "corn, pumpkin" to himself, sadly.

RICKY

*You're the corn I'm the pumpkin.
Though it may appear we have nothing
in common. We're the best of friends
you'd ever see. It's always a party
with you and me.*

6 INT. SCONE RECTORY

FX: welcome chime

LIV

Jonathan finally!

JONATHAN

Liv, soft whisper please. I wasn't even going to come in.

LIV

(silent for a sec)
You're not going to make a joke about how you always come?

JONATHAN

No. I'm not in the mood.

LIV

Well at least fall fest is tonight.
Open Bar!

Jonathan lets out a quick groan.

JONATHAN

I think I might skip it. All the screaming children, and adults. Sounds loud. And in it's the SCONE parking lot, which doesn't remind me of fall at all.

LIV

You can borrow some of the ear plugs in my desk.

JONATHAN

You angel! I ran out two weeks ago during the musical episode. Everyone was soooooo pitchy!

LIV

I should also mention the fact that Officer Patrick and Michelle stopped by today. They were trying to search the basement.

JONATHAN

Oh my god! Are they looking for Fran and Benni? Did Fran and Benni rob a bank? Or murder someone else?!

LIV

No they were looking for Silver! Remember, they think he's selling drugs out of the basement.

JONATHAN

Oh shit! I forgot about that. Hahaha did they find that bastard?

LIV

No I told them they needed a warrant.

JONATHAN

Liv, you should've just let them arrest Silver.

LIV

For what? You're the one who's says Silver's changed. I'm not letting any cops in the SCONE Basement. Whatever Silver is doing down there is probably the most legal thing going on down there anyway. You, Pastor and Elijah don't even go down there.

JONATHAN

I don't care what Mystic Mama says. There is a ghost down in that basement and she needs a blowout and a new wardrobe. I don't want to see some fashionless ghost. It's bad enough I have to look at Marcy every day.

FX: Footsteps approaching.

ANNABELLE

Hi Liv, can I talk to you for a second? In private?

LIV

Um, Ok.

FX: Foot steps leaving. Phone ringing. Jonathan groans. He picks up the phone and immediately hangs it up.

Fx: footsteps approaching.

PASTOR

Jonathan, I thought I heard your voice. I just tried to call you.

JONATHAN

Pastor you know I don't pick up the phone.

PASTOR

I have a favor to ask you. I need your help with Desmond. You are the queen of boy trouble.

JONATHAN

Oh fine. But you get fifteen words to explain yourself.

PASTOR

Uh...parents dinner. Not go well. We have not talked since. What to do?

JONATHAN

Only thirteen, not bad! Well you should put on some sexy lingerie and go over to his place and do a sexy apology.

PASTOR

A sexy apology?

JONATHAN

Yah, like 'sorry I ruined dinner with mommy and daddy...but how about we *play* mommy and daddy'?

CAROL ANN

I don't have too much experience in the romance department, but I think clear cut communication--

PASTOR

Carol Ann please, Jonathan is in the thick of dating right now.

CAROL ANN

But I've been married for over fifty years!

JONATHAN

Wow Carol Ann, you brag more around here than Madonna when she steps foot into Africa.

CAROL ANN

Fine, I'll just get to work hauling in the hay for the hay maze.

PASTOR

I guess I'll call Desmond again...where's Liv?

JONATHAN

She got pulled into something by Annabelle?

fx; swipe

ANNABELLE

Liv, I know you asked me to look into Sharon more...but I've been busy.

LIV

Busy with what?

ANNABELLE

Just, things Liv. Geez. I don't ask you what you do outside of this church even though I know you watch murder documentaries and eat Lays chips!

LIV

Damn, you don't have to roast me like that.

ANNABELLE

I'm sorry, I ran into Ricky today.

LIV

Ah...was it awkward?

ANNABELLE

More awkward than when Marcy meets a talented musician and goes into overdrive.

LIV

Yikes, I don't even like Marcy when she's in drive.

fx; weird basement sound

LIV

What in the world is that?

ANNABELLE

I don't know... but it's coming from the basement. Did Fran buy an industrial sewing machine?

fx; footsteps

DOROTHEA

Oh, Liv, Annabelle good to see you. Us old ladies are gathering for a prayer circle.

BARBARA

Today we're going to read about the Hindu god Vishnu...

LIV

Where's Agnes? Doesn't she usually run the old people?

KATHERINE

Sometimes we need a break from the big personalities like Gladys and Agnes. Even Susanne can be draining.

DOROTHEA

Oh Katherine, I have a question...where did you get that lovely purse.

KATHERINE

Why I actually got it here at SCONE!

DOROTHEA

No, way so did I!

BARBARA

Me too girls!

LIV

Who in the congregation sold you these purses? They look too good to be homemade...

DOROTHEA

All I know is that my purse is a Prada purse.

ANNABELLE

Do you mean Prada?

DOROTHEA

Exactly!

LIV

Can I see your purse Dorothea?

DOROTHEA

Go ahead, just don't steal my mentos!

LIV

Mmmm...and who sold you these ladies?

KATHERINE

Some burly gentleman...I forgot his name. It was something very new age.

ANNABELLE

That doesn't help us...half the men in this church are burly.

DOROTHEA

We best be off, thanks so much for chatting with us, see you at the fall festival!

fx; footsteps

ANNABELLE

Liv, my mom owns several Prada's and what she had was definitely a knock off.

LIV

Yeah the lines on that purse were not top notch. I worked at Macy's for an embarrassing amount of time and I know

my professionally done knock off purses and those are not store material...I think someone is selling knock-off purses around SCONE!

ANNABELLE

Do you think it's Sharon?

LIV

It might be. This would be the perfect place to set up shop these middle age to old woman love a good purse almost as much as they love a good bargain...but we need more evidence. And I hate to say it Annabelle, but we might need Ricky.

ANNABELLE

What? We do? Why?

LIV

He's good with numbers and whoever is behind these purses is good with numbers too. Come on!

7 INT. SCONE RECTORY

fx; the number you have dialed is not answering. sorry.

PASTOR

Hey Desmond...it's Pastor. I'm sorry about dinner the other day with your parents. I know it didn't go well. But I'd like to talk to you...kind of check in I suppose. Lemme know what's up. Do you have my number? I guess you would...haha. Thanks. Talk soon. Later gator. Bye...

fx; phone click

JONATHAN

Pastor, that call was more desperate than Katy Perry is for a grammy.

PASTOR

I think I might have to go with the lingerie option...

CAROL ANN

Pastor, I hate to interrupt while I

clean your bookcases, but I think clear communication is what's going to help you...

PASTOR

Carol Ann, if I wanted advice I'd ask for it! Besides those shelves are more dusty than Gladys.

CAROL ANN

Well you're right, both these shelves and Gladys need a bit of poking around, don't they?

fx; phone vibrate

PASTOR

Oh, Desmond texted me back! He said he's been busy with lawyer stuff and that we will talk soon. Okay, I feel much better now.

JONATHAN

Do you still need Starbucks? I was going to do a run.

PASTOR

A coffee with free range corn milk would be great.

JONATHAN

Awesome I'll get my usual triple shot no whip low fat sugar free vanilla iced latte. You can get on that Carol Ann.

CAROL ANN

One second, I'll have to climb down off this ladder.

8 INT BASEMENT

fx: door opening.

ANNABELLE

Ricky!

RICKY

Yeah?

ANNABELLE

Ricky, Liv and I have another mystery on our hands and we need your help.

RICKY

Really? What can I do I'm just good at math. You're the real super sleuth Annabelle.

ANNABELLE

Ricky, I am sorry I didn't support you and you're amazing new talent. You've always supported me and my amazing talent. There is no JDL without you. It takes the both of us to solve mysteries. And I don't want to do it with anyone else but you.

LIV

Why am I slightly offended by that?

RICKY

Annabelle, I'm sorry too...I let math get ahead of our friendship and I'll never let that happen again. I miss hearing you're beautiful voice and solving crimes with you. I was just too scared to admit it.

ANNABELLE

Me too Ricky. Me too.

LIV

It's true what they say, you really don't need math skills but you definitely need at least one friend.

RICKY

Awh, I'm sorry that you're not good at math and that you have no friends Liv.

LIV

That's not--

ANNABELLE

Someone is selling counterfeit purses around SCONE! And we don't know who...

FX: couterfeit purse sounds. Whatever that is

RICKY

Do you think it's connected to the
sound we keep hearing?

ANNABELLE

Maybe, lets go check it out.

fx; counterfeit purse sound. Footsteps. JDL music.

ANNABELLE

Oh my goodness, it's coming from the
room that Silver is renting.

LIV

Open the door slowly...let's see
what's going on in there?

fx; door creak

RICKY

(whisper)

I see a ceiling and walls...

ANNABELLE

Ricky we're looking for purses!

LIV

Shoot, I see some purses...and I hear
someone...

SILVER

(on the phone)

It's me Silver...yes I'm calling you
on my phone from the room in SCONE.
Yes, the room I make my fake knock-off
purses in. Uh huh...no, I sent
everyone home for the night so I could
count all the illegal money I'm making
off this illegal activity.

ANNABELLE

(whisper)

Holy moly banana cream pie with nilla
wafers, Liv we gotta tell Pastor and
Elijah!

LIV

They're probably already at the fall
festival!

9 EXT. PARKING LOT

PASTOR

Well without further ado, let's open
the Fall Festival!

OFFICER MICHELLE

Not so fast!

OFFICER PATRICK

That's right, we're back and with a
warrant!

PASTOR

With a Warren? We don't have a Warren
at this parish.

SUSANNE

Actually, we used to have a Warren at
this church.

PASTOR

Really? What happened to him?

SUSANNE

He...was sliced by a guillotine?

PASTOR

Really!?!

SUSANNE

No, I'm just starting hashtag drama.

fx; Susanne audio gag

OFFICER MICHELLE

Well we have the real drama, isn't
that right Officer Patrick?

OFFICER PATRICK

That's right! This fun festive fall
festival function needs to wait until
we conduct a basement search!

ELIJAH

A basement search? What's in the
basement? Did Fran and Benni possibly
murder another person?

FRAN

I heard that. I am Fran, and German.

And no, I have not murdered. At least
in that basement.

BENNI

I can attest, but sometimes I murder
her sexually.

fx; groans from the audience.

PAGAN GINGER

The one event I'm put in charge of and
this happens?

AGNES

I knew we shouldn't have put you in
charge Ginger.

AA GINGER

I wasn't in charge.

PAGAN GINGER

Agnes, this isn't my fault!

AGNES

That's what a lot of you milleniums
and generation wii say I bet.

OFFICER MICHELLE

Out of our way, we're going to the
basement...

fx; hurried footsteps

ANNABELLE

Pastor, pastor! We need to talk to
you!

PASTOR

What in the world about?

RICKY

There's something going on in the
basement...that room you rented
out...they're making counterfeit
purses.

OFFICER PATRICK

Jackpot! Out of our way!

OFFICER MICHELLE

That's right, we have a crime scene on

our hands!

fx; footsteps, people muttering as they hustled to the basement.

ELIJAH

We're opening the doors to the large basement room which Silver is renting outt.....

OFFICER MICHELLE

Why lookie here Officer Patrick!

OFFICER PATRICK

That's right, call me a lookie loo!

OFFICER MICHELLE

There's a fake purse operation happening in SCONE!

PASTOR

Silver how could you! We thought you turned your life around.

JONATHAN

I knew Silver was a piece of crap.

LIV

Literally for two months you said he was the most changed person ever.

JONATHAN

I was blind, but now I see.

ELIJAH

One of my favorite psalms.

SILVER

You caught me...I'm manufacturing knock-off purses in the basement.

OFFICER MICHELLE

Wow, a confession. Talk about an open and shut...*purse?*

OFFICER PATRICK

This case was so easy, we had it in the *pocket...book.*

OFFICER MICHELLE

Don't *clutch* your pearls at this

criminal, he's getting the bookbag
tossed at him in court!

OFFICER PATRICK
We can add this solved case to our
wall-et of achievements!

SILVER
I will never commit another crime
again if you promise not to make
another purse joke.

PASTOR
Silver, how could you do this? I
thought we had rehabilitated you!

SILVER
Life ain't easy sometimes Pastor. I
had a lot of court fees to pay off.

JONATHAN
Well, I suppose this really is goodbye
Silver.

SILVER
Well, it's just purses. I'll get like
maybe a year in jail.

OFFICER MICHELLE
That's still a *pouch* of time!

SILVER
This is torture, my lawyer will throw
out the case just because of these
purse puns.

fx; footsteps

OFFICER MICHELLE
We did it Officer Patrick. Dare I say,
Detective Patrick?

OFFICER PATRICK
That's right *Detective* Michelle!

ANNABELLE
Um if anything the Junior Detective
League did it. We found this operation
before any of y'all did.

OFFICER MICHELLE
Sure you did little girl. Detective
Patrick cuff that man and read him his
rights.

OFFICER PATRICK
Alright!

SILVER
AHHH!

PASTOR
Well who would have thought that
illegal activity would be happening in
the basement of this church.

FRAN
Yes...we certainly do not do illegal
things like cock fights or fight clubs
or cock clubs...

PASTOR
Well, how about we go celebrate with
the Fall Festival.

LIV
What are we celebrating?

ELIJAH
That we're all here together!

LIV
But Silver was paying rent that was
making sure we all had a living
salary.

PASTOR
That'll get handled, I promise.

LIV
Also, we could be implemented in a
crime.

ELIJAH
Liv, focus on today!

LIV
But---. Fine...we can all go enjoy the
Fall Festival.

fx; yay, everyone leaves

JONATHAN

I understand Liv, I'm worried too.

LIV

Thank you! This is a serious thing...

JONATHAN

Right? Now I can say that I broke up with Silver because he went back to prison!

LIV

Oh...nevermind.

JONATHAN

I know what will cheer you up.

LIV

Guarentee of an income?

JONATHAN

No silly, some smores.

LIV

If anything, I need free food more than ever before. I just solved a federal offense with two children. What has my life come to?

fx; footsteps

SHARON

(voice disguised)

Hehe they may have busted Silver and the purses...but they still haven't busted me. Haha!

fx; string music

10 THE END
