

1 PREVIOUSLY -- ON NON DENOMINATIONAL

fx; footsteps

ANNABELLE

Liv, Jonathan, Ricky...we may have figured out that Sharon was stealing money, approximately 20k from the church and 40k and presents from the future Justin and Justine...but we have no idea where Sharon is...

LIV

Annabelle, remember that's not true at all. We know where Sharon's staying...at Hotel Rendevous.

fx; Hotel Rendvous audio gag

ANNABELLE

(gasps)

Oh my lord Jesus in the farmhouse you're right! Do you think Sharon's there collecting all that she has stolen?

RICKY

We betta hurry!

fx; engine starts up

JONATHAN

Hold onto your purses girls, this car is going for a wild ride

fx; car skids out of the parking lot.

2 THEME SONG

PASTOR

Thank you to everyone who came to celebrate Justin and Justine's wedding vows ceremony. Thank you to Justin and Justine's parents, the parish, and other...surprise guests.

PASTOR WYATT

(whispers)

Do you think Pastor Jamie is talking about me?

DESMOND

(whispers)

No, I think she means me...

PASTOR WYATT

Why...wait a minute. Aren't you that boyfriend of Pastor Jamie's I've heard so much about?

DESMOND

Ex-boyfriend. We just broke up.

PASTOR WYATT

Oh is that so?

SUSANNE

(dramatically)

Now this is a good...twist?

fx; Susanne audio gag.

PASTOR

Here at SCONE we combine a lot of wedding traditions to form one whole wedding ceremony. Both Justine and Justin will step on a piece of glass, they will also paint each other's faces, pour sand into a jar and additionally light a candle together.

JAMES

Damn, back in my day you just said I do and that's it.

KATHERINE

Our wedding wasn't that great James.

JAMES

OUR WEDDING WAS BETTER THAN THE WAR
KATHERINE! HOW COULD YOU COMPARE OUR
VOWS TO DEATH AND DESTRUCTION?

GARFIELD

Yeah you hussy.

KATHERINE

Sometimes I want to run away to
Paris...under the name Kaitlyn
Holiday...

PASTOR

But before we get to the wedding tasks, I must ask...Justine. Justin. Do you want to marry each other?

JUSTINE/JUSTIN

Yes.

PASTOR

Alright, let's hear the vows.

JUSTINE

Babe, I didn't know what to write. I just wanted to say our love is like a nice joint. Wrapped tightly, warm, filled with a thousand hugs. It's natural, herbal--

AGNES

(whispering)

How in the hell is their love 'herbal' what does that even mean?

BARBARA

(whispering)

I don't know Agnes.

AGNES

They wrote these vows when they were higher than my tolerance for this wedding.

BARBARA

Your tolerance for this wedding is pretty low--

AGNES

EXACTLY.

JUSTIN

Babe...when I thought about us...our history, our relationship, our love and identity, our past present and future...when I thought about it all. I thought about weed.

MARCY

This is less shocking than the time when Blink-182 said they 'encapsulated the emo rock genre'.

JEAN BLUE
How are you feeling?

MARCY
About this wedding? Just get me to the point where I can debut my new material...

JEAN BLUE
No, about the news that I'm leaving for New York City tomorrow.

MARCY
I...I'm a bit shocked. I feel like the general public did at the 2010 Grammy Awards when Arcade Fire won Album of the Year over Lady Gaga and Eminem...

JEAN BLUE
Well, do you want to come with? I know you love New York.

MARCY
Well I don't love the poor people in New York, but I love the energy. I...I have to think about it Jean Blue.

PASTOR
Now that the vows have been read, we can move onto the service...

CHET
Wait, we're going to have mass too?

AXL
I guess so.

CHET
I'm not going to mass tomorrow then.

HONEY
I don't think anyone goes to mass the day after a wedding.

MATILDA
Well according to the church, a wedding ceremony doesn't count as going to a mass, but like what do humans know about faith right?

SAMANTHA

The only faith I believe in is sex.

MATILDA

Samantha, please we're at a wedding.

SAMANTHA

And there's going to be a wedding with boys...can't wait to see them all and objectify them.

3 EXT. RENDEVOUS HOTEL

ANNABELLE

Turn here Liv, there's the parking lot for Hotel Rendevous!

fx; Hotel Rendevous audio gag

LIV

There's Sharon's room...we all better get out right now.

fx; breaks, doors opening and slamming, running, door knocking, door opens

SHARON

Oh my word, you found me.

LIV

Barge in everyone!

fx; scuffling sounds.

SHARON

How did you find me?

LIV

I've tailed you here before. I was suspicious then and now I'm more suspicious than ever.

RICKY

Yeah, we're superstitious!

ANNABELLE

Ricky...

JONATHAN

Now make haste like that barista who made my coffee today and give us back

all the money and gifts you stole.

SHARON

No worries, the cash and the gifts aren't here. I've already placed them in a *secret* location.

ANNABELLE

Of course you did. We know about the 20k you took from the church, the 40k you took from Justine's parents and the wedding gifts.

SHARON

Oh well aren't you a regular Nancy Drew...and you're right on all three of those charges.

RICKY

But Sharon, why?

JONATHAN

Why? Ricky we know why, Sharon's a klepto.

SHARON

To be fair, I did try and change. At first...but then once I remembered how stupid everyone was at SCONE, I began to take a little money here and there...for spa trips, starbucks, sushi...and then it snowballed and I was back at my old embezzlement ways. Y'all are just too easy to steal from.

LIV

Just wait till that sexy hunky piece of southern meat Pastor Wyatt hears about this.

SHARON

Too bad this news of his angel will break that steamy, wet, stud daddy's heart. I wish I could comfort Pastor Wyatt and tell him it's going to be okay while rubbing his thighs which bulge out of his grey khakis...

LIV

I'll have to...bring Pastor Wyatt into a quiet room where it's just the two

of us...tell him all about what happened...console Pastor Wyatt while I tell him of Sharon's betrayal, hold his statuesque jaw and full crop of glistening hair.

JONATHAN

I can't believe you'd do this Sharon, especially when Pastor Wyatt was...training you to be a better person. If Pastor Wyatt was training me, I'd have him push me up against the desk--

ANNABELLE

Can you three schoolgirls stop lusting after Pastor Wyatt and can we address the crime at hand?

SHARON

Girl I already told you, it was me.

RICKY

And is it true that you were working with Silver?

SHARON

No, I wasn't working with Silver sweetie. He was paying me for my silence.

ANNABELLE

And is it true that you threatened Charlene Devadonna?

SHARON

It was too easy! All I had to do were threaten those foster plants she talks about. And let's be real...her little hobby with the foster plants is weird.

fx; Liv, Jonathan, Annabelle and Ricky all nod in agreement, yeah that's true.

LIV

And you say this all just happened because well...you got addicted to being a klepto?

SHARON

Addicted isn't the word for it. I

don't feel bad about who I am.

JONATHAN

You stole from a church and two lovely hippies who never hurt a fly. How do you not feel bad about that?

SHARON

Because my haul is too *good* to feel *bad* about it. Like I've already said, I've hidden everything--

RICKY

Are all of the wedding gifts in the backseat of your car?

SHARON

(stammering)

No? What? Why? Of course not?

RICKY

Well I'm peering through these dirty hotel blinds and I can see a lot of gifts in the back seat of your car.

SHARON

Those are...gifts for my niece's....quinceanera?

LIV

Nice try but I happen to know that your niece's quinceanera was last weekend. I didn't do too much work for this wedding and I saw your instagram pictures while I made Carol Ann finalize the list of things to do of which I didn't do anything.

JONATHAN

You're cornered Sharon, you got nowhere to run, you're caught red handed like the time me and Yager were going to go fool around in the back of the club and the security guard was like 'not on my watch sis'

ANNABELLE

Sharon, why don't you come back with us to SCONE and we clear this all up with the Pastor---

SHARON

Annabelle you've got to be out of your mind if you think I'm turning myself in. I got 60k and some miscellaneous wedding gifts in my car. That's enough to last me two years if I don't spend it all in Vegas...

LIV

Sharon, be reasonable--

SHARON

Oh I am being reasonable. Now out of my way, I'm out of here.

fx; running footsteps

ANNABELLE

Oh no, she's getting away!

JONATHAN

Liv, we need to go after her.

LIV

Everyone pile into my car, we're going for a chase...

4 INT. THE WEDDING

PASTOR

Now that we've had mass, and before we get to more of the confirmation, affirmation and invitation, it's time for when I do a homily.

DENISE

Garfield, sweetie you fell asleep...

GARFIELD

...snooze...this wedding...is too long...hussy...

AGNES

Can you believe that the pastor is going to do a homily?

DOROTHEA

Sometimes I feel like Pastor Jamie likes to hear herself speak. There's a few people around here who do that.

AGNES

Is that an attack on *me* Dorothea?

DOROTHEA

Of course not, but if the shoe fits--

AGNES

The shoe doesn't fit and I'm going to throw that shoe in your face if you ever imply that I wear that shoe.

DOROTHEA

I have a question.

AGNES

Dorothea, if that question is going to drive me up a wall you might as well not ask it.

DOROTHEA

I no longer have a question.

PASTOR

Love is a very...special thing. It can be good, it can be bad. It can be easy and it can be hard. Justin and Justine are two loving people who saw each other in one another....

DESMOND

Pastor Wyatt...

PASTOR WYATT

Yes?

DESMOND

Do you think this homily might be directed at me?

PASTOR WYATT

I don't think so, it sounds like a generic homily...

RACHEL RYANS

So far Elijah's music has also sounded generic. Rhyming 'all my days' with 'our yesterdays'...calm down Alicia Keys.

PASTOR

Right before this wedding, my

boyfriend broke up with me.

fx; murmurs

PASTOR

He told me that he didn't see
longevity in the situation.

PASTOR WYATT

Huh, Desmond this homily might be
about you.

DESMOND

(dryly)

You think?

PASTOR

But here's what I learned. Even though
I *disagreed* with why the relationship
was ending, hell, I disagreed with
ending the relationship...I see
Justine and Justin and I think...*this*
is what I want. I talked about my
boyfriend like he was the second
coming of Christ.

ELIJAH

I can attest to that!

PAGAN GINGER

Yeah, not a day went by unless we
heard about that boyfriend of yours.

PASTOR

You got that right Ginger, I mean
Pagan Ginger.

AA GINGER

We all know you were talking to Pagan
Ginger just now Pastor.

PASTOR

Well I wanted to clarify that up for
those who were confused.

AA GINGER

Who was confused?

JUSTINE'S MOM

Hi, I'm Justine's mom. I'm confused
because I don't go to this church.

JUSTIN'S DAD

Same here, I'm Justin's Dad.

JUSTINE'S DAD

I'm Justine's Dad.

JUSTIN'S MOM

Don't forget about good old Justin's Mom. I'm new too.

PASTOR

See all those people didn't know which Ginger I was talking about, AA Ginger.

AA GINGER

I'm confused more about the four of them than about two Gingers...

JUSTINE'S MOM

Well my actual name is Ginger, and that feels more confusing then just being called Justine's Mom.

PASTOR

Moving on Justine's Mom Ginger...I realized that these two love each other with such ease. With such...comfort. I want that...I really do. And with such grace, I've decided that I accept being single. I can handle it and I can't wait to one day be in the shoes of either Justin or Justine.

JUSTINE

I have small feet Pastor, I don't think you can fit in my shoes.

PASTOR

Moving on, let's get to the final vows ceremony...does anyone have any objections to this couple getting married?

DOROTHEA

I have a question.

PASTOR

Do you have a QUESTION or an OBJECTION?

DOROTHEA

A question, how much longer is this going on for, I have to use the bathroom.

RACHEL RYANS

I would like Elijah's choice of organ music to be objected since it's a bit of a bore.

PASTOR

Well in the power invested in me by our lovely state, I now pronounce you Justin and Justine! You may now kiss the stoner!

fx; cheers of excitement

5 EXT. HIGHWAY

fx; audio montage of cars crashing and moving, Jonathan, Liv, Annabelle and Ricky all yelling and screaming as they race after Sharon...finally...

LIV

She pulled over and she's getting out of the car...

ANNABELLE

Sharon has her hands up like she's surrendering...what's this about?

JONATHAN

Maybe Sharon is giving up?

6 INT. CHURCH HALL

ELIJAH

Peter, Marjorie I'm just checking in with you guys about the food. Everyone is coming down for cocktail hour right now.

MARJORIE

We have all the apps ready: melon ball platters, bacon wrapped sausages stuffed with cream cheese, huge asparagus stalks served with a white alfredo sauce and cheese cubes.

ELIJAH

Oh cheese cubes doesn't seem smutty.

MARJORIE

Smutty? What do you mean?

CAROL ANN

Elijah, I need your help with something. Peter and Marjorie have assured me that The Cockpit is in the right position and will thrust forward with their plan of action.

ELIJAH

What's wrong Carol Ann?

CAROL ANN

Something has gone missing!

ELIJAH

Oh dear what is it?

fx; long pause with string music.

CAROL ANN

I can't find the sharpies for people to sign the large wooden board we made for everyone to sign.

ELIJAH

Carol Ann that's one of the most important things of the night! I can't think of ANYTHING MORE Important that could get lost or stolen than the sharpies.

CAROL ANN

Oh wait, they're in my pocket.

ELIJAH

Well thank goodness missy, now go put those sharpies away...and have you seen Sharon at all?

CAROL ANN

No, our Head volunteer seems to be missing.

ELIJAH

Something must have stole her away from the church.

fx; swipe

CHET

What do you think of my DJ equipment
Matilda? Think it's hot?

MATILDA

I guess.

CHET

Do you have any requests?

SAMANTHA

Yeah, play us some slutty music so I
can grind up on some boys.

HONEY

Samantha I'll give you some of my wine
that I smuggled if you *actually* grind
on a dude tonight.

SAMANTHA

Well then your wine is mine cause
that's gonna happen.

CHET

I was asking MATILDA if she had any
requests, not you guys.

MATILDA

Eh, nah I don't think so.

AXL

Chet can I put in a request--

CHET

No you cannot.

7 INT. SIDE OF THE HIGHWAY

SHARON

Alright I ran out of gas. I was going
to get some gas and one of those 79
cent 42 ounce pops before I got out of
here...but I'm running low on gas.

RICKY

Well that explains why she pulled over
at this gas station.

LIV

You have no choice but to hand over all the gifts.

SHARON

No, we're going to strike a deal.

JONATHAN

You want a deal? How about we're DEALING with you once and for all. I had a thousand jokes about you in prison, but now it's actually going to happen! Ugh, am I psychic or what?

SHARON

I'll give you all the wedding gifts and I'll Venmo you 20 thousand dollars. All you have to do is let me walk away.

LIV

That's it?

SHARON

That's it. Easy as that. You can go and tell dingbats Elijah and Pastor all you want. But I won't get in trouble with the police.

ANNABELLE

Liv, we can't let her get away.

LIV

We found her secret and she's going to return everything. I think we can let her go.

ANNABELLE

I don't know about that...

RICKY

Annabelle sometimes the bad guys...well they kind of win.

SHARON

Girls, if you thought I ever lost then you don't know me.

LIV

Oh we know you! Now hand over the goods.

SHARON

There's a few bongs back here and some grinders and other sensitive equipment so you all better be careful.

JONATHAN

Oh my gosh someone got Justin and Justine a ninja blender? Why can't I get married?

RICKY

And you're more single than ever.

fx; swipe

SHARON

Well now that we moved all the goods and you have all the money, I'm out of here.

JONATHAN

You're out of here like dignity in a prison.

LIV

Any final words?

SHARON

One more tip for you Liv...you might think you and I are different. But we're quite similar. Just give it a bit of time...you'll realize such.

fx; car door slam, tires screech and vroom vroom.

RICKY

Another case solved by the Junior Detective League!

JONATHAN

Do you think that's true Liv? Are you and Sharon similar?

LIV

No...I don't think so. Sharon became consumed with being a klepto. I sometimes want to strangle you, Elijah and Pastor. Different crimes, and she acts on it. I don't. Yet.

ANNABELLE

I'm glad we solved this case, now
let's go celebrate

RICKY

I hope my mom and dad save a slice of
wedding cake for me.

JONATHAN

WAIT Peter's been at this wedding this
whole time? What are we waiting for??
Let's get to this wedding!

8 INT. CHURCH HALL

MARJORIE

Alright, let's serve dinner.

CAROL ANN

What are the dinner options?

MARJORIE

A slice of beef sliced into two
beefcakes, served with mashed creamy
potatoes and thick squash slices. Or
there's an open-faced fish filet with
a side of clams.

CAROL ANN

Wow, quite sexy.

MARJORIE

You think? I just think we love
serving good food at The Cockpit.

CAROL ANN

Well the name alone sounds like a gay
bar...

PETER

Did someone say gay?

fx; swipe

PASTOR JAMIE

Pastor Wyatt, I already heard you were
here so you don't have to introduce
yourself.

PASTOR WYATT

Why Pastor Jamie, I love that cocktail

dress...

PASTOR JAMIE

Please don't say cocktail in front of me, I offend easily.

PASTOR WYATT

I've been talking to your ex-beau Desmond and it seems you don't offend easily...

PASTOR JAMIE

Why in the name of the GODS of ANTARTIC are you talking to Desmond?

PASTOR WYATT

Well Desmond and I know each other and we're sharing a table...

PASTOR JAMIE

Wait, who made that table seating? I bet it was Carol Ann...

PASTOR WYATT

Would you like to talk about how you're single now?

PASTOR JAMIE

I would singlehandedly love to talk about *any other topic* on God or Allah's green earth.

PASTOR WYATT

We could talk about my dating life--

PASTOR JAMIE

Oh is there a plate of cheese cubes over there?

fx; swipe

JUSTINE'S DAD

Well I just want to say on the day of my daughter's wedding, that I, Justine's Dad, am very happy for her and Justin.

fx; applause

JUSTIN'S MOM

I, the mother to Justin, want to add

that I'm so glad my son is getting married.

fx; more applause

JUSTINE'S MOM

As Justine's mom--

GLADYS

We get it, you're all happy. Can we eat now?

fx; swipe

MARCY

Yes, hello everyone. You're correct: there *will* be a Marcy performance for this wedding. I wrote this song while thinking of my best friend Jean Blue. Of course I thought about Justin and Justine as well. This song is called 'Insulting and Moscato'...

AGNES

Why does that sound like---

MARCY

You and me, friends we became. Who would have thought we'd be so close, but we became besties lately. And there you were, like someone I've known all my life. Yeah, and there you were, like my platonic soulmate.

DOROTHEA

I hav a question...do you think she'll ever get sued by Marcy Playground?

AGNES

I think I'm more likely to get lucky tonight than Marcy is to even get recognized by Marcy's Playground.

DOROTHEA

I have a question...Did you just say that because you wanted to brag that you're getting physically intimate with a man tonight?

AGNES

I have a question, I don't care.

DOROTHEA

That seems like more of a comment.

MARCY

How do I describe Jean Blue? How do I tell you that she's cool? How do I explain how close I am to her and how I'll miss her?

MARJORIE

Oh I thought the song was about Justin and Justine. This seems to be about Jean Blue.

PETER

Well Marjorie, sometimes art can't be explained! Just like the name of our restaurant.

SUSANNE

Are you two...the owners...of the Cockpit?

MARJORIE

Yes we are, did you like your food?

SUSANNE

The food was terrible...and The Cockpit sounds like a gay bar.

fx; susanne audio gag

fx; swipe

JEAN BLUE

Mom, can you believe Marcy wrote a song about me?

AGNES

I've had many men and women write songs about me.

JEAN BLUE

Marcy might come with me to New York.

AGNES

Are you serious? Did she confirm this? Is she really going?

JEAN BLUE

Oh you sound excited!

AGNES

I think the whole church would be excited if Marcy went with you to New York.

fx; swipe

DESMOND

Jamie...

PASTOR JAMIE

Why my ex-boyfriend Desmond, why are you up here at this charcuterie board at the same time I am?

DESMOND

I wanted to apologize.

PASTOR JAMIE

For what? It's not your fault this charcuterie board lacks true diversity. Salami, ham and cheddar cheese hardly counts as variety. Where's Pagan Ginger when you need her?

DESMOND

No, it's not about the food, although I've had better food served out of a can. It's about how I broke up with you.

PASTOR JAMIE

If you're trying to get back together with me, I'm afraid it's too late.

DESMOND

No that's not it at all! I just shouldn't have don it before the wedding. That wasn't fair to you.

PASTOR JAMIE

There was never going to be a right time. But it's okay, I'm moving on.

DESMOND

You are?

PASTOR JAMIE

Absolutely, once I find Jonathan, I'll be able to have him help me get on

Tyander.

DESMOND

Do you mean Tinder?

PASTOR JAMIE

Oh no, the fireplace in the rectory
doesn't use tinder, it's a gas
fireplace.

fx; swipe

JEAN BLUE

Marcy, thank you for the song.

MARCY

You inspire me Jean Blue. You're like
stone to Michaelangelo, or paint to
Vincent Van Gogh or even three bottles
of champagne to Mariah Carey.

JEAN BLUE

Well according to my ex-husband I'm as
stupid as a rock, as dry as dried
paint and he usually needed three
bottles of champagne to deal with me.

MARCY

Jean, you're going off to New York
City again, the last thing you need is
your slobbish slug of an old husband
to muddle you up.

JEAN BLUE

See, Marcy this is why I invited you
to come to New York with me. What if
I'm not strong enough?

MARCY

'What if I'm not strong enough'? 'What
if I can't hold myself against
Courtney Love'? 'What if Courtney Love
offers me a bump of coke?' These are
all questions that mean nothing until
you are forced to face the situation.
You will be strong enough though Jean
Blue.

JEAN BLUE

You think?

MARCY

I know. And besides I already made up my mind. I'll leave this relatively large city we're currently in and move to New York City with you.

JEAN BLUE

You will Marcy?

MARCY

Absolutely, we're going to be like Sex and the City...except without any of that smut, terrible acting and bad cinematography.

9 INT. CHURCH HALL

LIV

Does everyone have all of Justin and Justine's gifts?

JONATHAN

I grabbed this one bong.

ANNABELLE

Jonathan you couldn't grab more than one bong? I'm carrying a blender, three bottles of wine, an ice cream maker and five bags of weed!

JONATHAN

My arm hurts from driving!

ANNABELLE

Liv was the one driving if you were to remember correctly.

JONATHAN

Well I'm certainly going to *remember* to talk to your mom about your sassy mouth when she gets back from Peru...

fx; door opens

PASTOR JAMIE

Liv, Annabelle, Ricky, Jonathan...you're just in time for dinner. Marjorie and Peter are serving beefcakes and wide open fish.

ELIJAH

Frankly both the dishes were too sexual for my liking so I opted for the vegetarian butternut squash with the discharge of aioli.

JONATHAN

And people blame the gays for the sexualization of the world when the straights are serving up 'discharge of aioli'. Mmhmm.

LIV

Pastor, Elijah don't you want to know why we're holding all of Justin and Justine's gifts?

PASTOR JAMIE

Thank you for bringing them downstairs, I believe CAROL ANN was supposed to be doing that!

CAROL ANN

Oh I'm sorry, I was cutting the cake! It's lemon flavored with THC icing.

ELIJAH

Don't you have too much of that icing Carol Ann.

CAROL ANN

Why not? It's Thick icing. That's what THC stands for right, thick?

LIV

Carol Ann, THC stands for Tetrahydrocannabinol.

PASTOR JAMIE

What a lovely word.

LIV

THC is basically weed.

ELIJAH

Carol Ann, are you *making* a weed cake?

CAROL ANN

I didn't *make* this weed cake!

LIV

Well it seems like just the icing is filled with weed.

CAROL ANN

But I was licking the icing out of the container back in the kitchen.

JONATHAN

See, those are the health standards of the Cockpit. See why I couldn't work under Marjorie anymore.

RICKY

Both my mom and my dad own the cockpit.

JONATHAN

I could work under Peter at anytime. That wasn't the issue.

LIV

The issue was that you were a terrible employee.

JONATHAN

That happened way too long ago for anyone to remember.

LIV

Yet here I am, remembering it.

JONATHAN

Let me rephrase, it happened way too long ago for any *normal person* to remember.

ANNABELLE

Pastor, Elijah...we caught Sharon trying to steal all of Justine and Justin's wedding gifts.

RICKY

Sharon also tried to steal twenty thousand from the church. But we stopped her and got all the money back.

ELIJAH

Are you serious? ARE you serious? Are you seriousss?

SIRIUS
Yes, you called?

PASTOR
Sorry, not you Sirius Lee.

SIRIUS
No worries, I'm just going to get another drink.

LIV
We are serious.

PASTOR
Well...do you have any evidence?

ANNABELLE
Of course we do, I recorded it.

fx; recorder button.

SHARON
No worries, the cash and the gifts aren't here. I've already placed them in a secret location.

ELIJAH
The recording quality isn't that great.

ANNABELLE
I had my phone in my pocket. At least be happy you got some kind of audio!

PASTOR
You guys saved the church! And you rescued Justine and Justin's gifts. What can we do as thank you?

JONATHAN
A raise or a bonus would be great!

LIV
Actually, Pastor and Elijah, I think I know what you can do.

ELIJAH
What can we dooooo?

LIV
Annabelle and Ricky aren't twelve

yet...but maybe you can make the
Junior Detective League a real club?

ANNABELLE

Liv, really? You'd advocate for us?

LIV

Yeah, I'll even be your club figure of
authority or whatever.

ELIJAH

Normally we follow the laws set forth
that you have to be twelve to start a
club, but I think we can make an
exception!

ANNABELLE

Are you serious Elijah?

PASTOR

It's official: SCONE officially
recognizes The Junior Detective League
as an official SCONE club!

RICKY

Yay Annabelle, we're a club!

ANNABELLE

And don't you worry Ricky, you can
still do math or whatever.

RICKY

Well do I still have to be the
bookkeeper Pastor Jamie?

PASTOR JAMIE

For the foreseeable future, yes. But I
did post the job up on Indeed so I'm
sure we're going to get *only* the best
candidates.

fx; foosteps

MARCY

I have some good news for me, but bad
news for you all.

ELIJAH

We just turned Annabelle's Junior
Detective League into a real club--

MARCY

A club sandwich? No, it's too classy of an event to have Annabelle serve club sandwiches.

LIV

Does anyone listen around here?

MARCY

I have decided to move to New York for a little bit to help Jean Blue.

ELIJAH

Wait, is that bad news for us?

MARCY

Yes it is, and if you don't act accordingly I'm just assume you're in hysterics.

LIV

Yeah, hysterically laughing of glee I bet.

ANNABELLE

Marcy, what about my grandfather..your HUSBAND?

MARCY

I'm sure the nurses and his library club can handle him. I'm off to New York City to handle the Big Apple!

ANNABELLE

What about me? You're technically my legal guardian since my mother is in Peru!

MARCY

Annabelle this will give us both space. Time to relax and recuperate. Spend some time apart.

ELIJAH

Wait, Marcy...tell me that Annabelle will be fine while you're away forever.

MARCY

Of course Annabelle will be fine. Not musically of course, she has never

been fine on a tune. And I won't be gone forever--

JONATHAN

Well there's the bad news you kept saying we had coming.

MARCY

I'll just be gone enough to do some NPR desk performances, maybe do SNL, a couple alternative punk shows...

PASTOR JAMIE

I thought you were going to support Jean Blue.

MARCY

Well of course! I better start calling my New York City contacts...

RICKY

Annabelle are you okay?

ANNABELLE

I'll be fine, I'll be better off without Marcy.

PASTOR WYATT

Pastor Jamie, Elijah, the rest of the staff of SCONE...I just got a very upsetting voicemail from Sharon Ladron. She admitted to picking up her klepto habits and almost stole all the wedding gifts and 20k from the church. I tried calling her back, but it went straight to voicemail.

PASTOR JAMIE

Wait a minute, you're the one who rehabilitated Sharon. This is your fault!

PASTOR WYATT

Pastor Jamie you can't be serious.

ELIJAH

Oh we're serious. You told us she was

cured and we let her back in! If Sharon had gotten away with the money, it would've been your fault.

PASTOR JAMIE
Your fine chistled ass would have been grass.

LIV
Now let's not yell at this hunk of a Pastor...

JONATHAN
Yeah, leave the hot guy alone!

PASTOR WYATT
Well I apologize, I genuinely thought Sharon was healed.

LIV
I think we can forgive Pastor Wyatt, right Pastor?

PASTOR WYATT
Thank you for the support Lany.

fx; record scratch

LIZ
Lany?you're right pastor, this is Wyatt's fault! Put him in the electric chair.

10 THE END
